Filled with lots of pictures and simple text, this is sure to become a family favorite.

The Discovery Bible , 1999-08 The Bible is a best-seller. It is also one of the master works of world literature -- so important that universities teach 'non-religious' Bible courses to help students understand literature. The Bible possesses an amazing power to fascinate young and old alike. A reason for this appeal is that it deals with human longings, emotions, and relationships -- 'all the world is here'. Another reason is that so much of the Bible consists of stories. They are full of meaning but easy to remember. Here are those Bible stories, presented simply and with a minimum of explanation. Gifted artists use the action strip technique to bring the Bible's deep message to readers of all ages. Their drawings are based on information from archaeological discoveries covering fifteen centuries. An ancient book -- presented for the people of the second millennium. A religious book -- presented free from the interpretation of any particular church. A universal book -- presented in a form that all may enjoy.

Unearthing the Bible Titus Kennedy, 2020-06-02 "A much-needed resource for those serious about biblical studies." —Mark M. Yarbrough, president, Dallas Theological Seminary The Bible is often dismissed as a book of myths, legends, fairy tales, and propaganda. Yet when we examine the archaeological evidence, its accuracy comes to light. In *Unearthing the Bible*, Dr. Titus M. Kennedy presents 101 objects that provide compelling evidence for the historical reliability of Scripture from the dawn of civilization through the early church. Gathered from more than 50 museums, private collections, and archaeological sites, these pieces not only reinforce the reliability of the biblical narratives, but also provide rich cultural insights into the ancient world. Using this visual guide, you can find context for your faith as you make your way through the Bible. Dr. Kennedy's photographs and detailed descriptions enable you to examine each piece of fascinating evidence for yourself. From the earliest tablets of creation to artifacts connected with the life and resurrection of Jesus, *Unearthing the Bible* shows you can be confident there is an abundance of archaeological support for the history told in the Scriptures.
