Jokes Joe King,2017-02-20 Have you ever been in a situation where you need to lighten the mood, or just want a few moments to make your friends, family or coworkers laugh? There's no better way to do that than by telling them a joke. Jokes, riddles, and funny stories are a time-tested method to put anyone in a better mood, or even impress that special someone by showing off your humorous side. Gathered in this collection are some of the funniest, wittiest, dumbest, most groan-inducing jokes you and your soon-to-be-audience have ever heard. Be prepared to

chuckle, snort, laugh out loud, and even roll your eyes at the jokes, stories, anecdotes, and riddles in this book. Warning: There are some... how should I put it? Less than work-appropriate jokes in here. Some may even be downright offensive to some people. Know your audience before telling some of these jokes or, at least, be open to the thought that not everyone has the same sense of humor as you do. (They're just wet blankets, though. They don't deserve to laugh at your jokes, anyways!) Please, enjoy! **This book may contain material that can be considered lewd or offensive**

Is This Anything? Jerry Seinfeld,2020-10-06 The first book in twenty-five years from "one of our great comic minds" (The Washington Post) features Seinfeld's best work across five decades in comedy. Since his first performance at the legendary New York nightclub "Catch a Rising Star" as a twenty-one-year-old college student in fall of 1975, Jerry Seinfeld has written his own material and saved everything. "Whenever I came up with a funny bit, whether it happened on a stage, in a conversation, or working it out on my preferred canvas, the big yellow legal pad, I kept it in one of those old school accordion folders," Seinfeld writes. "So I have everything I thought was worth saving from forty-five years of hacking away at this for all I was worth." For this book, Jerry Seinfeld has selected his favorite material, organized decade by decade. In this "trove of laugh-out-loud one-liners" (Associated Press), you will witness the evolution of one of the great comedians of our time and gain new

insights into the thrilling but unforgiving art of writing stand-up comedy.
