**Beyoncé** Vanessa Oswald,2019-07-15 She is one of the most iconic performers of her generation. From her early days in Destiny's Child to her career as a highly successful solo artist, she has created numerous hit albums, starred in many films, and performed for legions of passionate fans who often refer to her as Queen Bey. **Fifty Years of the Concept Album in Popular Music** Eric Wolfson,2023-12-28 The concept album is one of popular music's most celebrated-and misunderstood-achievements. This book examines the untold history of the rock concept album, from The Beatles to Beyoncé. The roots of the concept album are nearly as old as the long-playing record itself, as recording artists began using the format to transcend a mere collection of songs into a listening experience that takes the listener on a journey through its unifying mood, theme, narrative, or underlying idea. Along the way, artists as varied as the Moody Blues, Jimi Hendrix, Joni Mitchell, Pink Floyd, Parliament, Donna Summer, Iron Maiden, Radiohead, The Notorious B.I.G., Green Day, Janelle Monáe, and Kendrick Lamar created albums that form an extended conversation of art and music. Limits were pushed as the format grew over the subsequent eras. Seminal albums like the Beatles' Sgt. Pepper's Lonely Hearts Club Band, the Who's Tommy, Marvin Gaye's What's Going On, stand alongside modern classics like Liz Phair's Exile in Guyville, Kendrick Lamar's good kid, m.A.A.d city, and Beyoncé's Lemonade. Mixing iconic albums with some newer and lesser-known works makes for a book that ventures into the many sides of a history that has yet to be told-until now.

**Beyoncé Knowles** Janice Arenofsky,2009-05-14 Although Beyoncé Knowles is not yet 30, the sensual superstar has already succeeded on many levels: as a dancer, singer, composer, model, music producer, video director and actress. Like rap star/entrepreneur Jay-Z, with whom Beyoncé recently married, she has evolved into a businesswoman, who with her designer-mother, Tina Knowles, markets Beyoncé's personal fashion line, House of Dereon. The multi-talented, global entertainer lends her name and image to many commercial and philanthropic ventures. She is the spokeswoman for L'Oreal and appears in ads for Pepsi and Ford. This biography tells the story of a young, talented woman's meteoric rise in the entertainment industry. From a shy, demure Catholic schoolgirl growing up in Houston, Texas, Beyoncé Knowles eventually morphed into the first African-American woman to win the Songwriter of the Year Award from the American Society of Composers, Authors and Publishers Pop Music Awards. The once-shy suburban schoolgirl has gone far beyond her original dream of becoming a first-rate musician and vocalist. With the assistance of her manager-father-former Xerox executive Mathew Knowles-and as lead singer of the R&B girl group Destiny's Child (the world's all-time bestselling female group), Beyoncé has won 10 Grammy Awards and two Golden Globe nominations. Her albums have reached more than 20 million people worldwide, and she has become a cultural icon to music lovers everywhere as well as a role model for young women. Author Janice Arenofsky gives students and general readers alike an insightful look at a music and fashion icon who has a unique niche in popular culture today. Complete with photos, a timeline, and a thorough bibliography.

The Beyhive knows. From the Destiny's Child 2001 hit single "Survivor"to her 2019 jam "7/11," Beyoncé Knowles-Carter has confronted dominant issues around the world. Beyoncé contends that because of her willingness to address societal issues within her career, Beyoncé has become an important touchstone for an entire generation?all in a day's work for Queen Bey. **Beyoncé and Beyond** Naila Keleta-Mae, 2023-02-22 This book examines three years of Beyoncé's career as a pop mega star using critical race, feminist and performance studies methodologies. The book explores how the careful choreography of Beyoncé's image, voice and public persona, coupled with her intelligent use of audio and visual mediums, makes her one of the most influential entertainers of the 21st century. Keleta-Mae proposes that 2013 to 2016 was a pivotal period in Beyoncé's career and looks at three artistic projects that she created during that time: her self-titled debut visual album Beyoncé, her video and live performance of Formation, and her second visual album Lemonade. By examining the progression of Beyoncé's career during this period, and the impact it had culturally and socially, the author demonstrates how Beyoncé brought 21st century feminism into the mainstream through layered explorations of female blackness. Ideal for scholars and students of performance in the social and political spheres, and of course fans of Beyoncé herself, this book examines the mega superstar's transition into a creator of art that engages with Black culture and Black life with increased thoughtfulness.

**Fashion and Motherhood** Laura Snelgrove, 2024-01-25 Motherhood, whether achieved through biological or other means, is not a rare experience; dressing oneself, even less so. The two phenomena are intimately linked, as both occur on and to the private body, and are also fully subject to social pressures and the changing tides of public opinion. They also, for anyone who experiences motherhood, define one another and work together to shape an individual's identity and place in their culture. This rich collection explores the essential question of how motherhood and fashion interact, interrogating their relationships to power, misogyny, temporality, longing and embodiment, among other themes. The 13 essays examine representations on film, in popular print and literature; they use images, narrative and material evidence from the past to excavate the historical cleavages in how mothers have been expected to hide, display, share and sacrifice their bodies. An international range of scholars explores the 19th to the 21st centuries, tracing how fashion and motherhood have operated as powerfully interdependent experiences and continue to determine how women are judged and corralled, yet also find meaning, connection and strength.

**Encyclopedia of Great Popular Song Recordings** Steve Sullivan, 2013-10-04 The Encyclopedia of Great Popular Song Recordings, Volumes 1 and 2 covers the full range of popular music recordings with virtually unprecedented breadth and depth. In this 2-volume encyclopedia, Sullivan explores approximately 1,000 song recordings from 1889 to the present, telling the stories behind the songs, recordings, performers, and songwriters. From the Victorian parlor ballad and ragtime hit at the end of the 19th century to today's rock classics, the Encyclopedia progresses through a parade popular music styles, from jazz to blues to country Western, as well as the important but too often neglected genres of ethnic and world music, gospel, and traditional folk. This book is the ideal research tool for lovers of popular music in all its glorious variety.
