Diane Gottsman

5-Minute Recruiting David Ward, 2018-04-14 5-Minute Recruiting: Using Voicemail to Build Your Network Marketing Business I've recruited hundreds of distributors and become a top money-earner in my company using voicemail as my primary recruiting tool. I use one-minute voicemail messages to get leads. And I use 5-minute voicemail messages (sizzle calls) to recruit them. In fact, I've signed up more than a few distributors using ONLY a 5-minute sizzle call. Now, it's your turn. This book shows you everything you need to know to use voicemail messages to build a successful network marketing business. You'll learn how to create a simple lead capture voicemail message, and how to use it to get all the leads you want. You'll learn how to create an effective sizzle call voicemail message and use it to recruit distributors into your business. You'll learn how to leave a voicemail message (on a prospect's voicemail or answering machine) that gets them to call you back. And you get SCRIPTS you can use as models for your scripts, including actual scripts I use in my business. YOU'LL LEARN How to write scripts that get prospects to say, I'm interested-tell me more How long to make your messages-what's too long? What's too short? Where to get a FREE voicemail account for your messages-the service I use and recommend The easiest, low tech way to record your messages How to PROMOTE your lead capture message-what I do and recommend (with more scripts) Tracking your numbers-what's a good response and how to make it better How to use sizzle calls to quickly find interested

prospects-the EXACT method I use How to create scripts for recruiting doctors, lawyers, business owners, and other professionals How to get your first message set up in ONE HOUR or Less! Voicemail messages are the ultimate lead capture and recruiting tool. They're easy to set up, easy to use, and they work like crazy. Instead of spending hours talking to prospects and following-up with them again and again, only to find out they're not interested, voicemail messages let you find out who is (and isn't) interested in a few minutes. If you want to recruit more, and recruit faster, you should be using voicemail messages to build your business. This book shows you how. The book is divided into five parts: Part 1: Lead Capture Messages: Sample scripts and step-by-step instructions for creating your own messages. Part 2: Sizzle Calls: More scripts, and a simple way to create the ideal message for your business. Part 3: Recording and Promoting Your Messages: How to set up your voicemail account, how to record your messages, and how to promote and use those messages. Part 4: How to Leave a Voicemail Message That Gets Prospects to Call You Back: When you should (and shouldn't) leave a message on the prospect's voicemail or answering machine, and what to say if you do. Part 5: Quick Start Guide: A step-by-step checklist of everything you need to get started. Simply put, this book shows you everything you need to know to create and use recorded messages to get more leads, recruit more distributors, and build your network marketing business. -- David M. Ward is an attorney and business owner. He is the author of Recruit and Grow Rich,

Recruiting Up, and other best-selling books on network marketing.
