Pop Up Funk Rosston Meyer, 2020-07-20 *Pop Up Funk* is a three dimensional explosion of art from Jim Mahfood, the dark master of psychedelic groove. The standard edition of Jim Mahfood's *Pop Up Funk* comes in a beautiful full color casewrap with six pop up spreads: Funky Beats, Sir?, Grrl Scouts, Pure Gonzo, Everybody Loves Tank Girl, Pop Life and Thrilling. This release was originally available funded on Kickstarter in February 2020. Each pop up spread opens to 11 x 17. Also includes four additional pieces of art in the front and rear endleaves.

One Red Dot David A. Carter, 2008 Opening this pop-up book at any point is an experience that will delight readers of all ages. Each pop-up sculpture hides one red dot for the reader to find, leading them on a journey through the book that is as visual as it is tactile.

Under the Ocean Anouck Boisrobert, Louis Rigaud, 2014-10-21 As *Oceano*, a red sailboat, adventures around the world, readers are introduced to the diversity and extent of life that thrives in the ocean.

White Noise David A. Carter, 2010 "White Noise," which is a laptop sculpture garden, a romp through cubism and futurism, and a lesson in early--20th-century modernist formalism. Each spread, designed to make crackly, crinkly, creaky, tinkling or snapping noises as the pages are turned, evokes children's construction-paper cutouts. As sophisticated as the mechanics are, the primary colors and seemingly random tangles of "bits and pieces," as one page describes them, combine in such imperfect forms that they give the illusion that anyone could make this book--Web site

The Neon God Ben D'Alessio, 2019-06-07 In the suffocating bosom of August, Dionysus arrives in New Orleans. For too long, the Greek God of Revelry and Wine has endured the incessant bickering atop Mt. Olympus, and so he descends to be with the mortals and indulge himself in the city's reputed decadence and vice. When Dionysus is parched and aching for even a drop of the vine, he mistakenly stumbles into a bookstore and begs an employee who reminds him of the last pharaoh of Egypt--Cleopatra--to point him in the direction of wine. Zibby Dufossat, on the cusp of her first year of law school and desperate for a distraction, sets aside her anxieties to peel back the layers of the esoteric, anachronistic, and often offensive beautiful stranger, only to find heartache and pain. But before she can decipher this enigma, he disappears into the French Quarter fray of sweaty, gyrating lovers. With grapevines sprouting from the path he walks and an unexplainable, addictive libido placing the city under his spell, the god deflects his retinue of Olympians and fantastical creatures attempting to deliver him back home. But it soon becomes clear that Dionysus alone can determine his fate, and the fates of Zibby and New Orleans with it.

A Smoking Bun Ellie Alexander, 2024-02-20 Another delicious installment in the

Bakeshop Series set in Ashland, OR! The mountains are calling in Ashland, Oregon, where pastry chef turned amateur sleuth, Jules Capshaw, is baking up a bevy of spiced curry buns and chai cookies for a moonlit snowshoe tour. Ramiro's family is visiting from Spain and Jules can't wait to take them up to her beloved Mount A with its charming and rustic lodge, backcountry trails, and star-filled skies that stretch for miles. Their winter wonderland adventure is nothing short of magical and the merry party opts to return to the slope the next day for the Downhill Dummy. The annual competition is a favorite amongst snow lovers. Contestants strap makeshift dummies to skis and send them hurling down a death-defying ski jump in hopes of catching big air. The team at Torte is in the mix this year with their own replica of a tiered cake and a baker who closely resembles their fearless leader. It's a fun and festive atmosphere as dummies sail past the crowd to huge cheers and applause. Until one of the dummies takes a deadly detour and lands atop Fitz Baskin. Fitz is a guide on the mountain and his icy dealings have made for frosty relationships with everyone he encounters. Suddenly there are more suspects than snowdrifts as Jules dives into the investigation. She unearths a web of secrets and motives that threaten to shake the rustic mountain lodge to its core. Can she catch the killer before they strike again, or will the truth be buried forever under fluffy layers of fresh snow?

Blindsight Peter Watts, 2006-10-03 Hugo and Shirley Jackson award-winning Peter Watts stands on the cutting edge of hard SF with his acclaimed novel, *Blindsight* Two months since the stars fell... Two months of silence, while a world held its breath. Now some half-derelict space probe, sparking fitfully past Neptune's orbit, hears a whisper from the edge of the solar system: a faint signal sweeping the cosmos like a lighthouse beam.

Whatever's out there isn't talking to us. It's talking to some distant star, perhaps. Or perhaps to something closer, something en route. So who do you send to force introductions with unknown and unknowable alien intellect that doesn't wish to be met? You send a linguist with multiple personalities, her brain surgically partitioned into separate, sentient processing cores. You send a biologist so radically interfaced with machinery that he sees x-rays and tastes ultrasound. You send a pacifist warrior in the faint hope she won't be needed. You send a monster to command them all, an extinct hominid predator once called vampire, recalled from the grave with the voodoo of recombinant genetics and the blood of sociopaths. And you send a synthesist—an informational topologist with half his mind gone—as an interface between here and there. Pray they can be trusted with the fate of a world. They may be more alien than the thing they've been sent to find. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

yourself, and learning to find joy even when times are unimaginably dark. Olivia is an expert at falling in love . . . and at being dumped. But after the fallout from her last breakup has left her an outcast at school and at home, she's determined to turn over a new leaf. A crush-free weekend at Farmland Music and Arts Festival with her best friend is just what she needs to get her mind off the senior year that awaits her. Toni is one week away from starting college, and it's the last place she wants to be. Unsure about who she wants to become and still reeling in the wake of the loss of her musician-turned-roadie father, she's heading back to the music festival that changed his life in hopes that following in his footsteps will help her find her own way forward. When the two arrive at Farmland, the last thing they expect is to realize that they'll need to join forces in order to get what they're searching for out of the weekend. As they work together, the festival becomes so much more complicated than they bargained for. Olivia and Toni will find that they need each other, and music, more than they ever could have imagined. The Neon Rain James Lee Burke, 2010-07-13 From New York Times bestselling author James Lee Burke comes his definitive, must-read first title in his famous Detective David Robicheaux series. New Orleans Detective Dave Robicheaux has fought too many battles: in Vietnam, with police brass, with killers and hustlers, and the bottle. Lost without his wife's love, Robicheaux haunts the intense and heady French Quarter—the place he calls home, and the place that nearly destroys him when he becomes involved in the case of a

young prostitute whose body is found in a bayou. Thrust into the seedy world of drug lords and arms smugglers, Robicheaux must face down the criminal underworld and come to terms with his own bruised heart and demons to survive.

Burton Snowboards. The Obama Administration. While all of these brands are vastly different, they share at least one thing in common: a teeny little bit of Aaron James Draplin. Draplin is one of the new school of influential graphic designers who combine the power of design, social media, entrepreneurship, and DIY aesthetic to create a successful business and way of life. It includes examples of his work—posters, record covers, logos—and presents the process behind his design with projects like Field Notes and the “Things We Love” State Posters. Draplin also offers valuable advice and hilarious commentary that illustrates how much more goes into design than just what appears on the page. With Draplin's humor and pointed observations on the contemporary design scene, Pretty Much Everything is the complete package.
