Giving to God Mark Allan Powell,2006-02-21 We all know that everything we have is a gift from God. But sometimes it s hard to know just how to give back to God. How much is enough? What does the Bible really say? What should giving look like in our everyday lives? Filled with good news for followers of Jesus, Mark Allan Powell s *Giving to God* shows Christians the way to a better life and a better relationship with their money — and with God. Powell presents stewardship as an act of worship, an expression of faith, and a discipline for spiritual growth. Faithful use of our time, talents, and money starts with a deep, satisfying relationship with the God to whom we belong. We can then learn, says Powell, to give gladly and generously out of our heartfelt connection with God. Informative, concise, and eminently practical (including discussion questions), *Giving to God* gives us resources for best using the treasures, material and otherwise, that God has given us.

Going for the Gold Bible Study Edition Joe L. Wall,2015-08-24 *Going for the Gold* is a practical guide for living with eternal values in view. It is a study of the many Scripture Passages that describe the Judgment Seat (Bema) of Christ, the heavenly event when Jesus will evaluate the lives of His people. Whether you are a young person facing hard choices, an adult in the midst of your career, or a retired person with time on your hands you want your life to count. This illuminating volume will show what the Bible says about the time of the judgment of believers' works, but more importantly, it will help you

live a life that is worthy of the words, Well done.

Gathered Gold ,1984 Over twenty years ago John Blanchard compiled a treasury of quotations for Christians called Gathered Gold. It was so well received that it had to be reprinted several times and augmented by two further volumes, More Gathered Gold and Sifted Silver. Now the time has come to make all of this material available to a new readership and in a new format. Approximately 1,000 further quotations have been added, making some 16,000 in all, and the whole work is presented as a new hardback edition. With quotations from many hundreds of sources, it is hoped that The Complete Gathered Gold will be a valuable resource for preachers, Bible class teachers and group leaders as well as a gold mine for all Christians to dip into whenever they would like to read a gem of truth on any of the 600 or so subjects covered.

Gold Mine of Knowledge Dr Raymond W. Barber,2015-09-30 Dr. Raymond W. Barber was born into a Baptist pastor's family on August 12, 1932, and trusted Christ as his Saviour when he was eleven years of age. In 1950, he enrolled in the Bible Baptist Seminary, Fort Worth, Texas, to prepare for fulltime ministry. Dr. Barber has been in the gospel ministry for more than sixty-four years. His pastoral ministry spanned thirty-five years as pastor of Worth Baptist Church, Fort Worth, Texas.In addition, his ministry of teaching in Bible colleges has exceeded thirty-five years as professor of the Life of Christ

and the Major and Minor Prophets courses. He has authored twenty-three books and several booklets. Since 1997, he has traveled extensively across America and several foreign countries proclaiming the gospel of the Lord Jesus Christ. Dr. Barber's powerful style of delivery has utilized hundreds of quips, quotes, notes, and anecdotes that have energized his messages. Many preachers and other Christian workers have often asked him if these useful items can be found in a book. These questions have encouraged Dr. Barber to compile a categorical arrangement that can be utilized by Christians in preparing messages, speeches, and lessons. The Pursuit of God A.W. Tozer, 2017-02-16 In this hour of all-but-universal darkness, one cheering gleam appears: within the fold of conservative Christianity there are to be found increasing numbers of persons whose religious lives are marked by a growing hunger after God Himself. They are eager for spiritual realities and will not be put off with words, nor will they be content with correct “interpretations” of truth. They are athirst for God and they will not be satisfied till they have drunk deep at the Fountain of Living Water... This book is a modest attempt to aid God’s hungry children so to find Him. Nothing here is new except in the sense that it is a discovery which my own heart has made of spiritual realities most delightful and wonderful to me. Others before me have gone much farther into these holy mysteries than I have done, but if my fire is not large it is yet real, and there may be those who can light their candle at its flame. –A.W. Tozer
