Adult Bible Studies Winter 2019-2020 Student, 2019-10-15 As the result of your feedback, beginning with the winter quarter (December-February) and continuing with the spring (March-May), we will post each lesson's Focal Bible Passages from the Common English Bible (CEB) on www.adultbiblestudies.com for easy downloading. It will also be linked in the AdultBibleStudies.com Newsletter each week. Beginning with the summer quarter (June-August), the Focal Passages will again appear in print in both the Student and Teacher books. We will mostly use the CEB version of the text, while sometimes including the New Revised Standard Version (NRSV) when it will better help students engage and appreciate the biblical texts. Winter Theme: Promise Genesis | Hebrews | Isaiah|Matthew | Acts | Ruth | 2 Samuel | Jeremiah | Exodus This winter, our lessons support the theme of Promise. The writer of the student book lessons is Michelle Morris. Hope The five lessons in this unit center on one of the things promise gives us: hope. Hope--the expectation that, regardless of what is happening in the present, God has a good future for us--is an underlying and uniting theme in these lessons. Lesson 1 follows Abraham, who left his homeland and moved to Canaan, trusting that God had something good ahead for him. Lesson 2 recalls how Abraham's trust that God was going to give him a place as an inheritance motivated him to make the move. Lesson 3, based on one of the servant songs from Isaiah, speaks of the hope of a servant who will bring justice to the nations (Isaiah 42:1). Lesson 4 focuses on the angel's announcement to Joseph that Mary would bear God's Son, declaring that Jesus is the fulfillment of God with us. Lesson 5 looks at Jesus' final words to his disciples before ascending into heaven, planting in them the hope of the Holy Spirit's coming and the reality of Spirit-filled living. Spiritual Practice: Scripture Covenants: The Basis for Committed Relationships The four lessons in this unit focus on covenants and the promises they include. God's covenant with Abram, Ruth's covenant with Naomi, God's covenant with David, and God's new covenant announced through Jeremiah and extended to us remind us of God's faithfulness in keeping promises. Spiritual Practice: Anam Cara (Soul Friend) Holiness Expressed The four lessons in this unit call us to live into the promise God gives us to be holy people. Holiness, a primary attribute of God, is also present in the world God has created; these lessons invite us to look at holiness in four of the ways in which it is expressed: holy place, holy presence, holy people, and holy purpose. Spiritual Practice: Works of Justice Published quarterly, each week's student book lesson features key verses, reliable and relevant biblical explanation and application, and more. Now, in response to feedback, we are introducing new features and benefits for students including: A comprehensive Bible study plan with more flexibility in terms of Scripture selection and topics. Observation of the church seasons, including Advent and Lent. Suggestions for developing spiritual practices (prayer, confession, worship, mindfulness, solitude, community, hospitality, neighbor, service, and celebration). One font size in the student edition to accommodate all readers. No printed Scripture text allowing you to choose your own Bible translation. The Social Life of Scriptures James Bielo, 2009-08-26 What do Christians do with the Bible? How do they individually and collectively interact with the sacred texts? Why does this engagement shift so drastically among and between social, historical, religious, and institutional contexts? Such questions are addressed in a most enlightening, engaging, and original way in *The Social Life of Scriptures*. Contributors offer a collection of closely analyzed and carefully conducted ethnographic and historical case studies, covering a range of geographic, theological, and cultural territory, including: American evangelicals and charismatics; Jamaican Rastafarians; evangelical and Catholic Mayans; Northern Irish charismatics; Nigerian Anglicans; and Chinese evangelicals in the United States. *The Social Life of Scriptures* is the first book to present an eclectic, cross-cultural, and comparative investigation of Bible use. Moreover, it models an important movement to outline a framework for how scriptures are implicated in organizing social structures and meanings, with specific foci on gender, ethnicity, agency, and power.

The IVP Bible Background Commentary: Old Testament John H. Walton, Victor H. Matthews, Mark W. Chavalas, 2012-11-15 Preaching's Preacher's Guide to the Best Bible Reference How can we account for the Book of the Law suddenly being discovered during Josiah's renovation of the temple (2 Chron 34:14)? We know from Egypt and Mesopotamia that it was common to seal important documents--including theological documents--in the masonry or foundations of a palace or temple in order to inform a future king who might undertake restoration of the building. What might the psalmist have had in mind when praising God for removing our transgressions as far as the east is from the west (Ps 103:12)? In an Egyptian hymn to Amun-Re, the deity is praised for his judgment of the guilty. As a result of the god's discernment the guilty are assigned to the east and the righteous to the west. What is meant by God weighing the heart (Prov 21:2)? In Egyptian religious tradition we find the notion of the dead being judged before the gods. As the soul is examined, the dead person's heart is weighed in a scale against a feather symbolizing Truth. If the answers are correct and the heart does not outweigh the feather, the soul may enter the realm of everlasting life. The narratives, genealogies, laws, poetry, proverbs and prophecies of the Old Testament are deeply rooted in history. Archaeologists, historians and social scientists have greatly advanced our knowledge of the ancient world of the Bible. When we illuminate the stories of Abraham or David, the imagery of the Psalms or Proverbs, or the prophecies of Isaiah or Jeremiah with this backlight of culture and history, these texts spring to new life. The unique commentary joins *The IVP Bible Background Commentary: New Testament* in providing historical, social and cultural background for each passage of the Old Testament. From Genesis through Malachi, this single volume gathers and condenses an abundance of specialized knowledge--making it available and accessible to ordinary readers of the Old Testament. Expert scholars John Walton, Victor Matthews and Mark Chavalas have included along with the fruits of their research and collaboration a glossary of historical terms, ancient peoples, texts and inscriptions maps and charts of important historical resources expanded explanations of significant background issues introductory essays on each book of the Old Testament *The IVP Bible Background Commentary: Old Testament* will enrich your experience of the Old Testament--and your teaching and preaching from Scripture--in a way that no other commentary can do.

They bring together their different experiences and perspectives to present this method of study in a practical, usable way. There are three key elements to this study: 1. The integration of prayer and study 2. Serious questioning and research that is nonetheless within reach of the non-scholar 3. Study in community with both witness and accountability through sharing In this guide you will learn to integrate prayer and scripture reading while also being faithful to the historical meaning of the text and its use throughout history by the community of faith.
