Bringing Down the House Ben Mezrich,2002-12-02 The #1 national bestseller, now a major motion picture, 21—the amazing inside story about a gambling ring of M.I.T. students who beat the system in Vegas—and lived to tell how. Robin Hood meets the Rat Pack when the best and the brightest of M.I.T.’s math students and engineers take up blackjack under the guidance of an eccentric mastermind. Their small blackjack club develops from an experiment in counting cards on M.I.T.’s campus into a ring of card savants with a system for playing large and winning big. In less than two years they take some of the world’s most sophisticated casinos for more than three million dollars. But their success also brings with it the formidable ire of casino owners and launches them into the seedy underworld of corporate Vegas with its private investigators and other violent heavies.

Blackjack 21 Melissa Corea,2018-11-13 If you’re on a budget, it can be challenging to eat a low-carb and healthy diet—but it’s not impossible. Melissa Corea, who has run full-service hotels and restaurants throughout the country, reveals how to do it in this lifestyle manual. Her recipes are easy and fun, and her dishes can be made with a couple of pots and/or dishes. In fact, the author created the recipes using a fifteen-year-old four-burner electric range and oven, a basic refrigerator and freezer, and no fancy gadgets. Recipes include green tea pudding, which includes ground ginger, tofu, and heavy cream; gingerbread cookies with cinnamon, nutmeg, and clove; and dark-chocolate shortbread cookies, which include—you guessed it—chocolate (and other good stuff too). You’ll also find recipes for lemon chia-seed cookies, rainbow meringue cookies, chocolate-mint mousse parfait, Neapolitan clouds, lemon thyme soufflé, chocolate crepes, and more. The recipes can be made in batches, transported easily to the office or school, and made quickly. You can tweak them as you wish to meet your tastes. Satisfy your sweet tooth without spending too much money with this collection of recipes that feel naughty but are actually quite healthy.

ABC’s of 21 Mike Exinger,2012-04-23 Blackjack, or Twenty-One if you prefer, is one of the most popular table games in any casino. And it has the lowest “casino edge” of any game, too. So why aren’t more people playing? They don’t know how to play. They feel intimidated. They think slots give them a better deal. They don’t want to lose all their money. They think Paula Deen will eat them with a pound of butter. I can deal with all of these issues except the last one. Blackjack can be easy to learn, and with my systems it’s easy to learn how to win, too. You’re on your own with Paula...

How to Win 21 & Poker, Dice, Races, Roulette Mike Goodman, 2016-11-11 THE ONE IMPORTANT THING TO KNOW ABOUT GAMBLING is that there is no guaranteed way to win all the time. But there is a guaranteed way to lose constantly, and that is when you don't understand the basic rules of playing and betting. It is appalling how many people, even big-money gamblers, lose consistently and don't know why. There are only two types of gamblers-those who really know the game and suckers. Mike Goodman, a veteran professional gambler, gives you an amazing, easy-to-understand insight on how to gamble and win. HORSE RACING...watch those second favorites; let the suckers play the favorites, they're usually overplayed! DICE...you're a sucker if you don't take advantage of the odds, but the real pay-off comes when you know how to bet! SLOTS...there's only one way to beat those "one-arm bandits," but, unfortunately, it's against the law! ROULETTE...it's tough to beat the house percentage, but there are ways to lose less, keep you in the game, and then, who knows? BLACKJACK "21"...here's a game you can win at consistently if you learn the tricks and how to put "lady luck" on your side! POKER...you get real help here; tips that'll open your eyes, make you play a better game and win! This book gives solid advice on how you can become a tough player and helps tilt the odds more in your direction. I'm just plain sick of "experts" who promise the moon but peddle virtually worthless advice. Somewhere in their pitch you're told that they're not multi-millionaires because they are not allowed in gambling casinos and I challenge any one of them to use this system at "craps", "21" or roulette at my casino. If they haven't got the guts to back up their system with hard cash, I challenge them to meet me face to face in public to debate any phase of gambling on which they claim to be an authority.
