*The Bookworm: A Novel* Mitch Silver, 2018-02-06 A stunning and surprising new thriller, Mitch Silver's latest novel takes readers from a secret operation during World War II—with appearances by Noel Coward and Winston Churchill—to present day London and Moscow, where Lara Klimt, "the Bookworm," must employ all her skills to prevent an international conspiracy. Why did Hitler chose not to invade England when he had the chance? Europe, 1940: It's late summer and Belgium has been overrun by the German army. Posing as a friar, a British operative talks his way into the monastery at Villers-devant-Orval just before Nazi art thieves plan to sweep through the area and whisk everything of value back to Berlin. But the ersatz man of the cloth is no thief. Instead, that night he adds an old leather Bible to the monastery's library and then escapes. London, 2017: A construction worker operating a backhoe makes a grisly discovery—a skeletal arm-bone with a rusty handcuff attached to the wrist. Was this the site, as a BBC newsreader speculates, of "a long-forgotten prison, uncharted on any map?" One viewer knows better: it's all that remains of a courier who died in a V-2 rocket attack. The woman who will put these two disparate events together—and understand the looming tragedy she must hurry to prevent—is Russian historian and former Soviet chess champion Larissa Mendelovg Klimt, "Lara the Bookworm," to her friends. She's also experiencing some woeful marital troubles. In the course of this riveting thriller, Lara will learn the significance of six musty Dictaphone cylinders recorded after D-Day by Noel Coward—actor, playwright and, secretly, a British agent reporting directly to Winston Churchill. She will understand precisely why that leather Bible, scooped up by the Nazis and deposited on the desk of Adolf Hitler days before he planned to attack Britain, played such a pivotal role in turning his guns to the East. And she will discover the new secret pact negotiated by the nefarious Russian president and his newly elected American counterpart—maverick and dealmaker—and the evil it portends. Oh, and she'll reconcile with her husband.

The Deep & Dark Blue Niki Smith, 2020-02-11 The Witch Boy meets The Legend of Korra in this breathtaking, epic graphic novel. After a terrible political coup usurps their noble house, Hawke and Grayson flee to stay alive and assume new identities, Hanna and Grayce. Desperation and chance lead them to the Communion of Blue, an order of magical women who spin the threads of reality to their will. As the twins learn more about the Communion, and themselves, they begin to hatch a plan to avenge their family and retake their royal home. While Hawke wants to return to his old life, Grayce struggles to keep the threads of her new life from unraveling, and realizes she wants to stay in the one place that will allow her to finally live as a girl. This title will be simultaneously available in paperback.

Violet and Victor Write the Best-Ever Bookworm Book Alice Kuipers, 2014-12-02 Violet and Victor Small are twins on a mission: to write the best book in the whole, entire world-together! Victor is reluctant, but Violet is determined, and soon the ideas can't come quickly enough. They begin to write a story about a hungry Bookworm who is eating all the books in the library. Thanks to Victor's brilliant ideas, Violet is able to save the day (and the library). This delightful story-within-a-story is filled with good-natured sibling rivalry, and focuses on the spirit of cooperation, the satisfaction of a job well-done, and the magic of storytelling.

Sabrina & Corina Kali Fajardo-Anstine, 2019-04-02 NATIONAL BOOK AWARD FINALIST • Latinas of Indigenous descent living in the American West take center stage in this haunting debut story collection—a powerful meditation on friendship, mothers and daughters, and the deep-rooted truths of our homelands. “Here are stories that blaze like wildfires, with characters who made me laugh and broke my heart.”—Sandra Cisneros WINNER OF THE AMERICAN BOOK AWARD • FINALIST FOR THE STORY PRIZE • FINALIST FOR THE PEN/ROBERT W. BINGHAM PRIZE FOR DEBUT SHORT STORY COLLECTION Kali Fajardo-Anstine’s magnetic story collection breathes life into her Latina characters of indigenous ancestry and the land they inhabit in the American West. Against the remarkable backdrop of Denver, Colorado—a place that is as fierce as it is exquisite—these women navigate the land the way they navigate their lives: with caution, grace, and quiet force. In “Sugar Babies,” ancestry and heritage are hidden inside the earth but tend to rise during land disputes. “Any Further West” follows a sex worker and her daughter as they leave their ancestral home in southern Colorado only to find a foreign and hostile land in California. In “Tomi,” a woman leaves prison and finds herself in a gentrified city that is a shadow of the one she remembers from her childhood. And in the title story, “Sabrina & Corina,” a Denver family falls into a cycle of violence against women, coming together only through ritual. *Sabrina & Corina* is a moving narrative of unrelenting feminine power and an exploration of the universal experiences of abandonment, heritage, and an eternal sense of home. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Public Library • Kirkus Reviews • Library Journal “Sabrina & Corina isn’t just good, it’s masterful storytelling. Fajardo-Anstine is a fearless writer: her women are strong and scarred witnesses of the violations of their homelands, their culture, their bodies; her plots turn and surprise, unerring and organic in their comprehensiveness; her characters break your heart, but you keep on going because you know you are in the hands of a master. Her stories move through the heart of darkness and illuminate it with the soul of truth.”—Julia Alvarez, author of *How the García Girls Lost Their Accents* “[A] powerhouse debut . . . stylistically superb, with crisp dialogue and unforgettable characters, *Sabrina & Corina* introduces an impressive new talent to American letters.”—Rigoberto González, NBC News

**Bookworm** Lucy Mangan, 2018-03-01 The perfect Christmas gift for the bookworm in your life. 'Beautiful and moving... It will kickstart a cascade of nostalgia for countless people' Marian Keyes When Lucy Mangan was little, stories were everything. They opened up different worlds and cast new light on this one. She was whisked away to Narnia - and Kirrin Island - and Wonderland. She ventured down rabbit holes and wobble burrows into midnight gardens and chocolate factories. No wonder she only left the house for her weekly trip to the library. In *Bookworm*, Lucy brings the favourite characters of our collective childhoods back to life and disinters a few forgotten treasures poignantly, wittily using them to tell her own story, that of a born, and unrepentant, bookworm. 'Passionate, witty, informed, and gloriously opinionated' Jacqueline Wilson 'A deliciously nostalgic treat' Good Housekeeping 'Lucy Mangan has enough comic energy to power the National Grid' The Spectator

*The Lost Dreamer* Lizz Huerta, 2022-03-01 A lush, immersive debut fantasy about a group of women whose way of life is threatened by a new king; a fierce celebration of community, sisterhood, and finding our power. Indir is a Dreamer, descended from a long line of seers; able to see beyond reality, she carries the rare gift of Dreaming truth. But when the beloved king dies, his son has no respect for this time-honored tradition. King Alcan wants an opportunity to bring the Dreamers to a permanent end—an opportunity Indir will give him if he discovers the two secrets she is struggling to keep. As violent change shakes Indir's world to its core, she is forced to make an impossible choice: fight for her home or fight to survive. Saya is a seer, but not a Dreamer—she has never been formally trained. Her mother exploits her daughter's gift, passing it off as her own as they travel from village to village, never staying in one place too long. Almost as if they're running from something. Almost as if they're being hunted. When Saya loses the necklace she's worn since birth, she discovers that seeing isn't her only gift—and begins to suspect that everything she knows about her life has been a carefully-constructed lie. As she comes to distrust the only family she's ever known, Saya will do what she's never done before, go where she's never been, and risk it all in the search of answers. With a detailed, supernaturally-charged setting and topical themes of patriarchal power and female strength, Lizz Huerta's *The Lost Dreamer* brings an ancient world to life, mirroring the challenges of our modern one.

**Bookworm** Rosamond Wolff Purcell,2006 Books are man-made artifacts designed to convey information. When they are inevitably invaded by forces of nature and decay, they become suggestive of an alternative literary universe. Noted photographer and collage artist Rosamond Purcell has been exploring this universe for the past thirty years, and in this extraordinarily beautiful collection, the first retrospective of her work, her images teach us to read in a new way. Here are two conjoined volumes transformed by a nesting mouse into a heap of disrupted plot and straw; a 19th century French economics text re-interpreted by foraging termites, and many other oddities from a fertile imagination. *Bookworm's* 125 color reproductions are imaginative evidence of those processes that render literal meaning irrelevant.

**Bookworm II** Christopher G. Nuttall,2014-01-03 Not every ugly duckling becomes a swan... In the wake of the disastrous attack on the Golden City, Lady Light Spinner has become Grand Sorceress and Elaine, the Bookworm, has been settling into her positions as Head Librarian and Privy Councillor. But any hope of vanishing into her books is negated when a new magician of staggering power appears in the city, one whose abilities seem to defy the known laws of magic. Johan is a Powerless, a person born to a magical family

yet lacking powers of his own. His dreams of a better life are curbed by his family, who see him as a cripple at best and a burden at worst. But when a political protest goes horrifically wrong, Johan discovers that his true powers have merely been buried, waiting for their chance to explode into the world. As he comes to grips with his newfound talents, he discovers that he finally has a chance to realise his ambitions ... But for the Golden City, reeling after the devastation of six months earlier, he may be the greatest threat the city has ever seen. Elaine must unlock the mystery behind his powers before the political factions can kill him ... or use him to unleash a nightmare. Returning to well-loved characters from Christopher G. Nuttall's bestselling Bookworm and introducing new ones, Bookworm II: The Very Ugly Duckling explores power – and the effect it has on the human mind.

**Bookworm** Christopher G. Nuttall, 2013-10-18 Elaine is an orphan girl who has grown up in a world where magical ability brings power. Her limited talent was enough to ensure a magical training but she's very inexperienced and was lucky to get a position working in the Great Library. Now, the Grand Sorcerer – the most powerful magician of them all – is dying, although initially that makes little difference to Elaine; she certainly doesn't have the power to compete for higher status in the Golden City. But all that changes when she triggers a magical trap and ends up with all the knowledge from the Great Library – including forbidden magic that no one is supposed to know – stuffed inside her head. This unwanted gift doesn't give her greater power, but it does give her a better understanding of magic, allowing her to accomplish far more than ever before. It's also terribly dangerous. If the senior wizards find out what has happened to her, they will almost certainly have her killed. The knowledge locked away in the Great Library was meant to remain permanently sealed and letting it out could mean a repeat of the catastrophic Necromantic Wars of five hundred years earlier. Elaine is forced to struggle with the terrors and temptations represented by her newfound knowledge, all the while trying to stay out of sight of those she fears, embodied by the sinister Inquisitor Dread. But a darkly powerful figure has been drawing up a plan to take the power of the Grand Sorcerer for himself; and Elaine, unknowingly, is vital to his scheme. Unless she can unlock the mysteries behind her new knowledge, divine the unfolding plan, and discover the truth about her own origins, there is no hope for those she loves, the Golden City or her entire world.

**BOOKWORM** BIBIMARYAM MOUSAVI, ALEXANDRA RODRIGUEZ, If you have lived on this earth for any bit of time, it's safe to say you have seen a worm before. Maybe you have seen one in a fruit or in the garden, on a plant or in the soil. That is usually where worms live, after all. And as you may know, our story is about a worm. But this worm is special. This little worm once lived inside a book. I know it sounds strange at first. Do books have worms like apple? you might ask. You see, when a book gets very old, small worms slowly start to eat its pages. They are called bookworms.

**Bookworm IV** Christopher G. Nuttall, 2015-10-02 A new Emperor has arisen ... and the Empire is collapsing into chaos. Having escaped from the Golden City, Elaine, Johan and their friends – including some strange allies with goals of their own – race desperately towards Ida, hiding place of the ancient Witch-King. Behind them, the armies of the new Emperor – a man permanently poised on the verge of madness – give chase, unleashing monsters and spells from the long-buried past on everyone who stands in their way. Ahead of them, the Witch-King waits, biding his time as he prepares for his ascension. As they endure terrible dangers – and figures from the past – Elaine and Johan come to realise that Elaine's knowledge of magic and the bond between them may be the

only thing standing between the Witch-King and godhood. But if they cannot prepare a defence in time, the entire world will die when the Witch-King rises from his tomb ... The fourth and final instalment in the Bookworm series, Full Circle follows on from the events in The Best Laid Plans, with Elaine and her friends heading for Ida to confront the Witch-King.
