Larry Bauer

Going for Gold Philippa Werry,2002 It never snows in Jamaica, so how did a Jamaican bobsled team make it to the Winter Olympics? This story shows what can happen when you have a dream and persevere to make it come true.

As they read, students will develop questions about the text, and use evidence from a variety of sources in order to form conclusions. Data-focused backmatter is included, as well as a bibliography, glossary, and index.

Yes, I Can! Devon Harris,2008

But Now I See Steven Holcomb,Steve Eubanks,2013-12-03 One of the top bobsledders in the world and leader of the four-man American team, Steven Holcomb had finished sixth in the 2006 Olympics and medaled in nearly every competition he entered. He was considered a strong gold contender for the 2010 Vancouver Olympic Winter Games. Talented, aggressive, and fearless, he was at the top of his game. But Steven Holcomb had a dangerous secret. Steven Holcomb was going blind. In the prime of his athletic career, he was diagnosed with keratoconus—a degenerative disease

affecting 1 in 1,000 and leaving 1 in 4 totally blind without a cornea transplant. In the world of competitive sports, it was a dream killer. Not a sport for the timid, bobsledding speeds approach 100 miles per hour through a series of hairpin turns. Serious injuries—even deaths—can result. But Holcomb kept his secret from his coach, sled mates, and the public for months and continued to drive the legendary sled The Night Train. When he finally told his coach, Holcomb was led to a revolutionary treatment, later named the Holcomb C3-R. With his sight restored to 20/20, Holcomb became the first American in 50 years to win the International Bobsled and Skeleton Federation World Championship, and the first American bobsledder since 1948 to win the Olympic gold medal. With a foreword by Geoff Bodine, NASCAR champion and founder of the Bo-Dyn Bobsled Project, *But Now I See* is the intimate portrait of a man's pursuit of a dream, laced with humility and the faith to find a way when all seems hopeless. It's about knowing anything is possible and the gift of a second chance.

The Cadet ,2011

Cool Runnings and Beyond Chris Stokes,2002-11 Fire on ice. There is no better way to describe the Jamaica Bobsleigh Team. The team started with a spectacular crash and burn at the 1988 Calgary Olympics and grew into triumphant, shining lights in world bobsleigh competition. No longer is the team a novelty--largely comedic--as portrayed in the movie Cool Runnings. Now the Jamaican Bobsleigh Team is a phenomenon, a true marvel in the sporting world. Journalists, sports historians, and fans all hail its indomitable spirit and crowd-pleasing character. Cool Runnings and Beyond: The Story of the Jamaica Bobsleigh Team gives you a front-row seat to this incredible world, thanks to author Nelson Chris Stokes. His account shows how, once kindled, the flame of the Jamaica Bobsleigh Team refused to sputter. Instead, it flared like its Olympic counterpart. Despite jeers and sneers, these tropical islanders proved they had the fire within them to become medal contenders. Now serving as president of the Jamaica Bobsleigh Federation, Chris Stokes speaks from his experience as an Olympian and as a member of the world bobsleighbing community. He details the personalities of the teammates, the grinding training regimens, and the raw hopes and fears, disasters and determination found behind the familiar media images. Drawing from the dynamic demands of marketing Jamaica Bobsleigh, Chris also provides lessons for fund raising, building a vibrant and visionary business, and seeking personal growth through teamwork.

Running on Ice Vonetta Flowers,Olivia M. Cloud,2005 On February 18, 2002, Vonetta Flowers made Olympic history, becoming the first African-American to win a gold medal in the Winter

Olympics. Her fellow Olympians chose her to carry the U.S.A. flag in the closing ceremonies. But this historic feat took the faith of a conqueror. though trained as a track and field athlete since the age of 9, Vonetta did not make the cut for the summer olympic track team. Her coach and husband, Johnny, later saw an ad for bobsled competitors and convinced Vonetta to go for this previously unconsidered sport. She made it. Her lifetime of track training placed her in the anchor position on the 2-woman bobsled team, and the rest is literally history. Vonettas story is one of intense faith in God, whom she freely credits for her victories.

The Message on the Christmas Sled Keith H Graham,2019-07-28 Tommy Andrew Grant, alias The Message Man, is a topnotch woodworker. His techniques in creating signs and other wooden products are collectively called The Tommy Touch. Most people in and around Snowdrift Acres, Snowy County, USA, realize that The Tommy Touch is much more than measuring, carving, woodburning, and painting. It is touching lives for Jesus Christ and bringing out the good and best in them.No one comes to realize and appreciate the beauty and significance of this touch more than Terry Lee, the woodworker's only son. Frustrated at his inability to discover and develop his hidden talent, he listens to his father's wise advice, which is recorded on the boards of a special Christmas sled.The story revolves around the lives of five friends: the twins, Terry Lee and Rebecca Lynn Grant, Monica Sue Morton, Ginger Ann Brown, and Johnny Ray Shaw.Held together by a common love, they live and share an energetic, unstoppable, Christian faith based on God's enduring truths.Except for one big step into the past, the story takes place from March 20, 1957 (the first day of spring), until December 25, 1968.

Speed Kings Andy Bull,2016-10-04 Traces the efforts of four American athletes from disparate backgrounds to win the gold medal for bobsledding during the 1932 Olympics, profiling how the

American public, deep in the grip of the Great Depression, rallied around their achievements.

PUSH Johnny Quinn, 2018-02-23 Johnny Quinn shares his “wild dream” of playing in the NFL, being crushed after getting cut three times, losing \$2.6 million in contracts, and blowing out his knee. At age thirty, when most professional athletes are considered “over the hill,” Johnny was competing for Team USA in the sport of bobsled at the 2014 Winter Olympics in Sochi, Russia. This book ushers readers through the valleys of life to the thrills of rocketing down icy mountains at 80+ mph with no seat belt. Discover how the author overcame failure on the road to achieving greatness. From an NFL failure to a US Olympian, Johnny Quinn had a “what’s next” attitude that led him to success he had never imagined. In *Push*, he looks at failure as a season of life rather than a death sentence. He provides incredible insight into the “what’s next” instead of “what could have been.” We all experience failure at some level; Quinn equips us to embrace change, accept risks, and learn to push through barriers, to live life on purpose.

Sledding Larry Bauer, 1998

Angel of Lake Placid David Heim, Stephen A. Mendez, Sr., 2011-12-15 On the afternoon of July 8, 2000, David Heim died in a Cessna plane crash. But when his wife entered the hospital where he had been pronounced dead-on-arrival, his heart miraculously resumed beating as if it recognized her presence. For the next forty days David remained in a coma, precariously clinging to life. *Angel of Lake Placid* is a love story that hinges on hope, when hope does not exist. It is the story of a courageous wife and pristine mother who must nurture newborn twins at the same time she continuously pulls her husband from his grave. The Thrill of Victory as she holds her treasured babies, and the Agony of Defeat as she holds her dying husband's hand. David Heim is a true American patriot. As an international spy for the Allied Forces during the height of the Cold War, he and his

partner rescued more defectors from behind the Iron Curtain of East Germany and Czechoslovakia than any other agent. He was a member of the Olympic Organizing Committee and helped bring the 1980 Olympic Games to Lake Placid. As Deputy Director of Protocol he assisted in bringing the undefeated Soviet hockey team to the Olympics, where a team of American college kids shocked the world in The Miracle Game. As a goodwill gesture when he became Executive Director of USA Bobsled, he helped create the Jamaican Bobsled Federation which was portrayed in the Disney movie, Cool Runnings. Angel of Lake Placid will tug at every emotion in your being. It is a nail-biting thriller of international intrigue and espionage. You will relive the greatest victory in the history of sports and chant USA! USA!. It chronicles the humorous trials and tribulations of the Jamaicans vying for a spot in the Calgary Winter Olympics. And you will both cry and cheer for this little family in a tiny town called Lake Placid. One of the best true stories you will ever read.

Encyclopedia of World Sport David Levinson, Karen Christensen, 1999 Contains essays concerning various sports or sports topics, from acrobatics to yachting, giving both American and international coverage
