Blood of the Lamb Randall Wallace,1990

Behind the Yellow Wallpaper Farah Ahmed, Henri Bensussen, Amy Bridges, Leah Chaffins, R. Crawford, Judith Day, Gabriela Denise Frank, Laura Hartenberger, Sheila Lamb, Tracie Orsi, Vivian Papp, Colleen Quinn, Heidi Andrea Restrepo Rhodes, P.J. Schaefer, Nikki Vogel, 2014-06-09 "The Yellow Wallpaper" by Charlotte Perkins Gilman is a feminist classic, a haunting critique of the isolation treatment for female hysteria wrapped up in a superb psychological horror story. Over a century later women are still battling gender bias in the treatment of mental illness. Here are 15 stories of very different women who have in common the fact that they are fighting for control of their worlds and of their minds. Traci Orsi's *Waiting for Jordan* finds Julia hallucinating at home when her husband is shipped off to Iraq. Leah Chaffin's *Last Caress* delves into the sad and savage story of a rare female serial killer while in *An Obedient Girl* Amy Bridges relates her experience as an average girl who has a singular experience with a lobotomized woman. Age, religion, motherhood, sex and work life are all explored in these gripping stories of women who remain *Behind the Yellow Wallpaper*, battling valiantly and sometimes viciously to break free by any means necessary. Each story is paired with original photographic art by Loreal Prystaj. Prystaj's dark, gripping art evoke the same despair, fear, anger, hopelessness, heartache, and fight for survival that make up these extraordinary *New Tales of Madness*.

Discipleship on the Edge Darrell W. Johnson, 2004 Revelation is probably the most read, but least understood book of the Bible. History is replete with examples of how not to interpret it, and books featuring end-of-world prophecy claims based on Revelation consistently top the bestseller lists. But how can the message of such an enigmatic book be applied to our lives today? In *Discipleship on the Edge*, Darrell W. Johnson drives home the challenging and practical message of Revelation in thirty carefully crafted sermons. Paying careful attention to the original context of Revelation and the circumstances surrounding its composition, Johnson shows that the book is not a crystal ball but rather a discipleship manual. Thoroughly researched and yet accessible, this collection of sermons is a helpful resource for pastors and small group leaders who are looking for models to help them preach and teach the message of Revelation in a time when there is much confusion about the end times. Darrell W. Johnson serves as Scholar-in-Residence at The Way Church and Canadian Church Leaders Network in Vancouver, British Columbia, Canada. A popular conference and retreat speaker, he has also served as the preaching pastor for a number of congregations in North America and the Philippines, as well as serving as Adjunct Professor of Preaching for the Doctor of Ministry program at Fuller Theological Seminary in Pasadena, California, and a Teaching Fellow at Regent College. His other books include *Experiencing the Trinity* and *Fifty-Seven Words That Change The World*.

Julia's Chocolates Cathy Lamb, 2007-05-01 I left my wedding dress hanging in a tree somewhere in North Dakota. I don't know why that particular tree appealed to me. Perhaps it was because it looked as if it had given up and died years ago and was still standing because it didn't know what else to do. . . In her deliciously funny, heartfelt, and moving debut, Cathy Lamb introduces some of the most wonderfully eccentric women since *The Divine Secrets of the Ya-Ya Sisterhood* and *The Secret Life of Bees*, as she explores the many ways we find the road home. From the moment Julia Bennett leaves her abusive Boston fiancé at the altar and her ugly wedding dress hanging from a tree in South Dakota, she knows she's driving away from the old Julia, but what she's driving toward is as messy and undefined as her own wounded soul. The old Julia dug her way out of a tortured, trailer park childhood with a monster of a mother.

The new Julia will be found at her Aunt Lydia's rambling, hundred-year-old farmhouse outside Golden, Oregon. There, among uppity chickens and toilet bowl planters, Julia is welcomed by an eccentric, warm, and often wise clan of women, including a psychic, a minister's unhappy wife, an abused mother of four, and Aunt Lydia herself--a woman who is as fierce and independent as they come. Meeting once a week for drinks and the baring of souls, it becomes clear that every woman holds secrets that keep her from happiness. But what will it take for them to brave becoming their true selves? For Julia, it's chocolate. All her life, baking has been her therapy and her refuge, a way to heal wounds and make friends. Nobody anywhere makes chocolates as good as Julia's, and now, chocolate just might change her life--and bring her love when she least expects it. But it can't keep her safe. As Julia gradually opens her heart to new life, new friendships, and a new man, the past is catching up to her. And this time, she will not be able to run but will have to face it head on. Filled with warmth, love, and truth, Julia's Chocolates is an unforgettable novel of hope and healing that explores the hurts we keep deep in our hearts, the love that liberates us, the courage that defines us, and the chocolate that just might take us there. Advance praise for Cathy Lamb and Julia's Chocolates Julia's Chocolates is wise, tender, and very funny. In Julia Bennett, Cathy Lamb has created a deeply wonderful character, brave and true. I loved this beguiling novel about love, friendship, and the enchantment of really good chocolate. --Luanne Rice, New York Times bestselling author

Blood on the Tracks Willson, S. Brian, 2011-08-01 "We are not worth more, they are not worth less." This is the mantra of S. Brian Willson and the theme that runs throughout his compelling psycho-historical memoir. Willson's story begins in small-town, rural America, where he grew up as a "Commie-hating, baseball-loving Baptist," moves through life-changing experiences in Viet Nam, Nicaragua and elsewhere, and culminates with his commitment to a localized, sustainable lifestyle. In telling his story, Willson provides numerous examples of the types of personal, risk-taking, nonviolent actions he and others have taken in attempts to educate and effect political change: tax refusal—which requires simplification of one's lifestyle; fasting—done publicly in strategic political and/or therapeutic spiritual contexts; and obstruction tactics—strategically placing one's body in the way of "business as usual." It was such

actions that thrust Brian Willson into the public eye in the mid-'80s, first as a participant in a high-profile, water-only "Veterans Fast for Life" against the Contra war being waged by his government in Nicaragua. Then, on a fateful day in September 1987, the world watched in horror as Willson was run over by a U.S. government munitions train during a nonviolent blocking action in which he expected to be removed from the tracks and arrested. Losing his legs only strengthened Willson's identity with millions of unnamed victims of U.S. policy around the world. He provides details of his travels to countries in Latin America and the Middle East and bears witness to the harm done to poor people as well as to the environment by the steamroller of U.S. imperialism. These heart-rending accounts are offered side by side with inspirational stories of nonviolent struggle and the survival of resilient communities Willson's expanding consciousness also uncovers injustices within his own country, including insights gained through his study and service within the U.S. criminal justice system and personal experiences addressing racial injustices. He discusses coming to terms with his identity as a Viet Nam veteran and the subsequent service he provides to others as director of a veterans outreach center in New England. He draws much inspiration from friends he encounters along the way as he finds himself continually drawn to the path leading to a simpler life that seeks to "do no harm." Throughout his personal journey Willson struggles with the question, "Why was it so easy for me, a 'good' man, to follow orders to travel 9,000 miles from home to participate in killing people who clearly were not a threat to me or any of my fellow citizens?" He eventually comes to the realization that the "American Way of Life" is AWOL from humanity, and that the only way to recover our humanity is by changing our consciousness, one individual at a time, while striving for collective cultural changes toward "less and local." Thus, Willson offers up his personal story as a metaphorical map for anyone who feels the need to be liberated from the American Way of Life—a guidebook for anyone called by conscience to question continued obedience to vertical power structures while longing to reconnect with the human archetypes of cooperation, equity, mutual respect and empathy.

The Cross and Salvation (Hardcover) Bruce Demarest, 2006-08-01 With America's confidence in the Bible at an all-time low and the strength of her spiritual convictions waning, it is essential for Christians—especially Christian leaders—to be well-grounded in biblical theology. To have a clear and comprehensive understanding of the key doctrines of evangelicalism. In response, professor and award-winning author Bruce Demarest has made plain God's glorious plan of salvation, his provision for the human dilemma through Christ's work on the cross, and the application of saving grace to unbelievers. Demarest's unique approach defines each topic, identifies its most pressing issues, examines the ways in which the doctrine has been understood historically, and interprets the Bible's revelation. The result is a clear and carefully constructed doctrinal statement that you can defend, live out, and communicate to others. This singular, comprehensive treatment of one of Christianity's essential doctrines gives definitive, Bible-based answers about salvation and the cross— and about related theological issues such as grace and regeneration. It's perfect for clarifying your theology and gaining deep understanding of this foundational theme. Part of the Foundations of Evangelical Theology series.

Holy Hustle: A Bible Parody Ward Ricker, 2019-06-08 The entire Holy Bible rewritten as parody. The history, poetry, gospels, prophets of the Old Testament, letters of the New Testament -- the entire thing rewritten to make you laugh as it points out the lunacy, immorality and horror of the good book. Audacious, sacrilegious, blasphemous, scandalous, but most of all hilarious, as long as you are not one who takes this book of mythology seriously. You may learn more about the Bible by reading this version than by reading the original.
