Red as Blood, or Tales from the Sisters Grimmer Tanith Lee, 2014-09-22 What if Snow White were the real villain and the wicked queen just a sadly maligned innocent? What if awakening Sleeping Beauty would be the mistake of a lifetime -- of several lifetimes? What if the famous folk tales were retold with an eye to more horrific possibilities? Only Tanith Lee -- Goddess-Empress of the Hot Read (Village Voice) could retell the world-famous tales of the Brothers Grimm (and others) as they might have been told by the Sisters Grimmer! This special edition, put together for the 30th anniversary of the original edition, adds a new Grimmer fairy tale written especially for this volume!

Manga High Michael Bitz, 2009-05-01 Based on a four-year study, Manga High explores the convergence of literacy, creativity, social development, and personal identity in one of New York City's largest high schools. Since 2004, students at Martin Luther King, Jr., High School in Manhattan have been creating manga-Japanese comic books. They write the stories, design the characters, and publish their works in print and on the Internet. These students-African-American and Latino teenagers-are more than interested in the art and medium of manga. They have become completely engrossed in Japanese language, culture, and society. Manga High is highlighted by reproductions and content analysis of students' original art and writing. An appendix includes guidelines for educators on starting a comic book club.

Twelve Years a Slave Solomon Northup, 2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

As he stalks his vulnerable prey in the shadows of the fairgrounds, is his young master prepared for where the ill-gotten gains of his butler's methods will lead?

Manga Toni Johnson-Woods, 2010-04-15 Once upon a time, one had to read Japanese in order to enjoy manga. Today manga has become a global phenomenon, attracting audiences in North America, Europe, Africa, and Australia. The

style has become so popular, in fact, that in the US and UK publishers are appropriating the manga style in a variety of print material, resulting in the birth of harlequin mangas which combine popular romance fiction titles with manga aesthetics. Comic publishers such as Dark Horse and DC Comics are translating Japanese classics, like Akira, into English. And of course it wasn't long before Shakespeare received the manga treatment. So what is manga? Manga roughly translates as whimsical pictures and its long history can be traced all the way back to picture books of eighteenth century Japan. Today, it comes in two basic forms: anthology magazines (such as Shukan Shonen Jampu) that contain several serials and manga 'books' (tankobon) that collect long-running serials from the anthologies and reprint them in one volume. The anthologies contain several serials, generally appear weekly and are so thick, up to 800 pages, that they are colloquially known as phone books. Sold at newspaper stands and in convenience stores, they often attract crowds of people who gather to read their favorite magazine. Containing sections addressing the manga industry on an international scale, the different genres, formats and artists, as well the fans themselves, Manga: An Anthology of Global and Cultural Perspectives is an important collection of essays by an international cast of scholars, experts, and fans, and provides a one-stop resource for all those who want to learn more about manga, as well as for anybody teaching a course on the subject.

Achtung-Panzer! Heinz Guderian, 1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Malefic Time Luis Royo, Romulo Royo, 2015-07-21 2038. The world has transformed from dream to nightmare. Gargoyle-

like figures observe the streets from the rooftops. Many of the huge warehouses have become hotbeds for sinister beings, only possible in a perturbed mind or directly extracted from atavistic terrors. Ironically, New York remains the emblem of the world. Decimated of inhabitants, decrepit and ruinous metropolis, yet at the same time infected by new residents impossible to define in waging the final war. At the heart of this fatal scenario: Luz, her sword Malefic, and lots of questions. Apocalypse is only the beginning of the most ambitious work by Luis Royo and Romulo Royo, who launch themselves into creating the fantasy universe of Malefic Time with three illustration books.

Phoenixcry Kt Strange, 2018-09-12 My goals for my final year at university were: 1) Kick ass at my internship 2) Keep hiding from my family 3) Stop frying my phone battery by accident with my powers. Then I walked into the first day of my internship at a hot indie record label to find that my old life had collided with my new one. Five hot guys in a band called Phoenixcry, I'm supposed to manage them, and oh yeah, PS, they're werewolves. I've left the magic world behind, but I'm still a witch and witches and werewolves don't mix. But doing the wrong thing was always my M.O., so now I'm out on the road with a band full of sexy, growly werewolves. But the magic world is one step behind us: there are hunters on our trail, and if they catch us the boys are dead and I'm back at home under lock and key. Oh, one more thing, I think I'm falling in love with them. Not just one of them, all of them, and to make it super complicated, I think they feel the same way. So I had to revise my goals for this year: 1) Kick ass at my internship 2) Don't fall in love with the band 3) Stay alive Sounds easy, right? ===== Meet Darcy Llewellyn, fourth year university student, music intern, and secretly a witch. This is the story about how she meets and falls in love with the werewolves that make up the band Phoenixcry: Finn Gunner, Elias Gunner, Charlie Gage, Wesley Ace Rivers, and Cash Legend. This steamy Reverse Harem Romance is over 80,000 words in length, and is the first in a series about Darcy Llewellyn and her pack of werewolf lovers.
