Catherine Greenman

Persons Peter van Inwagen, Dean Zimmerman, 2007-01-25 The nature of persons is a perennial topic of debate in philosophy, currently enjoying something of a revival. In this volume for the first time metaphysical debates about the nature of human persons are brought together with related debates in philosophy of religion and theology. Fifteen specially written essays explore idealist, dualist, and materialist views of persons, discuss specifically Christian conceptions of the value of embodiment, and address four central topics in philosophical theology: incarnation, resurrection, original sin, and the trinity.

My Gal, the Zombie Dan Conner, 2015

**Flame of Surrender** Rhiannon Paille, 2011-11 Krishani thinks he's doomed until he meets Kaliel, the one girl on the island of Avristar who isn't afraid of him. She's unlike the other girls, she swims with merfolk, talks to trees and blooms flowers with her touch. What he doesn't know is that she's a flame, one

of nine individually hand crafted weapons, hidden in the body of a seemingly harmless girl. Nobody has fallen in love with a flame until now. She becomes Krishani's refuge from the dreams of death and the weather abilities he can't control. Striking down thousand-year-old trees with lightning isn't something he tries to do, it just happens. When the Ferryman dies, Krishani knows he's the next and a lifetime of following death is his destiny. And Kaliel can't come with him. The Valtanyana are hunting the flames, the safest place for her is Avristar. Krishani can't bear to leave her, and one innocent mistake grants the Valtanyana access to their mystical island. They're coming for Kaliel, and they won't stop until every last living creature on Avristar is dead. She has to choose--hide, face them, or awaken the flame and potentially destroy herself.--P. [4] of cover.

My Gal, The Zombie Dan Conner,2014-05 Chelsea goes zombie! Everyone loves a green skinned girl: Monsters, Makeup and Madness! You have it all. A great roommate, an awesome boyfriend, smarts, & style. The Juliet Spell Douglas Rees,2011-10-01 I wanted the role of Juliet more than anything. I studied hard. I gave a great reading for it—even with Bobby checking me out the whole time. I deserved the part. I didn't get it. So I decided to level the playing field, though I actually might have leveled the whole play. You see, since there aren't any Success in Getting to Be Juliet in Your High School Play spells, I thought I'd cast the next best—a Fame spell. Good idea, right? Yeah. Instead of bringing me a little fame, it brought me someone a little famous. Shakespeare. Well, Edmund Shakespeare. William's younger brother. Good

thing he's sweet and enthusiastic about helping me with the play...and—ahem—maybe a little bit hot. But he's from the past. Way past. Cars amaze him—cars! And cell phones? Ugh. Still, there's something about him that's making my eyes go star-crossed....

Warhol-isms Andy Warhol,2022-05-10 A unique collection of brilliant quotations from the legendary Pop artist One of the most influential artists of his time and ours, Andy Warhol is nearly as renowned for what he said as for what he did. Indeed, he is so quotable that things he never said are endlessly and plausibly attributed to him, including, fittingly, the most celebrated fake Warhol saying—“In the future, everyone will be world-famous for 15 minutes.” Warhol-isms separates legend from fact to present a unique and comprehensive collection of authentic quotations from the Pop artist. Gathered from interviews and other primary sources, these deadpan, droll, ironic, and sincere gems—in which a superficial embrace of superficiality often disguises provocative, unconventional ideas—provide compelling insights into the life and work of an artist who has left an indelible mark on art and popular culture. Select quotations from the

book: I think an artist is anybody who does something well. I went to [a psychiatrist] once, and he never called me back. They always say that time changes things, but you actually have to change them yourself. I've never met a person I couldn't call a beauty. New things are always better than old things. I'm still a commercial artist. I was always a commercial artist.

**Incarnate** Jodi Meadows, 2012-01-31 New soul Ana is new. For thousands of years in Range, a million souls have been reincarnated over and over, keeping their memories and experiences from previous lifetimes. When Ana was born, another soul vanished, and no one knows why. No soul Even Ana's own mother thinks she's a nosoul, an omen of worse things to come, and has kept her away from society. To escape her seclusion and learn whether she'll be reincarnated, Ana travels to the city of Heart, but its citizens are afraid of what her presence means. When dragons and sylph attack the city, is Ana to blame? Heart Sam believes Ana's new soul is good and worthwhile. When he stands up for her, their relationship blooms. But can he love someone who may live only once, and will Ana's enemies—human and creature alike—let them be together? Ana needs to uncover the mistake that gave her someone else's life, but will her quest threaten the peace of Heart and destroy the promise of reincarnation for all? Jodi Meadows expertly weaves soul-deep romance, fantasy, and danger into an extraordinary tale of new life.

Dearly Departed Lia Habel, 2011-09-29 A sharp, slick, blisteringly paced debut novel, with an unconventional but tender love story at its heart. I parted the curtains. A skeletal face peered back at me, blackened eyes rolling in sockets seemingly unsupported by flesh. It smiled... It should be game over for Nora Dearly when she is ambushed and dragged off into the night by the living dead. But this crack unit of

teen zombies are the good guys, sent to protect Nora from the real monsters roaming the country and zeroing in on cities to swell their ranks. Can Nora find a way to kill off the evil undead once and for all? Can she trust her protectors to resist their hunger for human flesh? And can she stop herself falling for the noble, sweet, surprisingly attractive, definitely-no-longer-breathing Bram...?

**Until I Die** Amy Plum, 2012-05-08 I wish there was only today, just right now, and no forever. It seems fitting that I fell in love in Paris, the most beautiful city in the world. And if I pretend, I can almost believe that my life is normal and everyone I care about is safe. But as long as I'm with Vincent, "normal" doesn't exist. Gorgeous, charming, and witty, he's everything you could ask for in a boyfriend—but his destiny is so much more. Even more terrifying than his destiny are his dangerous enemies, enemies who will kill for immortality. How are Vincent and I supposed to be together forever if we're always in danger? I know I'll do whatever it takes—even if it means lying to the people I love—to fight against a fate that is trying to tear us apart.

Dragonswood Janet Lee Carey, 2012-01-05 On Wilde Island, there is no peace between dragons, fairies, and humans. Wilde Island is in an uproar over the recent death of its king. As the uneasy pact between dragons, fairies, and humans begins to fray, the royal witch hunter with a hidden agenda begins a vengeful quest to burn girls suspected of witchcraft before a new king is crowned.. Strong-willed Tess, a blacksmith's daughter from a tiny hamlet, wants more for herself than a husband and a house to keep. But in times like these wanting more can be dangerous. Accused of witchery, Tess and her two friends are forced to flee the violent witch hunter. As their pursuer draws ever closer they find shelter with a

hunter in the outskirts of the forbidden Dragonswood sanctuary. But staying with the mysterious hunter poses risks of its own: Tess does not know how to handle the attraction she feels for him—or resist the elusive call that draws her deeper onto the heart of Dragonswood.

Sophie & Carter Chelsea Fine, 2011 While other high school seniors are dreaming about their futures, Sophie and Carter are just trying to make it through each day. Carter is overwhelmed by troubles at home as he struggles to support his mother. Meanwhile, next door neighbor Sophie is left to care for her three younger siblings in place of their absent and troubled mother. All that holds these two best friends together is each other, and knowing that each night they'll sit together on Sophie's front porch swing and escape from their troubles, if just for a while. But as their relationship reaches a turning point and high school graduation nears, what lies ahead for Sophie and Carter?--P. [4] of cover.

**Baghead** Jarrett J. Krosoczka, 2012-11-28 From the author of National Book Award finalist *Hey, Kiddo*. From the author of *Good Night, Monkey Boy*, the hilarious tale of a haircut gone awry! One day Josh had a big, brown bag idea: to wear a paper bag over his head. He thought it was a good idea. His mother did not. Neither did his bus driver, his teacher, or his soccer coach. What could Josh possibly be hiding? A surprise ending will keep kids giggling—and from taking haircuts into their own hands!

**The Mystery of Consciousness** John R. Searle, 1990-01-01 It has long been one of the most fundamental problems of philosophy, and it is now, John Searle writes, the most important problem in the biological sciences: What is consciousness? Is my inner awareness of myself something separate from my body? In what began as a series of essays in *The New York Review of Books*, John Searle evaluates the positions on

consciousness of such well-known scientists and philosophers as Francis Crick, Gerald Edelman, Roger Penrose, Daniel Dennett, David Chalmers, and Israel Rosenfield. He challenges claims that the mind works like a computer, and that brain functions can be reproduced by computer programs. With a sharp eye for confusion and contradiction, he points out which avenues of current research are most likely to come up with a biological examination of how conscious states are caused by the brain. Only when we understand how the brain works will we solve the mystery of consciousness, and only then will we begin to understand issues ranging from artificial intelligence to our very nature as human beings.

*Aliens: Kidnapped* Jim Woodring, 1999-03-09 In the dark reaches of the universe lies a remote planet that holds both forbidden pleasures and unspeakable horrors. For three naive smugglers, it's also a place to unload a deadly cargo: an Alien egg. But something about this particular egg is scaring off the black marketeers. And when it hatches, the nightmare will have just begun.

*Absolute Mayhem* Monica Mayhem, 2010-10 So begins the no-holds-barred autobiography of Monica Mayhem—a porn star and proud of it. In her funny and disarmingly candid voice, she reveals the ins and

outs of making it big in Los Angeles, the pornography capital of the world. Just how did a girl who was taunted at school because her eyes were “too big,” and who carved out a respectable career for herself trading oil futures in the financial markets of Sydney and London, go on to make over four hundred hardcore adult movies (and counting), win numerous industry awards, and even land herself a role in the first Sex and the City movie? From her troubled childhood to her first show at the famous Spearmint Rhino in London to her favorite sex toys, Monica reveals how she built her empire—which now includes hundreds of films, a website, and lucrative burlesque performances. *Absolute Mayhem* lifts the lid on the sex, rock, and mayhem of Monica’s truly extraordinary professional life and unveils the private person behind it all.
