The Kindle Publishing Bible Tom Corson-Knowles, 2013 How To Sell More Kindle Ebooks In 7 Days I Believe Kindle Publishing Should Be Fun, Profitable And Very, Very Easy If you want your book to become a Kindle best seller I can show you how! In this best selling book with over 25,000 copies sold, you will learn how to: Increase Your Book's Amazon And Google Search Traffic By 423% In 30 Minutes If you're a self-published author without a large platform or following, you will never be able to promote more than the published authors with huge marketing budgets. But you can outrank them on Amazon search every time! Why? Because 99% of Kindle authors don't know how to increase their search engine rankings in Amazon and Google. But I do - and I'm going to show you how in this book (it won't cost you a dime to implement these strategies). Most authors (even the ones with publishers and big marketing budgets) have no idea how to do keyword research, tag their book, add the right search keywords when they publish their book or insert keywords in their book description without it sounding like it was written by a robot. For New Authors: Step-By-Step Instructions With Picture Tutorials If you're a first-time Kindle publisher or technologically challenged then this book is for you! I even had my Grandma Ann Knowles follow the instructions step by step and she gave it a big thumbs up for easy to use instructions. The playing field has been leveled with ebook publishing - and if my Grandma can do it I guarantee you can too! For Existing Authors: How To Sell More Books In 5 Days Than You Did Last Month I'm going to share with you my KDP Select Free Promotion Marketing Formula for getting tens of thousands of readers to download your book in just 5 days. All you have to do is read the Marketing Formula instructions and follow them (it takes about 3 hours of work to get thousands of new readers). How To Sell On Kindle Using Your Book Description If you think your book is going to sell itself think again! If you're a fiction author or novelist, you have to show your readers the story and engage them in it or they won't buy a book from an unknown author. And if you're a non-fiction author, you have to tell potential readers how your book is going to help them solve their problem fast or they'll click away without buying. I'm going to show you the Show And Tell system for selling more books on Kindle by giving you readers what they want and overcoming objections in your book description! Kindle marketing isn't about having a big marketing budget or publisher behind you - but you still need exposure and a great offer. This book will help you with get more exposure with Amazon search and

other great marketing tips. You also have to make buying your book an irresistible offer so that when browsers get done reading your book description they say, I have to buy this book! You can't do that without a strategic plan and a well-written book description. Bonus! Video interviews with best-selling Kindle authors as they share their coveted book marketing strategies. About The Author My poetry was first published at age 16 in Teen Ink magazine and I started writing books at age 19 but had no idea how to get my message out to anyone other than my friends and family. Finally, I discovered Amazon's Kindle Publishing platform and published my first book on Kindle on February 10, 2012. Since then, I've sold tens of thousands of ebooks on Kindle and now earn a full-time income as a part-time Kindle author. I've since helped hundreds of self-published authors like myself sell more books on Kindle. If I can do it you can too! Learn how to sell more books on Amazon today. The Complete E-Book Bestseller Formula for Authors Eric Michael, 2013-12-18 Your Kindle e-book is awesome. It should be selling more copies! As a matter of fact, it should be an Amazon bestseller, but it's not. Why are books that are inferior to yours raking cash, while your book collects digital dust on KDP? The Complete e-Book Bestseller Formula for Authors [re-titled and revised, with expanded applications for Fiction authors] provides many low cost (most are free), easy-to-complete tasks that can shoot your e-book up the popularity lists and earn your book bestseller status in a very short period of time. If you are like most authors, you have already read the e-

book improvement classics like *Kindle Bestseller Secrets* by Derek Doepker, *Let's Get Visible* by David Gaughran, *61 Ways to Sell More Non-fiction Kindle Books* by Steve Scott, and *Ebook Millionaire* by James Calthorpe. These are great books, but they only tell part of the story. They can also be difficult to get through because of their straightforward style. The *Complete e-Book Bestseller Formula for Authors* kicks it up a notch, with an energetic and motivational flair. It is a fun read, interwoven with humor and the personal experiences of an author who has spent time in the trenches and built a reputation, starting from scratch. There are many ways to make your book more sexy to book buyers. Included in this book are methods that will boost sales for any book (although the formula is best suited for non-fiction titles): Learn how to use keywords, so that people will find your book through SEO and internet searches Learn how to create a killer title and subtitle combination that gets the click and drives streams of internet traffic to your book page! Learn the elements of an awesome book cover - How do you get people to click on your book from a list of 10-20 books from Amazon search results and Kindle book browsing pages? Sell more books on Amazon by creating a book description that translates directly to book orders - learn how to set up your book description with eye-catching formatting, SEO and a call to action! Learn how to maximize the earning potential of your book by understanding the Amazon sales algorithm and associating your book with other bestselling books in the 'Customer Also Bought' applet. Make more book sales and expand your author influence by developing an effective and attractive Amazon Author page. Why are book reviews so important? Learn how to get more book reviews for free and use them in your book marketing. Learn how to price your Kindle book for success. These topics are just the highlights of the book. There are many additional topics covered in the books that will help your book become a Kindle bestseller. Author Eric Michael has gone from never writing a page of text to writing three bestselling books on the Kindle platform in short order. This book pulls no punches. It describes in detail what has worked and earned book sales, and what has not. Authors are provided an action plan for sexifying their books for readers and maximizes their books' potential. Now is the time to step on the gas and get rolling! Not tomorrow, or next week. Let's sell some books! Click on the 'Order' button in the top-right corner of this page and quickly make your book attractive eye-candy for Amazon book buyers. I've read at least a dozen Kindle books about improving book sales. Man, I wish that I would have found this book first. I would have saved myself \$50+. I was expecting a book on improving book sales by spicing up the book cover, title, and description. There were some excellent tips for those topics, but there was so much more in addition to that. It covers a wide array of free ways to improve sales - many were fresh ideas that I had not seen, several were updated approaches that I have seen discussed in other books. Long story short - every author or publisher should own this title. A valuable resource.

Breathing Room Steven Lange,2015-06-20 Breathing Room brings together the #1 Best Selling Kindle Trilogy series, (Muddy Beginnings, Fragile Hope, and Awaited Sunrise) and consolidates the trilogy into one title both in print, and as an Amazon Kindle novel. Breathing Room is the raw, honest, unfiltered saga of a family fighting to survive, stay together and find joy as they struggle for daily survival. The story reveals how several people will respond differently to the same challenges, and the impact those struggles have on their lives. Breathing Room also reminds us that, even in the midst of tragedy, the funnier side of family life is still there in the form of sibling rivalries, roughhousing, practical jokes and young crushes. These are the events that make up the crazy family stories that we pass down to the next generation. Written by #1 Best Selling author Steven Lange, a third generation New Jersey resident, Breathing Room unfolds across many New Jersey towns. This novel is a no-holds-barred view of each family member's individual fight to overcome the circumstances around them, and the wrestling within their own hearts. You will become part of this 1960's family as they face great adversities that just keep coming, and as each family member searches for THEIR idea of breathing room. Breathing Room discards all pretense, and explores life turned upside down, including those conversations going on within our own heads that we are thankful that the rest of the world does not hear. Breathing Room reveals the challenges of life lived without filters, and is based upon the very real trials in the author's own life. Breathing Room is that place of rest that all of us look for. Here, we are sheltered from the pains of our past and fears of an uncertain future. Breathing room allows us the freedom to discover our own likes and dislikes while unchained from the strains of daily survival. Too often the demands of financial, medical, emotional or relational struggles prevent us from having the time and peace of mind to enjoy life's basic pleasures. Breathing Room is a family's journey on the way to living instead of just surviving. Within the book's pages is the message that there IS hope for a new start, joy CAN be found in the most difficult of times, and we are all a lot tougher than we may think we are. This tribute to the American family will inspire men and women of every age.

It also offers selected excerpts in every literary genre. And, it's a fun read that you'll enjoy on its own. FICTION and NONFICTIONThere are two general categories among our must reads: The greatest novels and the best nonfiction. There are over 100,000-words of informative text about them. Please see the sample pages found in the Look Inside feature on our Amazon page for a list of the over 100 fiction and nonfiction genres, encompassing over 1,000 titles you should read before your

own final chapter. NONFICTION: There is a reason that so much of the suggested readings in this category are either best-selling works or the classical treatments of a particular subject: the marketplace and the experts are notorious for picking the leading books in the information world. It is, after all, the foremost professionals in the field that usually write them, and buy them. They usually possess some special knowledge in choosing the most reliable information sources in their areas of expertise, which means you have one of the most respected voices in each nonfiction genre. Our experts have identified them for you. FICTION: Big sales are not the only gauge of worth, though our reading recommendations don't ignore the bestsellers either; rather we look for authors with a knack for story-telling as well as those that have perfected a particular writing style. PERFECT FICTION is not just every great novelist's goal; it was also the goal in selecting inclusions in this guidebook to books. An experienced team of literary professionals chose works that meet three important criteria found in only the best fiction: 1. A story so good you don't want it to end2. Unforgettable characters3. Writing that hooks you on the first page A TEAM OF EXPERIENCED LITERARY PROFESSIONALSSelections in this book guide are chosen and penned by literary professionals: publishers, editors, authors, scholars, and critics, pointing you to the leading novels and nonfiction by the best writers. Each fiction genre provides an average of a dozen choices - making it much more likely that you'll find your next great read. First Pages of Best Sellers C. S. Lakin, 2020-01-15 The First Page of Your Novel Must Be Perfect! Most authors know that the first pages of a novel are the most crucial and carry the weightiest burden in their entire book. The opening scene must convey so many things that often the author will have to rewrite it numerous times to get it right. But the first page is especially crucial to get right. Why? Because if readers don't get engaged in the story right away, they'll stop reading. That puts a tremendous burden on writers to bring their best effort to the table. And, truth be told, a novel's first page is indicative of all the pages to follow. So it behooves writers to learn how to master the techniques needed to craft terrific first pages. Using a first-page checklist, Lakin examines two dozen first pages of best-selling novels, detailing what works, what doesn't, and why. Here are some of the issues and topics explored in this deep dive: Narrative that is excessive or telling instead of showing Opening paragraphs that fail to grab readers due to lack of intriguing action or flat characters Writing that grabs and writing that bores How much detail is too much or too little Finding the perfect balance when world building Ways to evoke emotion quickly in readers to get them to care about your story To prologue or not to prologue Consideration of first pages of novels in a series and what that requires Understanding how genre is the key to every great first page The pitfalls of backstory

Kindle Bestseller Launch for Introverts D. S. Orwell, 2015-04-25 Launch a Kindle Bestseller On Your Own!! This book is best suited for a new self-publisher who already wrote a book, who is about to embark on the Amazon self-publishing adventure, and doesn't have any capital to work with. If you don't have a platform, if you don't have any social media reach, if you don't have a network or a tribe or a street team, or if you don't have powerful online friends with lots of followers, then you are in the right place! If your social reach is small and your platform is a failed blog, then this is a book that will help you. If you are an introvert or a reclusive writer, horrified by the thoughts about marketing your work, then this is the book for you. However, you won't find any information here on how to brainstorm a topic for your book or how to pick a niche or how to commit yourself writing 2000 words per day. This information is for authors who have already written a book and are getting ready to publish it. I used this launch strategy and I hit Amazon #1 four times and all my other titles launched this way became at least #4 in their categories. Would You Like To Know More? Download and start getting healthier today. Scroll to the top of the page and select the buy button.

Best Sellers Selling Confusion on Entropy, Information, Life and The Universe Arie Ben-Naim, 2021-04-29 Have you read or are you planning to read any of the following books? 1: A Brief History of Time, by S. Hawking (1988) 2: A Briefer History of Time, by S. Hawking and L. Mlodinow (2005) 3: Decoding the Universe, by C. Seife (2007) 4: Programming the Universe, by S. Lloyd (2006) 5: From Eternity to Here, by S. Carroll (2010) 6: The Big Picture: On the Origins of Life, Meaning and the Universe itself, by S. Carroll (2016) 7: Now, The Physics of Time, by R. Muller (2016) 8: The Order Time, by

C. Rovelli (2018) Then this book is for you! What drives the popular science book industry today? Do marketing and profit lead the way? Or do honesty and first principle thinking still hold as its core value? This book argues for maintaining the latter and takes a critical look at eight best-selling popular science books which spread erroneous ideas and misinformation on topics such as Time, Entropy, Information Theory, and the Second Law of Thermodynamics. Using humor and reason the author puts under the microscope and scrutinizes the confusion and ignorance spread by some of popular sciences' greatest authors. It is written in simple, clear language which is accessible to scientists as well as to laypersons. The author, Arie Ben-Naim, is a professor emeritus of the Department of Physical Chemistry of the Hebrew University in Jerusalem, Israel. He has published over twenty books and most of his research work focused on the theory of liquids and solutions and understanding the peculiar and outstanding properties of water and the role of water in biological systems. In recent years, the author shifted his focus toward clarifying and explaining to the wider public audience one of the most mysterious concepts in Physics: Entropy. Deemed by numerous scientists as a concept that will forever remain shrouded in mystery, the author set out on a mission to demystify the concept of entropy and provide a platform to hold popular science writing accountable to the highest level for both the lay and advanced reader alike.

How I Sold 1 Million EBooks in 5 Months John Locke, 2011-06-01 Now, for the first time ever, John Locke reveals the marketing system he created to sell more than 1,100,000 eBooks in five months! His Credentials: John is the eighth author in the world—and the first self-published author in history—to have sold 1 million eBooks on Kindle! He is the first self-published author to hit #1 on the Amazon/Kindle Best Seller's List, and the first to hit both #1 and #2 at the same time! He is a New York Times best-selling author! He has been featured in the Wall Street Journal and Entertainment Weekly! He has had 4 of the top 10 books on Amazon/Kindle at the same time, including #1 and #2! He has had 7 books in the top 34 and 8 books in the Top 50 at the same time! These numbers are not positions within a category. They are positions that include all Kindle sales including fiction, non-fiction, magazine subscriptions, and game apps! By the middle of March, 2011, it had been calculated that "every 7 seconds, 24 hours a day, a John Locke novel is downloaded somewhere in the world." ...All this was achieved PART TIME, without an agent, publicist, and at virtually no marketing expense!

Discover Book Ideas Dean R. Giles, 2016-02-23 Discover Book Ideas The secret to creating books that sell on Amazon is to write them around topics that currently capture the attention of the masses and that have the chance of being discovered by people hungry for the information. Most authors don't know where to find the right ideas for writing books, so they flounder with books that only sell a few copies or none at all. Whether you are writing fiction, nonfiction, short stories, novellas or epic novel series, starting with the best ideas will really help your writing. Discover the Secrets In this book you will find the very best places to get ideas for books of all kinds and learn about why those topics are the best selling. There is a discussion on source after source of incredible ideas for books and validation techniques that should keep you in the best categories. There are many reasons for writing a book, but every author wants to see their book become a best seller. As a #1 bestselling author I bring my experience to the table and demonstrate how you can become a bestselling author also. There are few disappointments in life that compare to writing a book that no one is buying. I know, because I have been there and done that. The result was no-holds barred pursuit of what made some books popular, and others very lack luster. The results were quite surprising to me, but they revolved around finding topics that were already popular. Open Your Mind and Your Potential This book has the potential to open your mind and your potential with a plethora of ideas that can be the basis for many very popular books that you could write. The methods are straight forward and easily reproducible. You could be on your way to your own bestseller within a couple of hours. Start your amazing journey today by reading the book today.
