The Soul in the Axiosphere from an Intercultural Perspective, Volume One

Joanna Jurewicz,Ewa Maślowska,Dorota Pazio-Wlazłowska,2020-05-04 The essays collected in this volume form a multifaceted discourse on religious, philosophical, historical, ethnocultural and sociocultural, literary and linguistic issues. A multicultural approach to the problem of the soul allows the presentation of it on a microscale, focused on national and regional specificity, as well as on the macroscale, oriented toward universal values which can be observed in the cultures of peoples distant from each other in both time and

space. The book consists of 28 chapters, addressing the fundamental themes of human existence, which find expression in cultural texts in both colloquial and artistic language, and which have a prominent place in anthropological, psychological, metaphysical and theological debates.

Nativity Jean Frémon, 2020 The ambiguous figure of the baby Jesus and his representation in art run through the whole of this short narrative originally published in French in 2009.
