*Guide to the Sabbath* Justin Achilli,Jess Heinig,1999-03 What are we? The Damned childer of caine? The grotesque lords of humanity? The pitiful wretches of eternal hell? We are vampires, and that is enough. I am a vampire, and that is far more than enough. I am that which must be feared, worshipped and adored. The world is mine -- now and forever. No one holds command over me. No man. No god. No prince. What is a claim of age for ones who are immortal? What is a claim of power for ones who defy death? Call your damnable hunt. We shall see whom I drag screaming to hell with me. The Guide to the Sabbath examines the Sabbath exhaustively from the antitribu, or anti-clans, that populate its ranks, to the terrifying Disciplines they use, to their methods of waging war on the Camarilla and Antediluvians alike. This book also explores the Sabbath's progress in its war effort, chronicling the Cainites' inexorable spread across the East Coast and back to their usurped territories in the Old World.

The players get as close as possible to truly living their adventure. All's fun and games until a Park security guard is murdered, a valuable research property is stolen, and all evidence points to someone inside the game. But will an unknown and perilous calamity destroy them before they can save themselves and the rest of the world? Salvatore's Icewind Dales series, you'll quickly discover these party-based adventure books are right up your alley.

"It's the best kind of sequel, the kind which was not meticulously planned from the start, unlike the deliberate megafranchises being created today, which may be plotted out for a decade in advance of the launch. . . . An important book in the series . . . Many elements which will be exploited to huge degree and cast a huge shadow over later pages are introduced here for the first time. . . . In some ways, it provides an anticipatory, even direct, model for the grimdark of the nineties which would follow." –World of Antra

If only they could figure out how to use it. A gambling man like Gage has no trouble betting on his crew to find a way.
