Developments in Primary Mathematics Teaching Ann Sawyer, 2020-03-13 This book, originally published in 1993, addresses the issues surrounding the teaching of mathematics in primary school at the time. The author considers the issues that had arisen through the introduction of the National Curriculum, both in terms of the current state of the art and new developments.

The Big Bleep: the Mystery of A Different Universe Lawrence R. Spencer, 2009-01-26 The Big Bleep is a satirical tribute to Raymond Chandler's classic American noir detective story, The Big Sleep, that became the standard for crime stories featuring tough, cynical characters and bleak, noir scenarios. The principle characters in his book were portrayed in film noir by Humphrey Bogart and Laren Bacall. The Big Bleep is the story of hard-boiled, Harley riding detective Sam Shovel, digging up the truth on a comedic, existential journey of self-realization. It's an investigation into a universe where a fictional character can become self-aware -- just like in real life! And, it's the only book that tells the truth about what REALLY happened to the Earth dinosaurs... (really).

Mantrap Joseph F Hanna,2009-10 A man is found dead in a secured room of a large drug manufacturer. His mistress has been called the most beautiful woman in the world. When she turns her charms on Lawton Close, he doesn't stand a chance. Still, the question remains, Who killed her last lover? How was it done? The cops think it must have been suicide but Lawton Close knows better. Everyone is at risk, especially Max, Lawton Close's chief investigator, because the world's most beautiful woman has an equally beautiful sister. Not everyone will make it. Could this be the last book in the Lawton Close series?

Dressed in Clover - Part 3: Tre Bacio Jilla Lavalley,2022-09-13 More than a few surprises await Mark, Becky, and me in Part 3 of Dressed in Clover. Challenges still exist for our “trio”. There are some people who are dead set against our trio, but others give us their unwavering support. Nothing will stop us from expressing our love for each other, both in private and for the whole world to see. This concluding volume of the Dressed in Clover series will arouse your spirit and warm your heart.

Extreme Fishing Robson Green,2013-05-23 Actor and passionate fisherman Robson Green is on a mission to discover the weird, the wonderful and the way-off-limits that the angling world has to offer. Working alongside some of the finest in their field, his exhilarating adventure series Extreme Fishing with Robson Greentakes him to the greatest fishing destinations ever seen; chasing the most elusive and terrifying creatures on the planet, learning new tricks, hearing old stories and eating pretty much everything he catches. From ice fishing in Siberia, mining eggs on the side of an active volcano in

Papua New Guinea and struggling with the Mekong Giant Catfish in Thailand, to surviving a Force 10 hurricane on a Canadian trawler, catching a thirty-pound King Salmon in Patagonia and dancing the Salsa in Havana, this is an extraordinary modern-day fishing odyssey with tales of victory, defeat, struggle and joy. Complete with exclusive off-camera capers, top locations and best and worst catches, this laugh-out-loud adventure is jam-packed full of facts, fishing tips and, most importantly, fun.

Catatonic Dreams Craig Napier, 2023-11-19 Michael Boswell is a man in the shadow of a nightmare. Married to the woman of his dreams - Laurie. He works a comfortable job as a scientific researcher, while living a life, so routine, he's in danger of sleepwalking through it - if not for the fictions of his mind. Yet, he is unable to keep his dreams from spilling over into something else, something less desirable. Then an opportunity at work comes along and gives him a confidant he never knew he needed. Setting him on a path to fulfil his wildest dreams, and become the man he was always meant to be. And there's nothing he isn't prepared to do, to get there.

Covid-19 Life George Knowlson,2023-04-28 The impact Covid-19 has had on the world was something that no one in our lifetime will forget. While living through this, I have documented my experience in this area to help this era and the next to look back and see if my experience is something the human race can benefit from. I want to share my own life with the reader, detailing what I had done daily – to show the positive and negative impacts the Covid-19 crisis had on me. This was something everyone had to go through together – united. Everyone has a different story to tell and this one is mine. If you move forward and read my story, there will be a great deal of heartbreak in my journey. Perhaps you can relate? But one thing is for sure, Covid-19 has taken a great deal of time and that reminds us to enjoy the time we have left.

Priceless Memories Bob Barker,Digby Diehl,2009-04-06 In front of the camera, he has been invited into the homes of millions of Americans as host of *The Price Is Right*, *Truth or Consequences*, *Miss USA*, *Miss Universe*, *The Rose Parade*, and many other programs and specials. Now Bob Barker shares stories of favorite contestants, episodes, celebrity encounters, and behind-the-scenes

happenings. Beyond his public persona, he will open up about his personal life. From being raised on a Native American reservation by a single mother through the Great Depression and the Dust Bowl, to training as a pilot in the Navy during World War II, through his romance with the love of his life and high school sweetheart, Dorothy Jo, and his success at retirement. His support of animal rights has always been a central part of his life. Bob delves into stories of how he has taken on Hollywood and the government in his crusade, including his anti-fur stand-off with beauty pageants, his involvement in uncovering animal abuse in movies and television, and the legislation he helped to pass. He also shares personal stories of rescuing animals, from dogs to elephants. For the innumerable fans who have welcomed Bob into their homes over the last fifty years, this book will be like catching up with a dear and familiar friend who continues to lead a full and endlessly interesting life.

The Bleep Test Luke Austen,2023-05-31 What does it mean to help save someone's life? How does it feel to nearly kill a patient? Can we keep our patients safe at night? In the face of

overwhelming pressures, can we thrive or only survive? And is a happy life as a doctor still possible? In the early months and years of work, it is these kinds of questions, rather than any technical or knowledge-based queries, which preoccupy many new doctors. This elusive, hidden curriculum is pervasive within departments, around hospitals and across health systems, but is rarely, if ever, explicitly examined and discussed. At its core is the issue that should matter above all others – how we can keep our patients as safe as possible. The Bleep Test combines gripping and startlingly vulnerable recollections of early experiences on the wards with an array of research findings, from psychology and human biology to anthropology, business and behavioural economics. Acknowledging that the truly complex challenges facing new doctors lie far beyond the realms of the traditional medical sciences in which they were trained, the book explains that the shift to being a doctor depends on first understanding how we think, reason and behave as someone we have been all our lives – a human amongst humans. Focused on the experiences of, and the issues facing, recently qualified medics, The Bleep Test is not only for young doctors, but also for anyone who manages them, works

with them, cares for them or may one day depend on them.

Beyond the Bleep Alexandra Bruce, 2005-09-01 What the Bleep Do We Know!? is the biggest New Age movie phenomenon . . . EVER! This outrageous film plunges you into a world where quantum uncertainty is demonstrated—where neurological processes and perceptual shifts are engaged and lived by its protagonist—where everything is alive, and reality is changed by every thought. What the Bleep Do We Know!? gives voice to the modern-day radical souls of science, bringing their genius to millions. What the Bleep Do We Know!? says that science and spirituality are not different modes of thought, but are in fact describing the same thing. And it brings the power back to the individual man and woman as it demonstrates creation as the god-like capacity of every individual. In *Beyond the Bleep*, Alexandra Bruce illuminates the personalities and teachings of the physicists, neurologists, anesthesiologists, physicians, spiritual teachers, mystics, and scholars in the film, as well as the filmmakers, helping the reader sort through their wilder and woollier theories with simple explanations of the cutting-edge science on which they are based. The phenomenon of the movie is only just

beginning, spreading outwards from the yoga studios and health food stores of the Pacific Northwest across America and the world. There is a huge demand for more information on the topics presented in the film; Beyond the Bleep is the place to start.

Granny Goes Hollywood Harper Lin, 2018-11-22 I'm Barbara Gold. Age: 70. Height: 5'5. Eyes: blue. Hair: gray. Weight: none of your business. Specialties: Undercover surveillance, small arms, chemical weapons, Middle Eastern and Latin American politics. Current status: Retired widow and grandmother. When a big Hollywood film production comes to Cheerville, the town goes into a tizzy over action star Cliff Armstrong. But when his stunt double is killed on set, Barbara quickly deduces it was no accident and Cliff was meant to be the target. To hunt the killer, Barbara infiltrates the movie set as an extra, but she quickly lands a speaking role against the handsome Cliff Armstrong himself. Can she protect Cliff from a dangerous murderer lurking on set, prevent the town from going up in smoke, and star in Hollywood's next blockbuster without blowing her cover? Beyond My Yesterdays Jeannie Keneley, 2008-06-01 Writing on the subject of divorce and healing through adversity, Keneley gives insight into the extremely private world of despair and devastation. Gleaning from the biblical story of the Woman at the Well, the author paints a story of two women separated by time, but woven together by one shared experience.

The Flatshare Beth O'Leary, 2019-05-28 What if your roommate is your soul mate? A joyful, quirky romantic comedy, Beth O'Leary's *The Flatshare* is a feel-good novel about finding love in the most unexpected of ways. Tiffy and Leon share an apartment. Tiffy and Leon have never met. After a bad breakup, Tiffy Moore needs a place to live. Fast. And cheap. But the apartments in her budget have her wondering if astonishingly colored mold on the walls counts as art. Desperation makes her open

minded, so she answers an ad for a flatshare. Leon, a night shift worker, will take the apartment during the day, and Tiffy can have it nights and weekends. He'll only ever be there when she's at the office. In fact, they'll never even have to meet. Tiffy and Leon start writing each other notes – first about what day is garbage day, and politely establishing what leftovers are up for grabs, and the evergreen question of whether the toilet seat should stay up or down. Even though they are opposites, they soon become friends. And then maybe more. But falling in love with your roommate is probably a terrible idea...especially if you've never met.
