*A Family Like Mine* Rosalind C. Hughes,2020-04-01 Families are complicated, and they always have been. A Family Like Mine explores the surprising variety of family stories and relationships reflected in the Bible, emphasizing God's grace, reconciliation, and renewal. The book tells the family stories of our spiritual ancestors in ways that resonate with our own family stories. Author Rosalind Hughes weaves accounts of familiar and less well-known biblical characters with stories of family formation, estrangement, adoption, and more. She imaginatively retells biblical stories, inviting the reader to dig deeper into the motivations, disappointments, faith, and fulfillment we hold in common with our biblical ancestors. Story-based and biblically informed, A Family Like Mine combines spiritual autobiography with Bible study to provide a gentle but probing look at the many mansions of God's household, where Jesus has prepared a place for all God's children. Reflection questions encourage readers to examine and compare their own family history and spiritual journey with the stories of families found in the Bible.
