

Bikini Girl

Suzanne D. Williams

The Bikini Girl Andrea Anderson, 2020-04-14 A mysterious girl who has lost her memory is rescued from the sea by an Alaskan deep-sea fishing vessel. She is wearing nothing but a bikini. Who is this strange beauty? How did she get here? How could she survive in the icy water? Two brothers, both sharing the captaincy on their ship, and their best friend, also a captain, help her trying to uncover her identity and give her a place to live on their ships. But it is not long before they slide into a chaos of emotions. The unusual behavior of the stranger during her eventful stay as well as her captivating effect on the captains quickly spark rumors among the fishermen and inevitably evoke associations with mermaid myths. But at a time, when no one seriously believes in the existence of supernatural sea creatures anymore, almost everyone is convinced that there will soon be a logical explanation for the enigmatic Bikini Girl. No one knows what incredible truth and what destiny still await the girl, her three captains and the entire fishing community.

The Girl with the Gold Bikini Lisa Walker, 2020-01-28
Whenever I see a girl with a gold bikini, I think of Princess Leia. Here on the Gold Coast, gold bikinis are common, so I think of

Princess Leia a lot. Eighteen-year-old Olivia Grace has deferred her law degree and ducked out of her friends' gap-year tour of Asia. Instead, she's fulfilling her childhood dream of becoming a private investigator, following in the footsteps of Nancy Drew and Veronica Mars - who taught her everything she knows, including a solid line in quick-quipping repartee, the importance of a handbag full of disguises, and a way of mixing business with inconvenient chemistry. Playing Watson to the Sherlock of her childhood friend, detective agency owner Rosco (once the Han Solo to her Princess Leia), Olivia pursues a routine cheating husband case from the glitzy Gold Coast to Insta-perfect Byron Bay, where she faces yoga wars, dirty whale activism, and a guru who's kind of a creep. Olivia Grace is a teenage screwball heroine for the #metoo era, and *The Girl with the Gold Bikini* is a body-positive detective romp, rich with pop-culture pleasures.

Bunny Yeager's Bikini Girls of the 1950s Bunny Yeager, 2004

As the 1950s dawned, a new level of sexual openness developed in behavior and dress. In magazines and on beaches, women appeared in revealing two-piece bathing suits called bikinis. Bunny Yeager, model and commercial photographer, forged a unique role in 1952, photographing bikinis and the beautiful women who wore

them. This collection of Bunny's work from the 1950s features 169 original photographs and featuring little known models and women she helped launch to fame, such as Betty Page. The bikinis they wore were often of Bunny's own creation, sewn with her own hands. She says, My ability helped me sell photographs to men's magazines and compete with male photographers. They didn't know how to sew! Many of her original designs still influence styles today. This collection of photographs, along with Bunny's reflections on her life and career, the models, and the era, make an insightful addition to the literature on this photographic pioneer.

The Bikini Book Kelly Killoren Bensimon, 2006 Packed with hundreds of photographs, this title provides a history of the bikini, recording its progression from the French beaches in 1946 to the small strings of modern times.

Bikini Girl Postcards by Bunny Yeager Bunny Yeager, 2005-12
Forty beautiful women cavort on the beach for the 1950s most famous female photographer, Bunny Yeager. Enjoy a bit of beach, a spark of sunshine, and a nostalgic romp with beauties of bygone days. Tear these cards out and mail them to friends, or frame them in any standard 5 x 7-inch frame.

Sexy Bikini Girls Mathias Angelov, 2007 Cute girls, summer, sunshine, tanned skin and a tiny scrap of fabric. This book introduces you to photographer and bikini designer Mathias Angelov, who has put together a unique volume of photos featuring

the most erotic bikinis you have ever seen! The daring bikinis of this cheeky textile saver scoff at prudishness with brightly coloured transparent fabrics that become nearly invisible when wet. These swimsuits highlight the very places that a wisp of textile typically conceals: skin-tight hot pants with a central seam that beautifully conforms to the contours of a shaved vulva, brazen thongs that vanish between curvaceous buttocks, and postage-stamp-sized tops from which something almost always slips out.

Bikini Girls of the 1960s Bunny Yeager, 2002 Renowned photographer Bunny Yeager was a magnet for beautiful models in the 1960s. She adorned them with beautiful bikinis and carefully photographed them in exotic and unexpected places, in playful poses that are simultaneously sweet and sexy. Here is a wonderful, reminiscent look at feminine beauty, 1960s style, by one of the key characters who defined it. More than 150 swimsuit models are represented.

The Girl in the Pink Bikini Suzanne D. Williams, 2014-05-15
This was pointless. I didn't love Roman Avery, yet I wanted to kiss Roman Avery. I'd bought a swimsuit to impress Roger Keen, but all I could think of was what Roman Avery would say about it. Now, Roman Avery said he had a date, and I was actually ... actually ... jealous. It smacked me in the face. Stupid because he had a right to see whoever he wanted, and like he'd said, we were only friends. ----- The best way Coralee Pirtle can think of to be noticed

by Roger Keen, is to show up at the big pool party in the right suit. Problem is, she doesn't own one and hasn't a dime to her name. Easily solved ... she'll get a job. Working alongside Roman Avery at the local hardware store isn't exactly what she had in mind, but how hard can it be? Two weeks, one paycheck, and she's set. However, plans change, and the more time goes by, the less appealing Roger seems, and the more Roman Avery becomes the man of her dreams. From best-selling author, SUZANNE D. WILLIAMS, comes a story of modesty and young love. Book one in The Coralee Chronicles.
