

Block Story Lite

IM Harris

The Lonely Dirt Block Ty The Hunter,2018-10-23 Life is tough being a Minecraft dirt block, especially when all the other blocks ignore you and won't play with you. So, when one little block is shunned by all the others, his family decides to move away from their home to teach the other blocks a lesson that dirt is important, too. Will the other Minecraft blocks miss him and see the error of their ways? Can they learn a valuable lesson that it doesn't matter about the differences we have, but what we share in common? This classic story of acceptance is brought bang up to date with the inclusion of one of the best-loved games around. Told through rhymes, it is perfect for young readers aged 5 to 8 years and is certain to become a favorite bedtime read. Whether your child is new to reading alone and would benefit from having a rhyming pattern that keeps them going, or if they just love sitting on the couch with you while you take them on a journey with a funny story, you will both love this series!

Thomas & Friends Story Blocks Thomas and Friends,2012-10-02 Thomas and Friends Story Blocks combine reading and play in a delightful new way. Packed inside this case are two colorful storybooks featuring the No. 1blue engine, Thomas the Tank Engine, and four large colorful blocks that can be used in a variety of playful ways. The two books feature Thomas adventures based on favorite episodes of the popular animated TV series. Each of the four blocks are six-sided with pictures and text on each one. Two of the sides have peek-through scenes from the stories. Kids can use the blocks to retell each story. The blocks can also be used for puzzle fun and mixing and matching different characters and scenes.

Landmark Architecture of Palm Beach Barbara D. Hoffstot,2019-02-01 Palm Beach is a remarkably small town to be so famous; its population is only a little over 10,000. Nor is it an old town: the oldest extant building dates from about 1885, and the town itself was not incorporated until after 1900. What has granted Palm Beach its fame is the same combination of elements that made Bath famous in the 18th century: a very few clear-sighted men—they can be counted on the fingers of one hand, wealthy families attracted to what these men had to offer, and some remarkable architecture built when wealth and vision intermingled. This book records that architecture. The contents are strategically arranged, so that the visitor can drive or walk the area and see the buildings sequence of location. Within this compendium of photographs and descriptive text, you will find more than 150 Palm Beach buildings written and photographed by a resident active in historic preservation. The book does not attempt to evaluate, but rather to exhibit the richness and diversity of this extraordinary place. The work of famous architects is featured, notably that of Addison Mizner, Marion Wyeth, Maurice Fatio, Howard Major, John Volk and the designer Joseph Urban. Also covered are the famous Breakers Hotel, the Bath and Tennis Club, the Everglades Club, and the shops of Worth Avenue.

Because the Night James Ellroy,2021-02-16 A botched liquor store heist leaves three grisly dead. A hero cop is missing. Nobody could see a pattern in these two stray bits of information--no one except Detective Sergeant Lloyd Hopkins, a brilliant and disturbed L.A. cop with an obsessive desire to protect the innocent. To him they lead to one horrifying conclusion--a killer is on the loose and preying on his city. From the master of L.A. noir comes this beautiful and brutal tale of a cop and a criminal squared off in a life and death struggle.

The 2016 Bluebook Cost Guide Daniel E. Josipovich,2016-01-01 The Bluebook Cost Guide provides over 100,000 residential & light commercial structure and contents costs for construction, reconstruction, remodeling, repairs, and home improvement of all types throughout the United States and Canada

Lost Galveston Brian M. Davis,2010 For nearly 200 years, a permanent settlement at the mouth of Galveston Bay has welcomed pirates, sailors, immigrants, and visitors from around the world. As Galveston grew, its buildings were visible signs of the city's prosperity and the talent of its craftsmen. For many, this city was a gateway to America and an inspiration of what other communities in Texas and the Southwest would become. Although Galveston has thousands of historic buildings remaining, many have been lost to the elements and development over the years. Buildings such as the ones found within these pages define the character of our city and its culture.

The House at the End of the Block Joseph Todd Pillsbury,2021-04-19 The world can be a scary place. Often we simply fear what we do not know. But once we know, we find there was nothing to fear. Meet Molly. All her young life her friends have told her stories about the mysterious house at the end of the block. What lives in all those gnarled trees and vines? Who lives in the house itself? Enjoy a light Halloween themed story where fears give way to curiosity and rewarded with a reality that is far from scary. Written and illustrated by award winning author Joseph Pillsbury (The Prank, Actual Factual Magic-The Simplified Guide to Walt Disney World, and more!) this book is intricately hand-drawn and colored. Written in a whimsical rhyme.

The Land that Feeds Us John Fraser Hart,1993 For the many Americans who have never set foot on a real farm, this book is required reading. . . . An engaging blend of agricultural history, geography, travel, and interviews with farmers [that] provides an unsentimental, realistic look at American farm life. --Library Journal

The Scion Alan Refkin,2020-04-21 Detectives Mauro Bruno and Elia Donati, surviving numerous attempts on their lives while bringing Duke Rodolfo Rizzo to justice, decide to take a vacation in Paris to celebrate and relax. However, not long after they arrive Donati is cleverly framed for a murder he didn't commit, but which he finds impossible to refute since the killing was captured on the hotel's camera security system. With Donati in jail, Bruno tries to discover why he's been framed and who's behind it. Helping him is a French investigator, Lisette Donais. Together they uncover a web of deceit that involves a Saudi official, the French mafia, a recluse in the wealthiest residential area of Paris, and a suicide in Milan. Not long after, Bruno is also framed for murder. On the run, he and Donais discover that the key to vindication is in their past.
