Blogging for Profit 2019 Russell C. James, 2018-11-25 Why nearly 90% of bloggers only make pocket money from their work... and how to be part of the top 10% that makes the big bucks. Just a few years ago, I was fired from a law firm I used to work for, was heavily in debt, and was looking for ways to make some side income online. That's around the time I started blogging. And because I really had no other choice, I pushed myself into learning every possible way I could turn my new fitness blog into a money-making machine. So, I did what you're probably doing: going through the YouTube videos, reading all the articles, buying all the courses, etc. To my dismay, I encountered the 3 challenges that stop most bloggers from making any significant income online: Information overload. The piles of information on the topic and the 'analysis-paralysis' that I got as a result prevented me from getting anything done. I followed outdated info. The internet evolves rapidly and what worked in 2018 may not necessarily work in 2019. I lacked a roadmap with a destination. Not knowing what you want and lacking a step-by-step procedure to get there is the perfect recipe for not getting any results at all. Through hard work and dedication, I was able to get past these hurdles and eventually made my first 5 figure month a bit over a year later. Today, I am a multiple six-figure earner. Because I understand what you're going through, I've written: Blogging for Profit 2019. In this book, I have structured an easy-to-follow, step-by-step plan based on up-to-date information that will make you start your journey towards profit on the right foot. In this book, you will: Discover the hidden step in blog creation that will make or break your blog (and how to fix this if you missed it). Up-to-date blog monetization strategies for 2019 Discover how to read the minds of your audience and write tailor-suited material for them every time! Apply savvy internet marketing secrets for sending massive traffic of buying customers to your blog. Win the social media game for

getting even more traffic (No, this is not Facebook Ads). Optimize your blog to be found on the internet the right way. Discover million-dollar brand secrets for having your readers come back to your blog time and time again. Bullet-proof blog monetization strategies that can make you passive income in less than 60 days. 2019 may just be the perfect time to start creating REAL freedom in your life if you play your cards right. But Russell, I can just learn all of this on my own, can't I? You could- and you could make it work with enough time and money put in. However, that would cost you a LOT more than the price of this book. And what if I have no sales experience? Can I still make money? No worries, we're not force-pitching products to anyone. Instead, we're making interested customers come to us through our blog. What if I already have a blog? With a few tweaks, we can optimize it for making money. So don't sweat, it's nothing we can't change and improve. What are you waiting for? Click the 'add to cart' button and get your copy of Blogging for Profit 2019!
