

Boardtastic Skateboarding

Edward Willett

The Skateboarder's Journal - Lives on Board ,2009 A piece of wood, two trucks, four wheels ... a skateboard. You start by rolling down a sidewalk, and end up rolling through life. For some the ride stops at the end of the street; for others the ride never ends. This book was written by those for whom the ride is never-ending: by the 15-year-old grom who falls asleep dreaming of skateboarding; by the 40-something dad you see at the local skatepark; by the women whose stories have never been told; and by the 73-year-old architect who didn't begin skateboarding until the age of 65. Over 170 stories and 200+ photographs. The 'everyman/everywoman' are accompanied by contributions from some 'notable' skateboarders, and other personalities from the skateboard world ... Some of the great skateboarding photographers have graciously contributed to the book.--Description from www.amazon.com

In *Tony Hawk: Chairman of the Board*, you will meet this revolutionary athlete and see awesome photos of many of his tricks. Check it out. Book jacket.
