Billa and Dally Harjinder Singh ,Akaal Publishers, This story focuses on two Sikh brothers on their differing spiritual paths....

Bronze Age Bureaucracy Nicholas Postgate,2013 This book describes ten different government archives of cuneiform tablets from Assyria, using them to analyze the social and economic character of the Middle Assyrian state, as well as the roles and practices of writing. The tablets, many of which have not been edited or translated, were excavated at the capital, Assur, and in the provinces, and they give vivid details to illuminate issues such as offerings to the national shrine, the economy and political role of elite households, palace etiquette, and state-run agriculture. This book concentrates particularly on how the Assyrian use of written documentation affected the nature and ethos of government, and compares this to contemporary practices in other palatial administrations at Nuzi, Alalah, Ugarit, and in Greece.

Battling Breast Cancer for Idiots Billa Woollam,2017-10-15 When Billa Woollam was first diagnosed with breast cancer, her friends gave her a self-help book, to help with her recovery. After her surgery, she could not concentrate on reading anything. She was not prepared for how strange this journey to recovery would be. Woollam found herself saying and doing some bizarre, out-of-character things, which surprised her loved ones and friends. So she thought a little coffee table book that you could pick up or put down when you felt like it, would be easier to read. Now, Woollam is writing the book she

wishes she'd had at the beginning. She takes insight from her own journaling during her treatment to present this new guide to recovering from breast cancer. Hopefully it will help to lighten-up an otherwise very harrowing time. Woollam hopes that she can make the fight a little easier with simple explanations in plain English. She covers the following

Telling your friends about your diagnosis
Speaking with your medical team
Deciding on surgery
Preparing for the procedure
Staying in the hospital
Dealing with the effects of radiation and anesthesia
Recovering
Coping with emotions
Moving forward with your life

Woollam deals with each new, unsettling circumstance with plenty of humor. She knows how important it is to have a friend during your fight. She hopes this little book can serve as one for you.

In conclusion, the ability to download Billa has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when
