*The Book of Numbers* Timothy R. Ashley, 2022-12-06 The book of Numbers tells a story with two main characters—God and Israel. The way the story is told sounds odd and often harsh to readers today. The main point of the book is nevertheless of immense importance for God's people in any age: exact obedience to God is crucial. This comprehensive and erudite commentary presents a thorough explication of this significant Hebrew text. Timothy Ashley's introduction discusses such questions as structure, authorship, and theological themes, and it features an extended bibliography of major works on the book of Numbers. Then, dividing the text of Numbers into five major sections, Ashley elucidates the theological themes of obedience and disobedience, which run throughout. His detailed verse-by-verse comments primarily explain the Hebrew text of Numbers as it stands rather than speculate on how the book came to be in its present form. This second edition includes revisions that reflect Ashley's decades of experience with the book of Numbers, as well as updates to the footnotes and bibliography, which add many important works published in the last thirty years. With these new features, Ashley's commentary solidifies its place as the church's most faithful and definitive reference on the book of Numbers.

*The King's Numbers* Mary Hollingsworth, 1988 Counting rhymes reveal the wonders of God's world.

Number in Scripture E. W. Bullinger, 2006-10-01 Six hundred and sixty six is the number of a name. When the name of Antichrist is known its gematria will doubtless be found to be the number 666. 22.95 22.95 22.95 This may be the most famous number in the Bible, but it is by no means the only number to be found therein. Number in Scripture provides a complete and exhaustive synopsis of the spiritual significance of every number found in the Bible. This classic reference book on biblical numerology is one of the most famous and helpful reference books on numerology ever written. E. W. [ETHELBERT WILLIAM] BULLINGER (1837-1913) was a Vicar of the Church of England, a Biblical scholar, and dispensationalist theologian. Educated at King's College, London, he was a recognized scholar in the field of biblical languages. In 1881, the Archbishop of Canterbury granted him an honorary Doctor of Divinity degree in recognition of his biblical scholarship. Bullinger also wrote the notes and appendixes of The Companion Bible and is the author of numerous other works including Commentary on Revelation, Great Cloud of Witnesses, and How to Enjoy the Bible.

*Walking the Bible* Bruce Feiler, 2014-11-25 "An instant classic. . . . A pure joy to read." —Washington Post Book World Both a heart-racing adventure and an uplifting quest, Walking the Bible presents one man's epic journey—by foot, jeep, rowboat, and camel—through the greatest stories ever told. From crossing the Red Sea to climbing Mount Sinai to touching the burning bush, Bruce Feiler's inspiring odyssey will forever change your view of history's most legendary events. The stories in the first five books of the Bible, also known as the Torah, come alive as Feiler searches across three continents for the stories and heroes shared by Christians and Jews. You'll visit the slopes of Mount Ararat, where Noah's ark landed, trek to the desert outpost where Abraham first heard the words of God, and scale the summit where Moses received the Ten Commandments. Using the latest archeological research, Feiler explores how physical location affects the larger narrative of the Bible and ultimately realizes how much these places, as well as his experience, have affected his faith. A once-in-a-lifetime journey, Walking the Bible offers new insights into the roots of our common faith and uncovers fresh answers to the most profound questions of the human spirit. "Smart and savvy, insightful and illuminating." —Los Angeles Times "An exciting, well-told story informed by Feiler's boundless intellectual curiosity . . . [and] sense of adventure." —Miami Herald

*Your Days Are Numbered* Michael A. Price, 2011-04-13 It is hopeful that this present work should be a blessing to those who read it. When the writer of this book started taking notes and studying the various numbers in scripture, it was his initial desire to know and to understand the God of the Bible in a deeper way. This work has been in the making for twenty plus years. Yet, there still remains an insurmountable amount of evidence which suggests that God's ways are past finding out by the human mind and intellect. God is Spirit, and He must be contacted by the spirit of man for a fuller revelation of His awesome glory and majesty. The subject of numbers in scripture has proven to be a fascinating endeavor, but at the same time never ending because of the continuous revelation of always discovering new meanings and new numbers to contemplate by the spirit. Illustrations are continually being discovered. It would be irreverent to suppose that this work could be complete; for it would assume that the wonders of the Creator, as manifested through numbers in scripture, could be all discovered! May this modest work be to the praise and glory of the One and Only True God.

**Numbers- Everyman's Bible Commentary** Irving L Jensen, 1964-06-01 This passage-by-passage commentary incorporates charts and a simple outline in its exposition of an important Old Testament book. The events of Numbers form the story of the Israelites traveling from Mount Sinai to the border of the Promised Land. Sometimes called 'the book of journeyings' or 'the book of murmurings,' Numbers contains many significant lessons for God's people today. Dr. Jensen points out many pertinent applications of these lessons in this study, as well as explaining the history of the Israelites. Its arrangement is commendable—it could serve as a marvelous guide for home study of the Bible or for group study. The outline before each section is well chosen and interwoven in the body of the material. — Derward W. Deere, Golden Gate Baptist Theological Seminary

Exodus and Numbers John F. MacArthur, 2015-12-01 Although the descendants of Jacob moved to Egypt as honored guests, in time they became despised slaves groaning under the mistreatment of Pharaoh. In response to the people's cries, God called a man named Moses to lead the Israelites out of Egypt into Canaan, but their journey took a dramatic forty-year detour when they failed to trust in God. In this study, pastor John MacArthur will guide you through an in-depth look at the historical period beginning with God's calling of Moses, continuing through the giving of the Ten Commandments, and concluding with the Israelites' preparations to enter the Promised Land. **The Bible's Awesome Number Code!** Bonnie Gaunt,2000-07 Researcher Bonnie Gaunt continues her search on Gematria and Bible codes. In this book, Gaunt makes a new discovery of the numeric patterns in the Gematria of the Bible and their relationship to the 3:4:5: triangle, the earth, moon and sun, presents an exquisite display of evidence of the magnificent Author of Creation and His time-line for the blessing of man. Using the Number Code, it is found that the parable of the Good Samaritan is, in fact, a time prophecy, telling the time of Jesus' return. His miracles of healing and of turning water into wine have been encoded with evidence of the time and the work of the beginning of the great 'Third Day'. The Number Code takes us on a journey from Bethlehem to Golgotha, and into the Kingdom of Jesus Christ, the Kingdom of God and the building of the New Jerusalem.
