The spiders of Great Britain and Ireland Michael J. Roberts,1985

The Spiders of Great Britain and Ireland, Compact Edition Michael John Roberts,2023-08-07 This title has been out of print for some years, but has now been reprinted. It is now generally recognised as the definitive text on British spiders. Roberts' first edition of this work (3 vols, in 1987) superseded and updated the previous bible for British Arachnologists (Locket and Millidge, 1951, 1953 and 1974). This newer edition with additional Appendix, Addenda and Corrigenda in turn updates and revises the1987 edition. The first volume contains all the text, starting with a series of introductory notes on spider biology and some information on classification and nomenclature as it applies to spiders. Following this is a key to families and the species descriptions including 105 genera and 267 species of Linyphiidae. These two volumes are both a work of art and a work of science and so bring together the highest possible achievements of a human being. Their presence in the libraries of all academic as well as private Arachnid libraries is a must in order that their great value to the science of arachnology in Europe be allowed to bear fruit abundantly.

Big Eyes Scott Alexander,Larry Karaszewski,2014-12-16 WITH AN INTERVIEW WITH MARGARET KEANE The full screenplay by award-winning Ed Wood writers Scott Alexander and Larry Karaszewski for acclaimed director Tim Burton's film Big Eyes, starring Amy Adams and Christoph Waltz. A rare close-up look into a corner of the 1950s and '60s art world and a perfectly observed account of a dysfunctional marriage, Big Eyes tells the true story of Margaret Keane, an artist who lived and worked in virtual slavery while her husband, Walter, gained fame and fortune passing himself off as the creator of his wife's wildly popular paintings. The story of their toxic relationship would culminate in a Hawaiian courtroom, as Margaret ultimately fights to save her name and reclaim her art, during a heated public court battle. This edition, illustrated with photos throughout, contains the complete screenplay, an afterword by the screenwriters, and an interview with Margaret Keane, the real-life subject of Big Eyes, by Tyler Stallings.

Live Stream: Wild Upgrading Kan DianShiChiGuaZi,2019-11-28 If teleportation wasn't for the sake of posturing, then it would be meaningless ...If defeating a Peak Elder, peerless heaven's pride level expert would be a sin, I would already be full of evil ...If getting the Ice Goddess, the silly loli, and the sexy princess falling in love with me at first sight is my fault, I was really wrong ...If he were to kill them, he would annihilate their entire clan. If he were to pretend to be unrivalled in the world, if they were to offend him, he would make their beauty intoxicated!

British Spiders George Hazlewood Locket,Alfred Frank Millidge,P. Merrett,1951 Volume III brings up to date the information given in volumes I and II, providing descriptions of the additional species discovered in Britain, revising the nomenclature, and giving much more information on the distribution of the 611 British species.

Kabir Legends and Ananta-Das's Kabir Parachai Professor Centre of Asian and African Studies David N Lorenzen,David N. Lorenzen,Ananta-das,Anantad?sa Vai??ava,1991-01-01 This book represents the first systematic collection and analysis of the principal legends about Kabir Das, a fifteenth-century poet-saint. It focuses on the ways in which the legends embody and reflect the often changing social and religious needs of those who created and listened to them. Particular attention is paid to the earliest known collection of legends, Ananta-das's Kabir Parachai. This book makes available for the first time an English translation of this text, with detailed notes on its variant readings, as well as a corrected Hindi edition based on a comparison of over a dozen manuscripts. The various historical synchronisms between Kabir and his leading contemporaries, including Ramananda and King Virasimhadev Baghel, are reevaluated, and a solution is proposed to the longstanding debate about Kabir's dates.

The Last Tycoon F. Scott Fitzgerald,2020-06-30 F. Scott Fitzgerald's poignant final work is now available in a beautifully designed collector's edition. Fitzgerald's final novel portrays the glittering excess of 1930s Hollywood. This edition, authorized by the Fitzgerald estate, is a careful restoration of the author's phrases, words, and images that were excised from the 1940 publication, giving new luster to Fitzgerald's last work. A tragic story of the young Hollywood mogul Monroe Stahr, a character who was inspired by the life of movie producer Irving Thalberg, The Last Tycoon is a sharply observed and bittersweet exposé of the film industry in its heyday.

Edgar Allan Poe: Selected Poetry and Tales Edgar Allan Poe,2012-07-25 Edgar Allan Poe's stories and poems are among the most haunting and indelible in American literature, but critics for decades persisted in seeing Poe as an anomaly, or even an anachronism. His works, with their bizarrely motivated characters and mysterious settings, did not seem to be a part of the literature of early nineteenth-century America. Critics realize now, though, that Poe was even more a part of the contemporary American literary scene than many of his more "nationalistic" peers, and that in much of his work Poe was making commentaries on slavery and Southern social attitudes, technology, the urban landscape, political economy, and other subjects. This Broadview Edition includes a selection of Poe's poems, tales, and sketches in such diverse modes of writing as tales of the supernatural and psychic conflict, satires and hoaxes, science fiction and detective fiction, and nonfiction essays on literary and social topics. These are supplemented by a selection of contextual documents—newspaper and magazine articles, treatises, and other historical texts—that will help readers understand the social, literary, and intellectual milieus in which Poe wrote.
