Comebacks Andrea Redmond, Patricia Crisafulli, 2010-04-26 Gold Medal Winner, Success and Motivation, 2011 Axiom Business Book Awards Insight from leaders who experienced major setbacks and redefined success In tough economic times, when careers are derailed and leaders are forced to rewrite their professional plans, this book enlightens and uplifts. Comebacks features an all-star cast of ten leaders who endured setbacks-for some a public fall in the midst of media scrutiny-then reassessed and moved ahead with new purpose. Based on revealing interviews, the book presents a behind-the-headlines glimpse into the lives of leaders; how they drew upon resources, both internal and external, to move on; and the lessons that helped them redefine success. Leaders profiled include: Jacques Nasser, former CEO of Ford Motor Co., recently appointed Chairman of BHP Billiton, the world's largest natural resources company Patricia Dunn, former Chair of Hewlett-Packard, vilified for her alleged role in corporate espionage only to be exonerated from all charges, today active in philanthropy Jamie Dimon (JP Morgan), Herbert Pug Winokur (Enron Corp.), David Neeleman (JetBlue), and more Redmond, a top executive recruiter, and Crisafulli, author of The House of Dimon, show how all leaders face adversity, but true leaders turn adversity into success.

Viva la Repartee Dr. Mardy Grothe, 2009-03-17 For most of us, that perfect retort or witty reply often escapes us when we need it most, only to come to mind with perfect clarity when it's too late to be useful. The twentieth-century writer Heywood Broun described this all-too-common phenomenon when he wrote Repartee is what we wish we'd said. In Viva la Repartee, Dr. Mardy Grothe, author of Oxymoronica, has lovingly assembled a collection of masterfully composed -- and perfectly timed -- replies that have turned the tables on opponents and adversaries. This delightful volume is a celebration of the most impressive retorts, ripostes, rejoinders, comebacks, quips, ad-libs, bon mots, off-the-cuff comments, wisecracks, and other clever remarks ever to come out of the mouths -- and from the pens -- of people throughout history. Touching on all areas of human endeavor, including politics, the arts, literature, sports, relationships, and even the risqué, the book features contributions from Oscar Wilde, Mark Twain, Dorothy Parker, Mae West, Groucho Marx, Winston Churchill, Dolly Parton, and scores more. As entertaining as it is intellectually enriching, Viva la Repartee is sure to capture the attention of language lovers and is the perfect antidote for anyone who's ever thought I wish I'd said that!

The Little Black Book of Comebacks I Came Up with After the Fact Jessica Belyea, 2019-11-03 Have you ever thought of the PERFECT thing to say, long after the conversation has ended? Wait, does that happen to you all of the time? Our minds continue to process long after an encounter with another person. It is an adaptive trait that helps us to be better at human-ing. In theory. Some of us use this part of our brain to have lengthy conversations or arguments in our heads, which tend to be much more favourable to us than maybe the actual argument with the real-life person. That's okay. Now, keep a list of all of your best comebacks that you wish you had said. Maybe it will make you better in future altercations. Maybe it is just a cathartic way to get your feelings out so you can let go. Regardless, it is certainly satisfying. This lined journal will be the very best listener you have ever met. It is objective and portable, so you can keep it on hand to furiously scribble in when someone cuts the coffee line or your boss is being Office Space-y or you find yourself in the middle of a keyboard battle over celebrity politics. And just because this journal is lined does not mean that you cannot include illustrations. In fact, it is encouraged! Rage it out, write it down, repeat.

The Official Guide to Cut-Downs and Comebacks: Words Edition William Donald Barnwell, Travis Bates, 2016-08-15 Have you ever been in a situation where you needed to defend yourself, or others, but just didn't have the right words to do so? Of course, a few hours later, when you replay the situation in your mind, the perfect response comes to you. If I had only said that I would've been a hero! Yes, we've all been there, and it's a helpless feeling because you know that the moment has passed for good. For all intents and purposes, you lost. In this book, you'll get a full breakdown of the ways to come right back to those individuals who are attempting to cut you down. You'll discover clever ways to instantly dominate any situation where another person is trying to insult you or your friends. You'll quickly become a master of the craft and be able to call upon these comebacks, or come up with your own using this proven formula, at any time. No more regrets, no more shoulda-coulda-wouldas. No more losing. Consider this comeback system as your compass that allows you to navigate the rough terrain we call social class and order. I wrote this book because you needed support from someone who has been there before. Know that I have a personal stake in this and have tapped back into my own childhood and current everyday life to try and understand both sides of this natural phenomenon. The defenseless need defending. The common person needs armor and weapons when it is their time to attack. You are my inspiration for this. Here's how it works: At the top of the page there will be a cut-down, directly below will be a brief insight into the cut-down, and at the bottom, there will be several different comebacks to the cut-down. The following pages will change your life for the better. The time for lying down is over. The time has come for a shift in power. It's time for a new hero-story to be written. Is it your time? Will you be that hero? It is yours for the taking if you are ready. Are you ready?
