Bobbing for Bodies Mickey Scheuring, 2004-09-08 **Bobbing F or Bodies** By Mickey Scheuring Who is guilty of murder at Philips Pharmaceuticals, the towns biggest employer? What is the terrifying agenda there? Where is the contamination in the companys products coming from? When is the executive staff of the beleaguered company going to wake up and take some action? Who, What, Where, When. These are the four most important ingredients of a news story, and Eddie Riley, cub reporter at the Town Telegraph, is determined to answer all these questions. The towns livelihood and his sisters life depend on it. Luckily, Ed has a gutsy group of assistants in his investigation: Rose Philips, the surprising octogenarian who owns Philips; Bruno, the muscle-man who lives downstairs from Eddie; Peggy, an irritant to her little brother, Ed, but indispensable; and a four legged friend, Rex, who knows exactly when to use his teeth. Unluckily, the bad guys will eliminate anyone in their way; age, sex, gender, or species are all disposable. As Ed plunges into the case, he risks everything to answer those four critical questions and learns that age is only a number, siblings arent so bad, and old fears faced are old fears conquered.

Bobbing with a Giant Octopus Charlie Richards, 1900 Price Litner has been in and out of the military more times than he cares to remember. Every decade it becomes harder and harder to keep his vampire nature hidden. When a silly mistake drags his nature into question, Price knows he needs to find a safe place to lie low. He turns to the one man he can trust—ex-team member Graham Canton. Even though Price is aware Graham lives at a marine park with a bunch of shifters, he knows he has no choice. He has to put his life in the hands of other paranormals—something he hasn't done in over one hundred

fifty years. Price trusts Graham, so he takes the chance. One of the men who accompanies the shifter pod alpha when he comes to question Price—after all, he could be bringing trouble their way—is none other than his beloved—a giant octopus shifter named Dare Winterwall. Can Price help the shifters save not only him but their anonymity, too? Oh, and will he be able to work past his queasiness of all things...tentacled?

Bobbing for Bodies Addison Moore, 2019-04-24 A baker who sees the dead. One too many suitors. And a killer. Living in Honey Hollow can be murder. STANDALONE novel. *A laugh out loud cozy mystery by New York Times Bestseller Addison Moore* This book can be enjoyed on its own without reading the other books in the series but for the full experience they are fun to read in order! My name is Lottie Lemon and I see dead people. Okay, so I rarely see dead people, mostly I see furry creatures of the dearly departed variety, aka dead pets, who have come back from the other side to warn me of their previous owners impending doom. Trust me when I say this is not a good sign. So, when I spot an adorable, fuzzy, little squirrel skipping around at the grand opening for my new bakery, I about lose it, until I realize it's a perky little poltergeist only visible to yours truly. But there are so many people at the grand opening it's hard to discern who exactly might be in danger-that is, until I follow the little creature right out the back and straight into another homicide. It's horrible to see your friend lying there vacant of life. Honey Hollow will never be the same. Lottie Lemon has a brand new bakery to tend to, a budding romance with perhaps one too many suitors, and she has the supernatural ability to see dead pets-which are always harbingers for ominous things to come. Throw in the occasional ghost of the human variety, a string of murders, and her insatiable thirst for justice, and you'll have more chaos than you know what to do with. Living in the small town of Honey Hollow can be murder. From the NEW YORK TIMES and USA TODAY bestselling author, Addison Moore-Cosmopolitan Magazine calls Addison's books, ...easy, frothy fun!

Bobbing Joe Tim Healey, 1997

Bobbing for Watermelons April J. Moore, 2015-03-25 In the small town of Brookwood, Iowa, forty-one-year-old food columnist Helen Munson, unappreciated by her two teenagers and her lazy husband, longs for more out of life, but hasn't a clue how to make that happen. In fact, her tendency to overreact and put herself in embarrassing situations sabotages her own efforts to assert herself. Helen impulsively starts writing a spy novel whose main character exudes traits Helen tries to embody in her own life: power, assertiveness, and the ability to kick butt. However, this persona doesn't quite manage to keep her out of trouble, or jail. With help from a cast of quirky characters, such as her hippie best friend, a free-spirited drifter, and a pair of fashionable gay store owners, Helen just might be able to pull off the transformation of a lifetime.

Bobbing Drake Journey Adkins, 2015-03-14 Bob and Drake aren't the normal demons. They ran away from Hell to start a new life and

never look back. Bob even finds himself a girl; Drake doesn't approve of dating the food though. This all becomes a problem when their past comes to hunt them down and drag them back to where they belong. Between messengers from God and the Children tearing down their walls, they aren't sure they can continue to maintain their peaceful life, or their immortal lives, as punishment in Hell is a final death far worse than any torture. But even Hell has its secrets, and Bob and Drake soon find themselves caught up in a flaming web of lies and deceit, all the while tiptoeing through the house of the Devil and all his Children. They catch themselves playing the familiar game of survival until even that seems out of their grasp...
