The Little Man's Big Friend George E. Sims, 1985 Examines the political career of Alabama's Big Jim Folsom At the end of World War II changing economic and social forces transformed the lives of Alabamians, whose political leaders had built careers on localistic politics shaped by established economic and governmental interests. Into this context strolled Big Jim--six feet eight inches tall--with his corn-shuck mop, wooden suds bucket, and a promise to scrub out the Capitol. Ridiculed by his opponents, Folsom advertised his progressive program in every crossroads community. As governor, Folsom faced a legislature dominated by local politicians whom he had bypassed during the campaign, and although he won approval of some bills, legislative opposition made his administration a four-year filibuster. Not until 1955, after his election to a second term, did Folsom become an effective leader. Tying programs for expanded services to the local interests of the legislators, he won approval for road construction, old-age pensions, industrial development, and reorganization of the state docks. But the lawmakers balked at constitutional reform. As his reform efforts met defeat during 1956, Folsom was losing his ability to lead. He refused to exploit racial tensions, and the rise of the civil rights movement undermined his popularity among whites. Unwilling to discipline his aides and supporters, his administration became notorious for petty graft. By 1958 aspiring candidates kept their distance from Folsom. Big Jim attempted a comeback in the 1962 campaign, but

he was never again to hold public office.

Big Al Is Our Mascot Jason Wells, Jeff Wells, 2013-10

Big Mules and Branchheads Carl Grafton, Anne Permaloff, 2008-09-01 A passion for politics and for political power is at the core of this biography of Big Jim Folsom, the legendary two-term Alabama governor who revolutionized state government by going directly to the branchheads, the grassroots, to exhort the powerless to fight for their rights against the Big Mules, the elite cotton planters and urban industrialists. Drawing on hundreds of hours of interviews with Folsom, his family and friends, and his allies and rivals, Carl Grafton and Anne Permaloff reveal in *Big Mules and Branchheads* the complex reality behind the stories and myths that have arisen around the Alabama governor. Often dismissed as a naïve yet somehow appealing yokel whose rise to power was largely attributable to luck, Folsom is seen here as a highly knowledgeable and creative political strategist who calculated his most important victories even while his behavior often seemed influenced by innocence and a tendency toward buffoonery. His two terms as governor were marked by scandal, yet Folsom energetically sought to raise the moral level of Alabama politics by bluntly advocating, in the face of great opposition, the expansion of civil rights for blacks, poor whites, and women. Folsom, the authors suggest, is as widely misunderstood in Alabama as Alabama is misunderstood throughout the nation. Illuminating the intricacies of Alabama's politics as it traces Folsom's rise to power, this book gives readers the unique opportunity to know the legendary Folsom as

a flawed, yet often inspiring human being who energetically practiced his own colorful brand of politics.

Big Al, My Pal Darla Hall, 2017-10-29 Big Al, My Pal is a story about the University of Alabama's mascot. Big Al takes you on a fun journey through campus while teaching children their ABC's Bama-style.

Art of James Bama James Bama, Brian M. Kane, 2004-10 Painter James Bama has been acclaimed for his fascinating studies of the contemporary West and its traditional culture. His works have captured the respect and imagination of art collectors and critics worldwide. But prior to moving to the mountains of Wyoming, he was one of the most respected illustrators in New York, with a client list that included, among others, Ford, General Electric, Coca-Cola, The Saturday Evening Post, Argosy, and Reader's Digest. During his illustration career, the artist painted hundreds of book covers including sixty-two in Bantam's Doc Savage series. Bama's Savage remains to this day as the definitive version of the popular pulp character. For six years, he was the official artist for the New York Giants football team and several of his paintings hang in the Football Hall of Fame in Canton, Ohio. Big Horn Gallery in Cody, Wyoming currently represents Bama's fine originals, while limited edition prints of more than sixty of his paintings have been sold to collectors through the Greenwich Workshop. among his earliest influences and sites them as direct contributions to his own notable career. His career achievements recently earned him an induction into the Illustrators Hall of Fame, alongside such luminaries as Rockwell, Dunn, Parker, Wyeth, Fuchs, Parrish, Peak, Remington, McGinnis, Coll and Frazetta. This new book will include provide coverage of Bama's entire career. Bishops, Bourbons, and Big Mules J. Barry Vaughn, 2013-12-15 Bishops, Bourbons, and Big Mules tells the

story of how the Episcopal Church gained influence over Alabama's cultural, political, and economic arenas despite being a denominational minority in the state. The consensus of southern historians is that, since the Second Great Awakening, evangelicalism has dominated the South. This is certainly true when one considers the extent to which southern culture is dominated by evangelical rhetoric and ideas. However, in Alabama one non-evangelical group has played a significant role in shaping the state's history. J. Barry Vaughn explains that, although the Episcopal Church has always been a small fraction (around 1 percent) of Alabama's population, an inordinately high proportion, close to 10 percent, of Alabama's significant leaders have belonged to this denomination. Many of these leaders came to the Episcopal Church from other denominations because they were attracted to the church's wide degree of doctrinal latitude and laissez-faire attitude toward human frailty. Vaughn argues that the church was able to attract many of the state's governors, congressmen, and legislators by positioning itself as the church of conservative political elites in the state--the planters before the Civil War, the "Bourbons" after the Civil War, and the "Big Mules" during industrialization. He begins this narrative by explaining how Anglicanism came to Alabama and then highlights how Episcopal bishops and congregation members alike took active roles in key historic movements including the Civil War, Reconstruction, and the Civil Rights Movement. Bishops, Bourbons, and Big Mules closes with Vaughn's own predictions about the fate of the Episcopal Church in twenty-first-century Alabama.

We Want Bama Joseph Goodman, 2021-11-09 A lively chronicle of how the 2020 Crimson Tide became Nick Saban's "ultimate team." Was Alabama's Crimson Tide in 2020 the greatest team of all time? The squad went 13-0 in a pandemic year, scored a combined 107 points against SEC powerhouses LSU and Florida, crushed Ohio State in a National Championship

Game 52-24 in a contest that wasn't even that close, and followed it up with another top-rated signing class. Nick Saban called his boys the "ultimate team," but it wasn't just because they kicked the ever-living hell out of everyone on the football field. It was because the team leveraged a power and influence born of Southern pride to push back against a hateful legacy of racism that a populist president was exploiting to divide the nation. At a time when Americans needed real leaders in the face of so much hate, the sports world answered the call and fought back for the soul of the country. In the summer of 2020, the Tide players left their training facility and, led by their celebrated coach, marched to a campus doorway made infamous sixty years earlier by another political demagogue and showed what people can accomplish when they fight together for a just cause in the name of unity. The most powerful force in a state crazy for college football had chosen to make a stand and replace George Wallace's "Segregation forever!" with a different message, written by one of the players: "All lives can't matter until Black lives matter." There have been some great football teams through the years, and they all deserve respect. But here's what we know for sure: They all would have been appreciative of what this Alabama team represented, and proud of what it accomplished. The Crimson Tide in 2020 captured something special that moved it beyond the conversation of best ever, and into the place reserved for most important of all time.

Finding the Soul of Big Business Paula Marshall, 2009-09 Too often businesses, large and small, have structure themselves to be goal oriented. Milestones, statistics and the bottom line are pursued like quarry pelts to be displayed on the belts of CEOs. Business leaders cannot be faulted for such approaches because, for the most part, we all are products of a post-twentieth century Western (American) culture that sees society in terms of winners and losers. Worth is too often ascribed to birth order, gender, race, region, class and any other characteristics that can be

assigned a category. This book is an amalgamation of every lesson and every distinction I have learned and have applied to my intentions as a CEO. I recognize that each employee, vendor and customer have embarked on their own journeys and our collective steps become the journey of Bama Companies, Inc.

It's a Bama Thing! Rob Lewis, 2022-08-23 The book is a humorous comparison on growing up in Alabama to a young athlete leaving home, undergoing, or enduring "The Process" and "growing up" in Crimson Tide country. It explores what it's like to be a "Bama" fan...its experiences, the friendships, ups, and downs, trials, and tribulations of wearing the crimson and white. So, what's it like to go anywhere in the country and hear "Roll Tide" loudly proclaimed by another fan? It's the society of the "A", the houndstooth coat and hat, about title town and eighteen football national championships (and counting!). Whether you're from Alabama or not, if you're a fan, you can relate to this story (haters beware!). At a Bama game, participation can be a raucous occasion, full of pageantry, passion, purpose, and pride. Big Al dances, the crowd feverishly roars out "Roll Tide" at every venue. It's an event! Do you wear the colors? Do you bleed crimson and white (admittedly, difficult to do)? Have you declared your allegiance to the crimson "A" or the houndstooth pattern (usually happens at birth)? Do you tremble with excitement and delight whenever a team from title town plays (preparing your voice to erupt with "Roll Tide")? Then far be it from me not to recommend this book as a good read. You'll laugh, you'll cry, you'll wonder and say to yourself, "Hmmm." Hey, it's relatable. Get comfortable, pull up a chair or sit up in bed, read and soak it in. I mean really...it's a Bama thing!

Classic Restaurants of Des Moines and Their Recipes

Darcy Dougherty Maulsby, 2020-11-02 With Italian steakhouses, the Younkers Tea Room and Stella's Blue Sky Diner, Des Moines's

culinary history is tantalizingly diverse. It is filled with colorful characters like bootlegger/millionaire bus boy Babe Bisignano, a buxom bar owner named Ruthie and future president of the United States Ronald Reagan. The savory details reveal deeper stories of race relations, women's rights, Iowa caucus politics, the arts, immigration and assimilation. Don't be surprised if you experience sudden cravings for Steak de Burgo, fried pork tenderloin sandwiches and chocolate ambrosia pie, à la Bishop's Buffet. Author Darcy Dougherty Maulsby serves up a feast of Des Moines classics mixed with Iowa history, complete with iconic recipes.

My Black Country Alice Randall, 2024-04-09 Alice Randall, award-winning professor, songwriter, and author with a “lively, engaging, and often wise” (The New York Times Book Review) voice, offers a lyrical, introspective, and unforgettable account of her past and her search for the first family of Black country music. Country music had brought Randall and her activist mother together and even gave Randall a singular distinction in American music history: she is the first Black woman to cowrite a number one country hit, Trisha Yearwood’s “XXX’s and OOO’s”. Randall found inspiration and comfort in the sounds and history of the first family of Black country music: DeFord Bailey, Lil Hardin, Ray Charles, Charley Pride, and Herb Jeffries who, together, made up a community of Black Americans rising through hard times to create simple beauty, true joy, and sometimes profound eccentricity. What emerges in *My Black Country* is a celebration of the most American of music genres and the radical joy in realizing the power of Black influence on American culture. As country music goes through a fresh renaissance today, with a new wave of Black artists enjoying success, *My Black Country* is the perfect gift for longtime country fans and a vibrant introduction to a new generation of listeners who previously were not invited to give the genre a chance.

The Orange Bowl Tommy A. Phillips, 2023-01-23 The Orange Bowl has been played 88 times since 1935. Originating as the small Festival of Palms Bowl, meant to attract tourists to Miami, it has grown into a national football event watched by 16 million people. Beginning with Bucknell's first victory over Miami, this book covers each Bowl in detail, including the first game in Miami Orange Bowl stadium in 1938; Charles Bryant's breaking of the color barrier in 1955; the four national championship games of the 1980s; the move to what is now Hard Rock Stadium in the 1990s; and the new era of the Bowl as a semifinal game in the College Football Playoff.

Political Power in Alabama Anne Permaloff, Carl Grafton, 2008-12-01 *Political Power in Alabama* is the sequel to Anne Permaloff and Carl Grafton's *Big Mules and Branchheads*, a biography of the populist governor Big Jim Folsom. Encompassing the years from 1958 to 1970 and the gubernatorial terms of John Patterson, George Wallace, Lurleen Wallace, and Albert Brewer, the present volume offers a full account of the breakup of the Big Mule Alliance, the elite coalition of Alabama's largest industrial and agricultural interests, and the subsequent effects on the state's political environment. Dominating Alabama politics for most of the century through disenfranchisement and control of the legislature, the Big Mules wanted low taxes, a minimally effective school system, no effective labor unions, a small electorate, and racial segregation. By 1958, however, the Big Mules' urban and rural elements had grown disaffected with one another, and outside forces were driving them apart. In a few years, the legislature and the electorate would be drastically restructured. Although this period could have been a time to set new policy directions for the state, say Permaloff and Grafton, many opportunities for change were squandered, establishing the politics of Alabama today and the problems facing the state.

Political Power in Alabama covers an extraordinarily complex set of issues and events, including the civil rights struggle, urban-rural disparities, the lack of party competition, the structure of the tax system, and the economic and cultural gaps separating Alabama and the rest of the South from the nation.

If the Flora-Bama Walls Could Talk Chris

Warner, 2020-05-15 Over 500 quotes from the hallowed walls of the Last Great American Roadhouse on the Gulf of Mexico at the Alabama-Florida Line.

One Night, Two Teams Steven Travers, 2007-08-20 In the sweltering heat of September of 1970 on Legion Field, the USC Trojans and the University of Alabama's Crimson Tide played a game that defined the emancipation of the South from its sordid history of racial segregation. When USC's black running back Sam The Bam Cunningham ran roughshod all over the all-white Crimson Tide, more than a football game was won. Based on interviews with many of the game's participants and thoroughly researched this book presents sports as a metaphor for one of the most profound social changes in history.

They Met at the Alabama-Florida Line Chris

Warner, 2020-05-15 What do four LSU fraternity brothers, three Auburn sorority sisters and a Birmingham volunteer church group have in common? They're on a road trip to the iconic Flora-Bama Lounge & Package to first experience the world-famous Interstate Mullet Toss! Unbeknownst to them, they're on an unprecedented collision course for fun, sun and subtle fame—meaning their lives will certainly never be the same. The Flora-Bama's new owners, against the wishes of their minority partner, have cut a lucrative Hollywood deal to produce a "no-holds-barred...anything goes" documentary on the zany, voyeuristic beach party known for string bikinis, cold beer, frothy bushwhackers and of course, thrown fish. The filmmakers have coughed up major dough, and have been given full reign of the quintessential beach bar and its patrons for the duration of the risqué four-day event. What they

witness and capture on film is wilder than anything Tinsel Town could have scripted. In their quest for a memorable time the college kids find unforgettable adventure. Amazingly, all the frat guys hook up with people who look better than them. The unfortunate fact for one is that unbeknownst to him, his significant other—a gorgeous church volunteer and preacher’s daughter—is underage—by almost two years. After a raucous night, an arrest lands the two in the local hoosegow, where that latter, salient fact is painstakingly revealed, warranting a more serious charge. The desperate kids seek and find help in the iconic bar’s founder, Joe, who uses local resources to try and ease them out of the jam they precariously find themselves. However, the gig is complicated by the fact that Hollywood producers have trained their cameras on the developing story, spooking the entrenched power players within the good ole’ boy network who will determine what level and brand of Southern-style justice is ultimately served—if at all. The loveable bar owner, Joe, and his inner circle of unique characters, musicians and connected island dwellers are challenged like never before to save not only the reputations and records of the kids he has befriended—but for posterity, the character of his beloved beach bar and the community it faithfully supports. A fast-paced yarn reminiscent of its predecessor, “They Met at the Alabama-Florida Line,” is the second fictional tome by Chris Warner set at the world-famous Flora-Bama Lounge & Package. It is another romantic, satirical tale seeking to draw semblance to Southern living, art, failed politics and pop culture.
