After all, what single expression can give someone a good laugh, move them deeply, yet also make them feel appreciated? The Birthday Book says it all. You bring magic into the world my friend, and with your magic this world becomes a better place to live in. -Author unknown The Birthday Book is a curated collection of quotes taken from an amazing array of personalities including Dr. Seuss, Albert Einstein, William Shakespeare, Oscar Wilde, and many more. The quotes contained in this volume have been chosen for their ability to cast both levity and illumination across the path of life and aging. To describe them as birthday quotes would be misleading; they are not about cake and ice cream. Instead, each quote has been selected from thousands for its insight on subject of birthdays, youth, aging, and the beauty of life. And of course, what birthday book would be complete without a little humor? This book has been organized into several sections: Humor about life and aging. How do we define youth and old age? What can we expect from each of life's stages? How can we make the most of life? Quotes that inspire. Aging can be a noble and graceful process, each chapter of life filled with its own unique pleasures, gratification, and advantages. Give this book in honor of someone special, or celebrate your own life! May it offer both wit and wisdom. Greeting cards are read once then thrown away, but a book of wisdom can inspire for a lifetime. Give an unforgettable gift! TheQuoteWell books are curated collections. Each book is the result of an exhaustive search from past through present for only the most amazing quotes on the subjects of Love, Life, Leadership, and more! Birthday Meredith Russo, 2019-05-21 "Lovers who surmount the odds have always been intense emotional fodder, but rarely have we seen a story like Birthday...true and raw, haunting and undeniable." -The New York Times Book Review Two best friends. A shared birthday. Six years... ERIC: There was the day we were born. There was the minute Morgan and I decided we were best friends for life. The years where we stuck by each other's side-as Morgan's mom died, as he moved across town, as I joined the football team, as my parents started fighting. But sometimes I worry that Morgan and I won't be best friends forever. That there'll be a day, a minute, a second, where it all falls apart and there's no turning back the clock. MORGAN: I know that every birthday should feel like a new beginning, but I'm trapped in this mixed-up body, in this wrong life, in Nowheresville, Tennessee, on repeat. With a dad who cares about his football team more than me, a mom I miss more than anything, and a best friend who can never know my biggest secret. Maybe one day I'll be ready to become the person I am inside. To become her. To tell the world. To tell Eric. But when? Six years of birthdays reveal Eric and Morgan's destiny as they come together, drift apart, fall in love, and discover who they're meant to be-and if they're meant to be together. From the award-winning author of *If I Was Your Girl*, Meredith Russo, comes a heart-wrenching and universal story of identity, first love, and fate. "Beautifully written, Birthday is an altogether singular contribution to the gradually growing body of transgender literature and, indeed, to mainstream literature, as well." -ALA Booklist, starred review

But in the morning he will rise to his full height, roaring and stomping and baring his sharp teeth because he is, after all, a monster.
