The Bible and Emotional Intelligence Mordechai Yair,2021-02-24 Is it possible that a small child wrote the Torah?What was really created in the story of creation?What is the tree of knowledge?Who is God, according to the Bible?What is the connection between the Tower of Babel and the 9/11 attack?And what is the connection between emotional intelligence and the Bible?All the answers to these and many other questions, in a revolutionary book!! Approaching the Bible from a new direction that has not yet been explored - from the writer's direction.And who is the writer? - This will be revealed during the book.This is the first and only book that brings logical explanations that are not religious or traditional, explanations which settles with the spiritual world of today, based on a deep understanding of the emotional world, consciousness and subconscious as well as understanding of the ancient world of about 6,000 years ago. which is completely different from the world we live in today.You will also find that in order to truly understand the Bible, one must know Hebrew at the level of a mother tongue.(You do not need to know, I explain).And from this deep understanding, one can also understand other phenomena from the ancient world that still have no explanation - such as the construction of the pyramids, how the giant paintings of the Nazca were painted in Peru, the construction of the city of Machu Picchu and many others.All the knowledge that appears in this book is mediated knowledge obtained following an exciting enlightenment I experienced in May 2012, which opened up to me valuable knowledge from the ancient world. I am happy to share this knowledge with you.

Post-Christian Gene Edward Veith Jr.,2020-01-07 Undaunted Hope in a Post-Christian World We live in a post-Christian world. Contemporary thought—claiming to be “progressive” and “liberating”—attempts to place human beings in God’s role as creator, lawgiver, and savior. But these post-Christian ways of thinking and living are running into dead ends and fatal contradictions. This timely book demonstrates how the Christian worldview stands firm in a world dedicated to constructing its own knowledge, morality, and truth. Gene Edward Veith Jr. points out the problems with how today’s culture views humanity, God, and even

reality itself. He offers hope-filled, practical ways believers can live out their faith in a secularist society as a way to recover reality, rebuild culture, and revive faith.

The Genius of Ancient Man Don Landis,2012 Startling evidence that science cannot explain, so it was ignored! Over the course of two years, a team of researchers from Jackson Hole Bible College has worked to bring together the different pieces of this convoluted mystery. Hours of research, trips to various sites around North and Central America, visits to museums, and meeting with experts have provided this team with an overwhelming amount of evidence for the intelligence of ancient man.

The Last Christian David S. Gullion,2009-05-28 What source material outside of the Bible was used by the authors of the Gospels? How does patch-stitching work? How might religious terminology commonly used in ancient Israel be filtered and given a different meaning by a Gentile, pagan audience? What implications did this hold for the rise of Christianity? How were the crucifixion scenarios constructed? Were all of the sources used in their construction Biblical? Did the writings of Josephus influence the written Word? How did Jesus evade arrest? How did he operate a supply and intelligence network which reached into the palace of Herod the tetrarch and into the temple ? Details of its operation such as departmentalization and recognition signals are noted. How did Jesus send a message to Herod along this grapevine? What were the circumstances of his arrest? What was Judas role? The evidence holds out the intriguing possibility that his role as traitor may not be accurate. What were the charges? Based upon the Gospels, was Jesus sentenced to death for blaspheming? According to the Gospels, was a terrorists a member of Jesus inner circle? If a criminal profile was put together for Jesus, using the Gospels as our source, what would it look like? What would it tell the law enforcement personnel of his day about him? What was his mission from God? How did he fulfill his role? Why did he have to die? How has his message and its implications changed the world in positive ways and ways not so positive? How did he radically redefine western culture? How does the world still grapple with the implications of what he said and what he was about?
