Meade Gougeon,Joel Gougeon,Jan Gougeon

But everything changes after a disastrous pool party, and a poorly executed act of revenge lands Josie in some big-time trouble—with Lucky unexpectedly taking the blame. Determined to understand why Lucky was so quick to cover for her, Josie discovers that both of them have changed, and that the good boy she once knew now has a dark sense of humor and a smile that makes her heart race. And maybe, just maybe, he’s not quite the brooding bad boy everyone thinks he is...

Me, the Boat and a Guy Named Bob Christopher E. Bowman,2019-07-25 In the spring of 1972 a 20 year old kid from California took off to see the world. His journies led him down the East African coast and across several oceans to a magical Caribbean island and the building of a beautiful boat. This schooner, christened Water Pearl, was owned in part by he legendary musician Bob Dylan. I'm either in New York or on the West Coast or down in the Caribbean. Me and another guy own a boat down there, he once said. Finally, after forty years, here is the story of how through a cosmic chain of events this remarkable story came to pass.

Desperate Voyage John Caldwell,2020-06-01 In May 1946 John Caldwell set out to sail from Panama to Sydney to reunite with his wife who he hadn't seen for more than a year. Eager to reach his destination and unable to secure any other form of transport, he had to resort to singlehanded seamanship. After an ignominious scene in the harbor, where a tangled anchor led him to take an early dip, he spent ten days learning the rudiments of navigation and sailing from a book, before embarking on the 9,000 mile journey aboard the 20-foot Pagan. Ahead lay a mission that was to reveal in him elements not only of astounding courage and determination, but also of incredible foolhardiness. Within 500 miles of Panama John Caldwell had already been shipwrecked once and had his boat's engine and cockpit destroyed by an angry shark. Indefatigable, he decided to press on towards his goal.He endured the terrors and discomforts of life on the high seas and enjoyed the triumphs of fighting and winning against the elements. This is more than an exciting tale of sea-adventure. It is as compelling and unpredictable as a thriller. It is the story, witty and moving, of a man, motivated initially by love, and ultimately by his own fierce determination to survive.

The Wheels on the Bus Wes Magee,Richard Morgan,2010 The wheels on the bus just keep going round! Then the boat on the waves has a very up and down ride.
