Sonshine for the Soul Debbie Compton, 2018-11-22 This is a collection of inspiring quotes from religious leaders, singers, actors, and others. It contains Biblical quotes from a wide variety of translations as well as lots of humor from my everyday life. Much of the short, funny, quotes have never been published before. If you're needing a quote for a speech, feeling a little down, or just looking for a light-hearted quick read, this is the book for you. My Dad was a country preacher and my mom was the ever-supportive pastor's wife. Mom was volunteered, (meaning she did not volunteer herself,) to make our church bulletins for a while. These were the days of the typewriter, no spell-check, not even a proof reader, and very little time. The results were sometimes hilarious and sometimes embarrassing to my poor mother. Some are shared in this book, not to make fun of my sweet mom in any way, but to brighten your day. Laughter, after all, is the best medicine! I hope you decide to add some Sonshine to your day!

### **100 Inspiring Bible Quotes** Evelyn Dumonte, 2012-04-28

**ABOUT THE BOOK** The Bible has been translated many times over with each interpretation hoping to get closer to the original meaning of the text and contains much wisdom on how to live life ethically. I hope the following quotes inspire you to find positivity in every moment and a guiding light in any circumstance. **MEET THE AUTHOR** Evelyn hails from a very tiny country of Estonia, so it's ironic that she chose to be a writer when English isn't her first language! After a few years of working for newspapers and local TV news, she chose to forego any idea of a schedule and started a freelance writing and marketing business. Because it isn't the most stable of jobs, Evelyn would often supplement her income with random gigs, including being a singing telegram and an airline interpreter. She has an unnaturally close relationship with food and for a number of years worked as a chef. However, after crying too many times in the kitchen, Evelyn had to give up her professional culinary pursuits. Instead, you'll find her traveling, reading, participating in your general debauchery, and making new friends. She has several degrees and some accolades but she'd much rather tell you about the time she smuggled a kitten on an airplane out of Russia. **EXCERPT FROM THE BOOK** Children are said to be the only ones who experience true happiness for they are still close to Heaven. Pure happiness is the best cure for any ailment and we strive to achieve bliss above all other accomplishments. Without a vision the people lose restraint; but happy is the one who follows instruction. (Proverbs 29:18) Not that I say this because of need, for I have learned, in whatever situation I find myself, to be self-sufficient. I know indeed how to live in humble circumstances; I know also how to live with abundance. In every circumstance and in all things I

have learned the secret of being well fed and of going hungry, of living in abundance and of being in need. I have the strength for everything through him who empowers me. (Philippians 4:11-13)

*Crazy Love* Francis Chan, 2013-04-01 Revised & Updated Edition! God is love. Crazy, relentless, all-powerful love. Have you ever wondered if we're missing it? It's crazy, if you think about it. The God of the universe—the Creator of nitrogen and pine needles, galaxies and E-minor—loves us with a radical, unconditional, self-sacrificing love. And what is our typical response? We go to church, sing songs, and try not to cuss. Whether you've verbalized it yet or not, we all know something's wrong. Does something deep inside your heart long to break free from the status quo? Are you hungry for an authentic faith that addresses the problems of our world with tangible, even radical,

solutions? God is calling you to a passionate love relationship with Himself. Because the answer to religious complacency isn't working harder at a list of do's and don'ts—it's falling in love with God. And once you encounter His love, as Francis describes it, you will never be the same. Because when you're wildly in love with someone, it changes everything. **Inspired** Rachel Held Evans, 2018-06-12 If the Bible isn't a science book or an instruction manual, what is it? What do people mean when they say the Bible is inspired? When New York Times bestselling author Rachel Held Evans found herself asking these questions, she embarked on a journey to better understand what the Bible is and how it's meant to be read. What she discovered changed her--and it can change you, too. Evans knows firsthand how a relationship with the Bible can be as real and as complicated as a relationship with a family member or close friend. In *Inspired*, Evans explores contradictions and questions from her own experiences with the Bible, including: If the Bible was supposed to explain the mysteries of life, why does it leave the reader with so many questions? What does it mean to be chosen by God? To what degree did the Holy Spirit guide the preservation of these narratives, and is there something sacred to be uncovered beneath all these human fingerprints? If the Bible has given voice to the oppressed, why is it also used as justification by their oppressors? Drawing on the best in biblical scholarship and using her well-honed literary expertise, Evans examines some of our favorite Bible stories and possible interpretations, retelling them through memoir, original poetry, short stories, and even a short screenplay. Undaunted by the Bible's most difficult passages and unafraid to ask the hard questions, Evans wrestles through the process of doubting, imagining, and debating the mysteries surrounding Scripture. Discover alongside Evans that the Bible is not a static text, but a living, breathing, captivating, and confounding book that can equip us and inspire us to join God's loving and redemptive work in the world.
