Motherfucking Sharks Brian Allen Carr, 2013 Where I come from, the children sing a song: Oh the motherfucking sharks - Oh they're gonna come to town - Oh they're gonna kill the babies - Oh they're gonna make you drowned in your blood. Oh the motherfucking sharks - Oh they're gonna mince the flesh - They're gonna swim up and surround you - Don't you know you'll never pass the test, it's over. Oh the motherfucking sharks - Oh they don't care about the gods - And they don't care about the families - And they don't care about the cries or tears they're killers. Motherfucking sharks. Motherfucking sharks. Motherfucking sharks. Motherfucking sharks.

Bikini Story Patrik Alac, 2012-05-08 It was in 1946 that the world first came to hear of a coral atoll in the Marshall Islands called Bikini. The following year, French couturier Louis Réard borrowed the name and applied it to a bathing costume for women. Breaking from decades of conformity, Réard dared to 'undress' women's bodies in order to better emphasize what remained clothed - albeit in tiny wisps of material. By taking up the bikini as popular beachwear, women also found themselves thinking differently about their bodies. An ideal of perfection was reinforced by the appearance on the cinema screen of stars such as Marilyn Monroe, Brigitte Bardot and Ursula

Andress, all of whom were featured in bikinis that accentuated their own curvaceous contours. More than a bathing costume, the bikini made its own contribution during the 1970s to the sexual revolution and to the changing relationship between men and women in general. This book investigates the history of the bikini and its effect on the evolution in the perception of women in society, as women regained responsibility for the way they look and laid claim once more to full sexual equality. A collection of images throughout this book illustrates this progression step-by-step over a period of more than 50 years.

Girl Anatomy Rebecca Bloom, 2013-03-05 The hip and heart-warming story of what it means to be a girl and what it takes to become a woman. When Lilly's best friend, Maya, gets engaged, the tenuous peace treaty Lilly thought she had finally established with her perennially single self shows itself to be as long-lasting as shoulder pads and frozen yoghurt. Wavering wildly between ecstasy and envy, serial dater and retail-therapy shopper, Lilly vows to get her life together. While sipping

lattes from the Coffee Bean and planning forever with Maya, Lilly embarks on an uproariously comical and strikingly poignant ride of transformation, told through a series of delightfully engaging interior monologues. Travelling the byways of her own past, Lilly learns to be optimistic about her future and relish her new-found 'chic-dom'. In a voice that grows stronger, louder and more articulate than she ever imagined, Lilly ultimately comes to embrace her on-the-verge-of-womanhood status in all its uncertain yet exciting glory. Depicting the comic adventures of being a grown-up still coming of age, Rebecca Bloom evocatively and enthusiastically reveals tender truths about friendship and true love.

Bodies of Subversion Margot Mifflin, 2013-08-02 In this provocative work full of intriguing female characters from tattoo history, Margot Mifflin makes a persuasive case for the tattooed woman as an emblem of female self-expression. —Susan Faludi *Bodies of Subversion* is the first history of women's tattoo art, providing a fascinating excursion to a subculture that dates back into the nineteenth-century and includes many never-before-seen photos of tattooed women from the last century. Author Margot Mifflin notes that women's interest in tattoos surged in the suffragist 20s and the feminist 70s. She chronicles: * Breast cancer survivors of the 90s who tattoo their mastectomy scars as an alternative to reconstructive surgery or prosthetics. * The parallel rise of tattooing and cosmetic surgery during the 80s when women tattooists became soul doctors to a nation afflicted with body anxieties. * Maud Wagner, the first known woman tattooist, who in 1904 traded a date with her tattooist husband-to-be for an apprenticeship. * Victorian society women who wore tattoos as custom couture, including Winston Churchill's mother, who wore a serpent on her wrist. * Nineteenth-century sideshow attractions who created fantastic abduction tales in which they claimed to have been forcibly tattooed. "In *Bodies of Subversion*, Margot Mifflin insightfully

chronicles the saga of skin as signage. Through compelling anecdotes and cleverly astute analysis, she shows and tells us new histories about women, tattoos, public pictures, and private parts. It's an indelible account of an indelible piece of cultural history." —Barbara Kruger, artist

This Lonely Incubus Mark England, 2012-07 When army special forces hero Paul Cable is critically injured during a covert operation in Afghanistan, he slumps in to the depths of a deep coma. From his hospital bed he discovers himself barely alive in 'The Waiting State'. Joined by a surprise ally he is taken on a torturous journey of the past: one he had tried to bury. One of dark times in an unforgiving place, during the harshest of circumstances. Only Paul Cable can decide whether he should live or die. 'This Lonely Incubus' is an incredible story through 1970's-80's childhood, 1990's coming of age, until present day. A trip from timid child, via awkward youth, to highly respected trained killer.

I Want to Show You More Jamie Quatro, 2013-03-05 "Passionate, sensuous, savagely intense, and remarkable" stories of the American South, "like some franker, modernized Flannery O'Connor" (The New Yorker). Welcome to Lookout Mountain on the border of Georgia and Tennessee. Mixing white-hot yearning with daring humor, this short-story collection of infidelity, spirituality, sexuality, and family is at once "strange, thrilling, and disarmingly honest . . . the closest thing I've seen in years to Donald Barthelme's insouciance, sweetness and ominousness" (The New York Times Book Review). These fifteen linked tales confront readers with dark theological complexities, fractured

marriages, and mercurial temptations: a husband discovers the decaying corpse of his wife's lover in their bed; an enigmatic deaf man becomes the catalyst in the destruction of his church; a child's perspective on life is altered after the attempted murder of a loved one; an embarrassed teenager is forced to attend a pool party with her quadriplegic mother; the hole in a young boy's heart is magically sealed when he falls in love for the first time. "Fasten your seat belt. . . . These amazing stories explore the human boundaries between the physical world and the spiritual—lust, betrayal, and loss in perfect balance with love, redemption, and grace." —Jill McCorkle, author of *Life After Life* "These are stories that make you stop whatever you're doing and read. . . . I salute a brilliant new American writer." —Tom Franklin, Edgar Award-winning author "A brilliant new voice in American fiction has arrived. . . . She has earned a place alongside Amy Hempel, Lydia Davis, and Alice Munro." —David Means, author of *Hystopia*

Comparison Girl Shannon Popkin,2020-05-19 Women compare constantly--on social media, in their neighborhood, at church, even in the school drop-off lane. They glance sideways and ask themselves, How do I measure up? All this assessment feels like a natural way of finding a place in the world. But it pulls them into feelings of inferiority or superiority, guiding them into a trap of antagonism by the enemy. Satan would like women to strive to measure up, constantly adding to a tally sheet that can't ever be balanced. The way of Jesus is completely upside down from that

philosophy. Instead, he says the last shall be first--and the greatest are those who empty themselves, lay down their lives, and serve each other. Through conversations Jesus had and parables he shared, Shannon Popkin has created a seven-week Bible study to address this tendency to compare and judge ourselves and others. Each chapter is divided into lessons, allowing women on a time budget to read a Bible passage, engage in a complete train of thought related to the topic, and then make the content personal--all in one sitting. And the informal teaching tone will make women feel like they're meeting with a trusted friend. Suited for both individual and group study, Comparison Girl will guide women to leave their measure-up ways behind, connect with those around them, and break free from the shackles of comparison!

How to Quit Your Crush Amy Fellner Dominy, 2020-05-04 Mai Senn knows Anthony Adams is no good for her - no matter how hard she might crush on him. She's valedictorian; he's a surf bum. She's got plans, he's got his art. Complete opposites in every way. Vinegar and baking soda, they once joked. A chemical reaction that bubbled. Yeah, they bubbled. Maybe still do. Good thing Anthony's got the perfect plan: two weeks to prove just how not good they are together. Whoever can come up with the worst date—something the other will seriously hate, proving how incompatible they truly are—wins. Like taking a snake-phobe to the Reptile House at the zoo (his idea). Or a cooking class where they don't even get to eat the food (her idea). It's all about the competition, and it's meant to help them finally crush their crushes. But it wasn't supposed to be so hot. Or so fun. And when Mai's future becomes at stake, will she be able to do the right thing and quit Anthony forever?
