

Blaines Tough Guy

Louis L'Amour

Queer in the Choir Room Michelle Parke, 2014-10-14 These new essays examine the many ways that issues of gender and sexuality intersect with other identities and practices--including race, religion, disability, music and education--on the Fox hit program Glee. With gender and sexuality concerns at the crux, the authors tackle such specific aspects of the show as the coming out narrative, Glee fandom and fan fiction, representation of sex education, and the intersection of Broadway music and queerness. The aim of these essays is to open up a dialogue about Glee--which is often dismissed by critics and fans alike--and to reveal how scholars are critically engaging with the show around issues of gender and sexuality.

Beyond Contentment Glen Onley, 2001-08 Standing on a high wilderness ridge in northern New Mexico, Blaine Wells, a self-imposed hermit after the horrifying murders of his wife and daughter, is torn from an almost hypnotic absorption with the natural beauty around him by the sputtering engines of a small plane. The helpless aircraft, a fragment of society hurtling into his private paradise, both startles and angers him. With conflicting feelings, he seeks the crash site where he nurtures the survivors and fights those who would serve their selfish desires at the expense of those less capable. Blaine soon devises a means for their rescue and when a helicopter disappears into the distance with the survivors, he finds himself alone once again. During the trek back to his cabin and throughout the long harsh winter, he

often thinks of the young girl who lost her father and the elderly woman whose husband was killed. Later, responding to the girl's need for help, he leaves the wilderness. While helping her, he contacts his sister-in-law and her husband whom he has not seen since his family's funeral. To his astonishment, he learns that he has inherited 700 acres of ranch land from his late wife. Meanwhile, the eventual healing of the young girl triggers feelings and emotions that challenge those stirred by the beauty and contentment of his mountain retreat. Will he reenter society or return to his beloved wilderness?

Hazardous Holidays Annie Adams, 2022-10-19 A holiday-only cozy mystery box set from the best selling cozy mystery series The Flower Shop Mystery Series, featuring Quincy McKay and her funny sidekick K.C. Clackerton, who solve crimes while getting into a little bit of trouble and always having fun. This cozy mystery set includes the novel, A Christmas Arrangement, the novella, Flowers, Food, and Felonies at the New Year's Jubilee, and a new Halloween cozy mystery short story, Hunting Witches. If you like cozy mysteries set in a small town, reading a good mystery and laughing out loud at times, you'll love this new holiday--themed collection of stories, Hazardous Holidays from Annie Adams. A Christmas Arrangement It's Christmastime in Hillside, but holiday spirit is in short supply for busy flower shop owner Quincy McKay. She's in charge of the town festival and her shop's open house, but her Santa's a no-show and her flower cooler is on the fritz. To make matters

worse, she's learned her ex-husband isn't as ex as she'd thought. Just when she thought things couldn't get any worse, her boyfriend, hot cop Alex Cooper announces his parents are coming to town. Alex is the perfect man in Quincy's book, unfortunately his mother thinks he's perfect too. And no woman is perfect enough for her perfect son, especially not the weird flower shop girl who works too much, can't cook and who she catches kissing another man in the department store. And what's this she heard about Quincy being married? Eleanor Cooper must help her son dodge a bullet (and not the kind from his job) during the romantic holiday season to prevent him from being ensnared in a regrettable relationship. Quincy's dignity (of which lately she's in short supply), her reputation, and every business in town are riding upon the success of the city's Christmas celebration. If she can figure out a way to make it work despite failing equipment, helpers as flaky as the falling snow, and a troubling and inappropriate Secret Santa, she might win the respect of everyone in the town, but more importantly, Alex's parents. If Alex can survive his loving but meddling mother until Christmas, and keep Quincy safe from her crazy ex-husband, with a little help from the MLM (Mormon Ladies Mafia), and K.C. the she-Santa, he'll arrange for the perfect holiday for himself and the woman who has captured his heart. Flowers, Food, and Felonies at the New Year's Jubilee Christmas has finally come and gone but the holiday rush isn't through. A florist's work is never done as Quincy McKay can attest to. She's juggling responsibilities last minute brides, her future mother-in-

law, her handsome fiancé's job, and a new pup who might have gulped down her engagement ring. And now she's judging the New Year's Jubilee cook off contest. After contestants start having "accidents" that knock them out of the running, Quincy becomes more than a little curious. When the accidents befall her friends and family, she decides to investigate. With the help of her sidekick, her dog and a zombie delivery van, Quincy might find the culprit before the accidents become deadly and if she's lucky, before the Jell-O has had time to set. Hunting Witches Florist Quincy McKay is busy preparing for the town Halloween party and Autumn festival when some wannabe witches play dirty tricks on her elderly friend. She and her sidekick K.C. Clackerton team up with newcomer, and magical friend, Paige Brown and Elma the wickedest waitress in the West. What could go wrong with a stakeout at a haunted mansion with plus-size sexy kittens, a witch, and a screaming peacock? Not to mention the zombie delivery van? It begs the question, when you are hunting witches, what do you do when you catch one?

Immortal Films Barbara Klinger, 2022-11-15 Casablanca is one of the most celebrated Hollywood films of all time, its iconic romance enshrined in collective memory across generations. Drawing from archival materials, industry trade journals, and cultural commentary, Barbara Klinger explores the history of Casablanca's circulation in the United States from the early 1940s to the present by examining its exhibition via radio, repertory houses, television, and video. By resituating the film in the dynamically changing

industrial, technological, and cultural circumstances that have defined its journey over eight decades, Klinger challenges our understanding of its meaning and reputation as both a Hollywood classic and a cult film. Through this single-film survey, *Immortal Films* proposes a new approach to the study of film history and aesthetics and, more broadly, to cinema itself as a medium in constant interface with other media as a necessary condition of its own public existence and endurance.

Bogart: In Search of My Father Stephen Humphrey Bogart, Gary Provost, 2012
For countless millions, Humphrey Bogart's screen performances and real-life persona merged to make him one of the world's most fabled figures—a legend of mythic proportions. Or, as his Sam Spade would have put it—the stuff that dreams are made of. But for his only son, Stephen, eight years old in 1957 when his father died of lung cancer, Humphrey Bogart's giant shadow was a burden he carried until he finally came to understand the private man behind his father's public face. And now, in this candid and insightful biography, Stephen Bogart explores and illuminates Humphrey Bogart's life, work, and relationships as they never have been before. Writing with the encouragement of his famous mother, Lauren Bacall, Stephen calls on his memories, and take full advantage of the extraordinary access he has had to friends and colleagues of his father. The result is an intimate and personal profile of an enigmatic man whose tough image contrasted with very human ambitions and vulnerabilities. It is also a vastly entertaining book, filled with

fascinating stories involving Frank Sinatra, Katharine Hepburn, “Swiftly” Lazar, John Huston, Stephen Bogart’s stepfather, Jason Robards, and many others. Here is Humphrey Bogart, the pro’s pro on the set and the Hollywood renegade off it. The man’s man, the ladies’ man, the hard worker, and the man who liked to drink too much. The husband in three roller-coaster marriages and finally one perfect match, the proud father and absentee parent, the good friend and even better enemy. Here are eye-witness accounts of his most celebrated public misdeeds and moving testimonies of his most unexpected private moments. And finally, in perhaps the most compelling chapter of this shining saga, here is the close-up of Bogart’s last months, where his courage, dignity, and humor made his most stirring celluloid roles seem pale. Combining the drama of Humphrey Bogart’s life with that of a son whose path of reconciliation first had to move through a very difficult time, this is biography at its best—at once a loving tribute and a fascinating revelation. This ebook edition includes photographs directly from Stephen Bogart's personal collection.

Connect Technique Lajos Tribl, 2024-04-03 Through close film analysis, Lajos Tribl has developed a category system from the repetitions he recognized when watching and studying films. While working with this category system, he discovered that it can also be used as a creativity technique. His category system - the story element system - forms the basis for the first creativity technique - the connect technique - specifically developed for the film

industry, delivering a new method for the task of creating stories. It's surprising how quickly this method generates ideas - hasta la vista, writer's block! Connect Technique is intended for experienced and aspiring screenwriters and directors, as well as producers, lecturers, students, and anyone else with an interest in filmmaking and storytelling.

Moral Imperative Patrick Hale, 2016-05-17 Jake Dalton is determined to live his life as an anonymous face in the crowd. He has had enough of the political backstabbing and lack of leadership that infests Washington, DC. Unfortunately, he learns through his extensive knowledge of the country's national security networks and associated safeguards that those in high political office intend to make a complete mockery of their sworn oaths to protect and defend the Constitution of the United States. He finds himself in a tumbling vortex of deceit and dishonor in his attempt to prevent those in high public office who would destroy the country from accomplishing their task.

The Actors Richard Schickel, 2016-10-12 Here, Time's legendary film critic Richard Schickel profiles seven extraordinary actors, reading between their well-spoken lines: Humphrey Bogart, Marlon Brando, James Cagney, Charlie Chaplin, Gary Cooper, Douglas Fairbanks Sr., and Sir Lawrence Olivier. All of their lives, Schickel writes, could be made into an epic film.

Political Philosophy Comes to Rick's James F. Pontuso, 2005 Political Philosophy Comes to Rick's focuses on reading one of the world's most watched

films, Casablanca, politically. Contributors contend that the popularity of the film lies in its ability to present American civic culture, the American character, if you will, in a thoughtful, dramatic, and enduring way.

Make Nice Mark Pritchard, 2010-02-01 It's 1960, and Frank Sinatra is at the height of his power and influence in Hollywood. Bobby Blaine, a peripheral member of the Rat Pack, chafes under the singer's egomania and bullying. He tries to land roles without Sinatra's help and encounters only failure, until he is asked to do one last favor: pick up Marilyn Monroe in Reno, where she is having a nervous breakdown trying to finish *The Misfits*, and deliver her

into the clutches of Sinatra's Mafia pals at the Cal-Neva Lodge. Bobby hires Gene, a 20-year-old would-be beatnik, as his driver. Gene falls in love with a Mexican-American motel maid, encounters the racism of the day, and like Bobby, tries to become his own man. Bobby and Gene's struggles shine a light on the hidden ways of the world of the early 1960s, where a presidential candidate could carry on affairs under the nose of reporters, a world of Hollywood double-crosses, political shenanigans, bad Beat poetry, a hapless Broadway producer, and a comedian with a broken heart.
