**Offshore Pursuit** John Unkart, 2012 The tranquil beauty of a morning sunrise over the Atlantic Ocean is in direct contrast to the savage acts taking place beneath the water's surface. Powerful tails propel half-ton blue marlin at nearly 50 mph, as their bills slash at baitfish. The razor-sharp teeth of wahoo cut unsuspecting prey in half. And these predators become the hunted, when anglers venture forth in Offshore Pursuit.

Experience what the ultimate sport fishing has to offer: surface eruptions on trolled baits, rods bent in half, drags screaming, and adrenaline pumping. Whether you call blue water your regular fishing grounds or want to experience the thrill for the first time, don't leave success in the hands of Lady Luck. Knowledge and experience are necessary to produce results, and Offshore Pursuit has the information you need to catch big game fish in offshore waters. What baits each species prefers, methods of trolling, types of spreads, how to chunk for tuna, and when and how to use a kite are all covered in detail. Proven methods learned through years of experience are clearly explained to help you catch more fish. From rigging techniques to tips on how to fight trophy fish, it's all in this book.

### **Fishing Adventures in Florida** Max

Hunn, 2015-10-17 Is there a cure for snook fever? "I've landed plenty of snook with a light bait-casting outfit. Don't fish for snook any other way. You can cane pole 'em with heavy lines off piers and bridges, or troll for 'em. But I like to scrub the bushes and make 'em hit top-water plugs.

This was how Cal Stone introduced the author to light tackle fishing many decades ago in the waters of south Florida. Steer through twisted mangrove channels, dodge "noggin-knockers and oyster bars on outgoing tides, and join author Max Hunn as he brawls with tarpon and tangles with snook and redfish, mostly in the Ten Thousand Islands country.
