100 Bible Verses That Made America Robert J. Morgan, 2020-02-04 Bestselling author Robert Morgan explores 100 Bible verses that powerfully impacted our leaders during defining moments in American history and reflects upon what these verses mean for us as a nation today. *100 Bible Verses That Made America* is a tour through the biblical roots of American history—a powerful exploration of our country's founders, leaders, and the critical moments that laid the foundation for the formation of the USA. Had there been no Bible, there would be no America as we know it. It is the Bible that made America. When George Washington was sworn into office as our first president, he did not place his hand on the Declaration of Independence or the Constitution of the United States, as important as those documents are. Instead, he swore upon and even kissed the Bible to sanctify this important moment. The Bible, Washington knew, had ushered American history to this point. While not every Founding Father was a Christian, each was knowledgeable about the Bible. And while none of them was perfect, many embraced a deep faith in the unfailing Word of God. *100 Bible Verses That Made America* contains: Short, devotional-style chapters, each

featuring a Bible verse and how it influenced a historical figure Engaging stories spanning from the Mayflower to modern day Vivid segments that emphasize the Bible as the cornerstone of American history Journey with Robert J. Morgan as he shares the Bible's role in the defining moments of American history and its impact on the people of our nation, reminding us of the beauty of faith and country and reigniting our passion for both.

No More Faking Fine Esther Fleece Allen, 2017-01-10 Scripture reveals a God who meets us where we are, not where we pretend to be. No More Faking Fine is your invitation to get honest with God through the life-giving language of lament. If you've ever been given empty clichés during challenging times, you know how painful it is to be misunderstood by well-meaning people. When life hurts, we often feel pressure--from others and ourselves--to keep it together, suck it up, or pray it away. But Scripture reveals a God who lovingly invites us to give honest voice to our emotions when life hits hard. For most of her life, Esther Fleece Allen believed she could bypass the painful emotions of her broken past by shutting them down altogether. She was known as an achiever and an overcomer on the fast track to success. But in silencing her pain, she robbed herself of the opportunity to be healed. Maybe you've done the same. Esther's journey into healing began when she discovered that God has given us a real-world way to deal with raw emotions and an alternative to the coping mechanisms that end up causing more pain. It's called lament--

the gut-level, honest prayer that God never ignores, never silences, and never wastes. No More Faking Fine is your permission to lament, taking you on a journey down the unexpected pathway to true intimacy with God. Drawing from careful biblical study and hard-won insight, Esther reveals how to use God's own language to come closer to him as he leads us through our pain to the light on the other side, teaching you that: We are robbing ourselves of a divine mystery and a divine intimacy when we pretend to have it all together God does not expect us to be perfect; instead, he meets us where we are There is hope beyond your heartache, disappointment, and grief Like Esther, you'll soon find that when one person stops faking fine, it gives everyone else permission to do the same.
