Summarizing the state of knowledge on more than 9,000 topics and including 3,500 cross-references, ISBE contains articles on every person and place mentioned in the Bible, every word in the Bible that has significant theological or ethical meaning, and all terminology that touches on the transmission and interpretation of the Bible.

New International Encyclopedia of Bible Words

Lawrence O. Richards, 2016-09-27 Uncover the Rich Meaning Behind the Hebrew and Greek Words of the Bible Whether you're a pastor, a student, or simply a lover of the Bible, this book helps you get more out of God's Word by revealing the original meanings of key biblical words. The reader-friendly, narrative style makes it easy to explore the Hebrew and Greek words that lie behind the English words. You'll discover significant shades of meaning and nuances that bring depth to your understanding of Scripture. This highly accessible reference tool surpasses the well-known Vine's Expository Dictionary of New Testament Words in a number of ways: Thorough coverage of both Old and New Testaments gives you a firm grasp of the entire Bible. The Goodrick/Kohlenberger numbering system allows for more accurate identification of Hebrew and Greek words. Top evangelical scholarship ensures current insights into the meanings of words. Biblical concepts are fully discussed, providing you with

understanding, but also practical and devotional insights you can apply to your life. Entry words are taken from the NIV (New International Version) and the NASB (New American Standard Bible)—respectively, the best-selling contemporary translation and today’s most literal word-for-word translation. Major KJV terms are cross-referenced to broaden your understanding of translational nuances and distinctions. Four indexes include: Hebrew words, Greek words, Scripture references, and topical index.

—ZONDERVAN’S UNDERSTAND THE BIBLE REFERENCE SERIES— This four-volume series supplies users of today’s most popular modern Bible translation, and New International Version, with scholarly, economical, and uncompromisingly evangelical study tools. It includes: New International Bible Commentary New International Encyclopedia of Bible Words New International Encyclopedia of Bible Difficulties New International Encyclopedia of Bible Characters
