**The Bird in the Window** Wendy Dalrymple,2020-04-16 In a sleepy suburb of Sarasota, Florida, all the residents on Ridge Road seem to have something to hide. Meet a nosy nurse named Ashley, a bored stay-at-home mom named Patience, and an eccentric art teacher named Sally as they each play a role in uncovering a decades-old neighborhood mystery. A colorful macaw, a suspicious retired police officer, and a missing mother and daughter become the obsession of Ashley Jones... but someone doesn't like her snooping around. Follow Ashley and her neighbors and friends as they piece together clues, and spark a few romances, in the name of truth and justice. Sometimes danger – and love – can bloom right in your own front yard.

**How to Find a Bird** Jennifer Ward,2020-08-04 A joyful and informative guide to birdwatching for budding young birders from an award-winning author-illustrator duo. How do you find a bird? There are so many ways! Begin by watching. And listening. And staying quiet, so quiet you can hear your own heartbeat. Soon you'll see that there are birds everywhere—up in the sky, down on the ground, sometimes even right in front of you just waiting to be discovered! Young bird lovers will adore this lushly illustrated introduction to how to spot and observe our feathered friends. It features more than fifty different species, from the giant whooping crane to the tiny ruby-throated hummingbird, and so many in between, and a detailed author's note provides even more information about birding for curious readers. This celebration of the wondrous variety, colors, and sounds of the avian world is sure to have children grabbing their binoculars and heading outside to explore.

*Birds from My Window and the Antics They Get Up to* Ranjit Lal,2011 The clownish Coppersmith Barbet started him off on a life-long passion for birds and Ranjit Lal has never looked back since. In this book, full of quirky, witty, rib-tickling anecdotes you will meet: The Brahminy Myna who when in love sings like a vagabond minstrel serenading an unattainable princess. The Magpie Robin or Mad Mozart that will sing sweetly in the morning and lose its voice in the evening. The Grey Partridge that can go off right under your feet like a crazy bird bomb and give you the fright of your life and many, many more birds, each with their own personalities, habits and little idiosyncrasies. This book will be treasured by the seasoned bird watcher and the uninitiated alike and deeply delight Ranjit Lal's many fans

**Bird Out My Window** Jenniffer Harr,2020-04-20 My mother had always wanted me to write, so I did. Anyway, I woke one morning at 4:30 in the morning in 2009 and I couldn't rest again, as it began to flow. I wrote it down as fast as it came. It took about 30 minutes to do the original book and every book after. I dedicate this book to my Father. One of his favorite things to do was to sit in his rocking chair while watching birds from his window. This book is not only enjoyable but also educational for those bird fanatics as well. I believe God gave me these books and my dad gave me the inspiration behind this story. I hope you enjoy them as much as I had writing them!

*The View From My Window* WINSTON. D MUNNINGS,2020-10-12 If you're the outdoor type who simply enjoy taking pictures to share with others, then this is the perfect pastime for you. I simply call it 'Finding Beauty In Your Own Backyard.' Others may call it 'Bird Feeder Photography.' During the present pandemic, this is the perfect filler to occupy your time during lockdown or Shelter-In-Place. This is mostly a laid-back diversion that does not require an expensive camera or years of experience. It only requires a general knowledge of photography, a creative and imaginative eye, and lots of patience. This book 'was not' written for photographers. It was written for the average person who enjoy taking pictures of birds especially at feeding time. Do you want to have a most unforgettable experience? Go ahead and set up a birdfeeder in your backyard. Next, prepare yourself to be delighted because this is an experience you will not soon forget. You are guaranteed to capture some of the most fantastic photo images of birds imaginable.

A Bird Landed on a Window Neriman Karatekin, Stories With the Phoenix is a series of 10 books. In each book a moral value is thought through different characters and the Phoenix comes to guide the characters to the correct

behavior. A colorful and fun series to teach children about good character.

**The Bird Feeder** Andrew Larsen,2022-10-04 A child and beloved grandma bond over birds during the grandma’s final days. When Grandma gets sick and comes to stay at her grandchild’s house, she brings her bird feeder. Grandma loves birds. And the child loves the time they spend together, drawing bird pictures and “talking about interesting things.” Grandma’s health declines, however. She moves to the hospice, where the child hangs the bird feeder outside her window. There, though the grandma’s ability to interact diminishes over time, their love for each other never wavers. Simple and deep, this quiet book speaks with empathy about the loss of a treasured grandparent, and with hope about the tomorrows – and the birds – that always come.
