

Black Isle Group

Paula Quinn

Lord of the Black Isle Elaine Coffman,2012-06 Elisabeth Douglas, a modern woman, is suddenly pulled back into 1515 Scotland by an ancestral ghost. She uses her skills she learned in medical school and quickly gains renown as a great healer. When Devan Murray wrongfully blames Elisabeth for his sister's death, Elisabeth finds herself being accused of witchcraft. Original.

A Double Death on the Black Isle A. D. Scott,2011-09-27 Two Women, Two Murders . . . A stunning and suspenseful story of families, betrayal, and a community divided. Nothing is ever quite at peace on Scotland's Black Isle—the Traveling people are forever at odds with the locals, the fishermen have nothing in common with the farmers, and the villages have no connection with the town. But when two deaths occur on the same day, involving the same families from the same estate—the Black Isle seems as forbidding as its name. Joanne Ross, typist at the Highland Gazette, is torn whether to take on the plum task of reporting on these murders—after all, the woman at the center of both crimes is one of her closest friends. Joanne knows the story could be her big break, and for a woman in the mid-1950s—a single mother, no less—good work is hard to come by. But the investigation by the staff on the Gazette reveals secrets that will forever change this quiet, remote part of the Highlands. The ancient feudal order is crumbling, loyalties are tested, friendships torn apart, and the sublime beauty of the landscape will never seem peaceful again.

Landscapes of the Living, Landscapes of the Dead Tim Phillips,2002 Phillips' dissertation locates the Neolithic cairns and chambers of the three most northern counties of mainland Scotland (Ross, Sutherland and Caithness) in order to investigate the place and role of these monuments within such a forbidding landscape and to examine what they reveal about the Neolithic view of the world.

Laird of the Black Isle Paula Quinn,2018-05-29 Paula Quinn captures the heart of the Highlands (Monica McCarty, New York Times bestselling author) in this sweeping, epic romance, perfect for fans of Outlander. This Highlander will risk everything to find his daughter . . . Lachlan MacKenzie has nothing left to lose since his wife and daughter were killed. But when a shadowy figure reveals his little girl might still be alive, Lachlan will do whatever it takes to find her -- even abduct a lass from the MacGregor clan for an exchange. Being caught would mean certain death. But the laird of the Black Isle won't let anything -- or anyone -- interfere with his mission . . . not even his beautiful, stubborn captive. Even his heart All Mailie MacGregor wants is to return home to her family. And the Highland beast who captured her can go to the devil. Her plan: to thwart him at any cost and win her freedom. But she never expected to be so drawn to the fierce warrior and the desire in his eyes.

Apartheid on a Black Isle D. Curry,2012-10-31 In this single square mile hemmed in by White areas, residents engaged in what is arguably the most multi-faceted, inventive, and versatile strategy of resistance during the 1970s. *Apartheid on a Black Isle* brings to the fore the definitive but underappreciated role that Alexandra played in advancing human rights. Using their manufactured space, Alexandrans revolutionized the South African freedom struggle by fertilizing the underground movement, by joining in solidarity with Soweto during the student uprising and by finding unique ways to grieve. This book explores and introduces ordinary Alexandrans whose narratives challenged preconceived notions of resistance, identity, gender and space.

The Black Isle Sandi Tan,2012-07-03 There are ghosts on the Black Isle. Ghosts that no one can see. No one...except Cassandra. Uprooted from Shanghai with her father and twin brother, young Cassandra finds the Black Isle's bustling, immigrant-filled seaport, swampy jungle, and grand rubber plantations a sharp contrast to the city of her childhood. And she soon makes another discovery: the Black Isle is swarming with ghosts. Haunted and lonely, Cassandra at first tries to ignore her ability to see the restless apparitions that drift down the street and crouch in cold corners at school. Yet despite her struggles with these spirits, Cassandra comes to love her troubled new home. And soon, she attracts the notice of a dangerously charismatic man. Even as she becomes a fearless young woman, the Isle's dark forces won't let her go. War is looming, and Cassandra wonders if her unique gift might be her beloved island's only chance for salvation . . . Taking readers from the 1920s, through the Japanese occupation during WWII, to the Isle's radical transformation into a gleaming cosmopolitan city, *The Black Isle* is a sweeping epic--a deeply imagined, fiercely original tale from a vibrant new voice in fiction.

Gamers at Work Morgan Ramsay,2012-06-08 *Gamers at Work* is a critical resource for new and experienced business leaders—for anyone who feels unprepared for the demanding and seemingly insurmountable trials ahead of them. —Peter Molyneux OBE, founder, Lionhead Studios *Gamers at Work* explores every imaginable subtlety of the video-game industry through the fascinating stories of those who took the risks and reaped the rewards. —Hal Halpin, president, Entertainment Consumers Association This is the sort of book that can tear the most hardcore gamers away from their PCs, Macs, or consoles for a few hours of rewarding reading. —North County Times *Gamers at Work* is truly an invaluable resource that's well worth adding to your personal library. —Wii Love It There are few companies in the video-game industry that have withstood the test of time; most startups exit as quickly as they enter. In *Gamers at Work: Stories Behind the Games People Play*, the countless challenges of building successful video-game developers and publishers in this unstable industry are explored through interviews containing entertaining stories, humorous anecdotes, and lessons learned the hard way. *Gamers at Work* presents an inside look at how 18 industry leaders play the odds, seize opportunities, and transform small businesses into great businesses. Here, in *Gamers at Work*, you will find their stories replete with their personal struggles, corporate intrigue, and insights into strategy, leadership, and management. *Gamers at Work: Explores the formation of entertainment software companies from the perspectives of successful founders who played the odds* Provides insight into why experienced professionals sacrifice the comfort of gainful employment for the uncertainty and risk of the startup Shares the experiences and lessons that shape the lives, decisions, and struggles of entrepreneurs in this volatile business As an added bonus, check out *Online Game Pioneers at Work*, published in 2015, for even

more incredible stories from leaders in the mobile space.
