**Bodyguard for Hire** Carver Myhand, 2016-09-29 Over the last several years, Chey Knight has had a full plate - literally and figuratively. His company Bodyguard for Hire is thriving and extremely successful plus since the day he met Brent Patterson from the Diplomatic Security Service, or D.S.S. business has never been better. Chey knows he has the world at his finger tips and can travel anywhere at the drop of a hat. He is never short on work and is always off to the next assignment. This makes it difficult to figure out a relationship although people continuously volunteer to offer female companionship. His love of the work and the schedule convinced Chey a long time ago to never to commit in any real relationship. All is going in Chey's favor until he takes an assignment to rescue a kidnapped child from her mother only to discover that the assignment was not what it was supposed to be. Chey must then decide to stick to his creed of always completing the job or stick with his conscience. The decision he makes propels him from the depths of Dubai in the Middle East, to the shores of Cartagena in Columbia and brings him face to face with the woman that could change his life forever...or so it seems

Mara's pretty, funny, and has the greatest job in the world... She is a sex toy operator. Just those three words send Jace into a dream-like coma plagued with erotic imagery featuring the spunky sex toy operator. As luck would have it for Jace, nothing's easy. Mara comes to him with a problem...one he cannot refuse to help her out with. Someone strange keeps calling Mara, she thinks someone's been in her house, and worse Jace might be thinking the same thing. more than a kiss.
