Lipstick on Your Collar Raj Madnani,2020-08-15 Lipstick On Your Collar is a light hearted view on the familiar issues of flirting and cheating, and the resulting stress that emerges from it, a mesh you simply cannot emerge from unscathed. Or can you? This is the two-sided story of Jaya, a sex-denying, menopausal wife and of Pankaj aka Pinkoo, her frustrated husband. At a cocktail party, Jaya witnesses a flirtatious encounter between Pinkoo and a voluptuous widow, both enjoying and laughing a bit too much, or so Jaya concluded. Right or wrong, her feminine instincts were on overdrive. Egged on by her neurotic friend, she checks the apartment for evidence of an affair. Three pieces of incriminating evidence emerge, and Jaya decides to confront Pinkoo before convicting him. Jaya jiggles the evidence in Pinkoo's face while he wiggles his way out. Is Pinkoo really guilty? Can he disprove the evidence? A farcical comedy in some ways, seriously funny in other ways, and amusingly realistic in many ways - take your pick.

The Girl with the Gold Bikini [Large Print 16pt] Lisa Walker,2021-04-16 Whenever I see a girl with a gold bikini, I think of Princess Leia. Here on the Gold Coast, gold bikinis are common, so I think of Princess Leia a lot. Eighteen-year-old Olivia Grace has deferred her law degree and ducked out of her friends' gap-year tour of Asia. Instead, she's fulfilling her childhood dream of becoming a private investigator, following in the footsteps of Nancy Drew and Veronica Mars - who taught her everything she knows, including a solid line in quick-quipping repartee, the importance of a handbag full of disguises, and a way of mixing business with inconvenient chemistry. Playing Watson to the Sherlock of her childhood friend, detective agency owner Rosco (once the Han Solo to her Princess Leia), Olivia pursues a routine cheating husband case from the glitzy Gold Coast to Insta-perfect Byron Bay, where she faces yoga wars, dirty whale activism, and a guru who's kind of a creep. Olivia Grace is a teenage screwball heroine for the #metoo era, and The Girl with the Gold Bikini is a body-positive detective romp, rich with pop-culture pleasures.

The Bikini Girl Andrea Anderson,2020-04-14 A mysterious girl who has lost her memory is rescued from the sea by an Alaskan deep-sea fishing vessel. She is wearing nothing but a bikini. Who is this strange beauty? How did she get here? How could she survive in the icy water? Two brothers, both sharing the captaincy on their ship, and

their best friend, also a captain, help her trying to uncover her identity and give her a place to live on their ships. But it is not long before they slide into a chaos of emotions. The unusual behavior of the stranger during her eventful stay as well as her captivating effect on the captains quickly spark rumors among the fishermen and inevitably evoke associations with mermaid myths. But at a time, when no one seriously believes in the existence of supernatural sea creatures anymore, almost everyone is convinced that there will soon be a logical explanation for the enigmatic Bikini Girl. No one knows what incredible truth and what destiny still await the girl, her three captains and the entire fishing community.

Phoebe's Desire Suzie McLean, 2016-01-29 Phoebe is confident that her bikini babes' carwash will be a success. But Riley Thompson, the property owner, is a clever businessman. If the girls can't afford to lease his prime location, he knows of other ways to make a tidy profit. Besides, he lusts after pretty Phoebe, and longs to teach her that an experienced older man can be an even better lover than a lusty football jock! ~~~~~ Excerpt ~~~~~ Riley stopped suddenly, and turned toward her so rapidly that she took an involuntary step back. "Tell me again exactly what you're planning to do here." "There are nine of us—my younger sisters and my sorority sisters," she said. We want to start a carwash—but not an ordinary pull-your-car-into-the-bay-and-let-the-machines-handle-it kind of carwash. We'll be washing the cars ourselves, using brushes and sponges and hoses. That way we can make sure the cars are absolutely sparkling clean, and put on a good show at the same time. Plus two of them are dancers, and we're all on the cheerleading team. So we know how to attract male attention, and keep it fixed exactly where we want it." Slowly he licked his lips. "Yeah, I'll just bet you do." The nasty old lecher! Why, he had to be as old as her father! "We'll take shifts, with some of us doing our cheerleading routines along the sidewalk to draw in traffic, and the rest of us washing cars as they come through. Oh—and while the customers are waiting for us to finish, our Scandinavian twins will be providing full-body massages in the last bay, the one that had all the equipment ripped entirely out of the wall." He sucked in a deep breath, then gradually let it out again. "You'll have 'em all standing at attention, won't you?" Somehow she didn't quite think he was talking about customers lining up in neat rows, and a hot flush stained her fair cheeks. She was no innocent virgin—but his sly innuendoes were starting to make her a little uncomfortable. "That's the plan," she replied, with just a touch of cool reserve. "It won't take long before we'll have so many customers that we'll need to hire extra girls." A faint shudder seemed to ripple down his long body. "And they'll all look like you. Wearing hot G-string bikinis, doing sexy dance routines, looking like they just crawled out of bed and are itching to climb back in." She supposed that was one way of describing it, but he didn't have to be quite so crude about it. And the raw lust gleaming in his eyes was disturbing. "My nephew is on the football team. I've seen you out there, flaunting your gorgeous little body. You and your 'sisters' are a sight for sore eyes." His low voice was subtly mocking. "And I think you're gonna grab all the men in this town by their collective glands, and drag them in here whether they need a carwash or not." He'd managed to shock her, and she took a defensive step away. "Mr. Thompson?" "Riley." His lips curved in a lopsided grin. "I didn't mean to offend you—just saying it like it is. Let's head back to my office, and we'll discuss terms. I think we'll be able to reach an agreement that works well for both of us." She swallowed hard, and tried not to edge past him when he politely gestured toward the street again. But she didn't breathe comfortably until a few feet of space were between them. This was ridiculous! She didn't like him, she didn't entirely trust him, and she didn't think he was sexy. And yet? When he'd laid his hand on her shoulder, and spoken so bluntly to her, she'd felt a bewildering surge of heat arrow right through her belly. It was still there, churning around like molten lava, as he fell back into step beside her, and led the way across the empty lot to his weatherbeaten pickup truck. Slick wetness began to glide between her thighs as he slid a big hand down her back, courteously ushering her through the heavy chain link fence, and then securely locked it behind him?

He's a regular guy, living a regular life, who must now use his intellect to save his family from certain death and the United States from unfriendly domination. He must conceive a plan to trap his adversaries and beat them at their own game—using himself as bait. Suddenly, Craig's mundane life as a CEO and father doesn't seem so awful.
