Playing Blackjack as a Business Lawrence Revere,2000-09 This is the most talked-about book on the Blackjack scene. This book has sold more copies since it's initial release than any other gaming book. Prior to this new edition there was no foolproof way to learn how to play Blackjack accurately. This is the only Blackjack book that is easy to understand and completely accurate, written for the beginner or for the expert player. Playing Blackjack as a Business was written by a successful professional Blackjack player. The author has probably spent more time playing Blackjack, more time in the casinos, and more time in research, than have all of the others combined who have written Blackjack books or devised Blackjack systems. The book features a new Basic Strategy for one deck, the first accurate Strategy to be published for four decks, and four easy-to-learn Count Strategies including the Reverse Point Count Strategy, which is the most accurate and most powerful strategy that has ever been published. The strategies were devised from computer runs by Julian H. Braun of IBM Corporation, long recognized as the world's most capable man in this field.

101 Ways to Win Blackjack Tom Hagen,Sonia Weiss,2009-10-18 When it comes to gambling, there’s no better game to beat the odds—and win big—than blackjack. But there’s more to it than just doubling down. You will learn about the mysterious—and surprisingly legal—skill of card counting, casino etiquette, single vs. team play, tournament play, variation games, online games, and more. In this concise but complete manual, blackjack expert Tom Hagen and author Sonia Weiss deal out information on: Complete rules for blackjack as well as variation games (like Double Exposure and Blackjack Switch) Basic and complex strategies (including surrendering, entering early, and insurance) Tricks for understanding odds and probability (such as how early surrender gives players close to a .60 percent advantage over the house) Forget Lady Luck. This guide gives you the advantage, skill, and confidence needed to beat the house every time—and cash in!
