Steven Harper

The Stan David Axe, Kevin Knodell, 2018-09-15 The 'Stan is a collection of short comics about America's longest war. Individual stories highlight different perspectives—one through the eyes of a Taliban ambassador and others through the eyes of Afghan and U.S. Army soldiers—but every account highlights the human element of war. The tales in this book—based on reporting by David Axe and Kevin Knodell and drawn by artist Blue Delliquanti—are all true and took place in roughly the first decade of the U.S. military intervention in Afghanistan. While the stories are from the recent past, The 'Stan is still very much about Afghanistan's and America's present—and likely their future.

American Axe Brett McLeod, 2020-10-13 From bronze axes of the Viking conquests to the American homesteader's felling axe, this is a tool that has shaped human history like few others. Combining his experiences as a forester, axe collector, and former competitive lumberjack, author Brett McLeod conveys the allure of this deceptively simple woodcutting implement and celebrates the resurging interest in its story and use.
