A Historical Review and Analysis of Army Physical Readiness Training and Assessment Whitfield East,2013-12 The Drillmaster of Valley Forge-Baron Von Steuben-correctly noted in his Blue Book how physical conditioning and health (which he found woefully missing when he joined Washington's camp) would always be directly linked to individual and unit discipline, courage in the fight, and victory on the battlefield. That remains true today. Even an amateur historian, choosing any study on the performance of units in combat, quickly discovers how the levels of conditioning and physical performance of Soldiers is directly proportional to success or failure in the field. In this monograph, Dr. Whitfield Chip East provides a pragmatic history of physical readiness training in our Army. He tells us we initially mirrored the professional Armies of Europe as they prepared their forces for war on the continent. Then he introduces us to some master trainers, and shows us how they initiated an American brand of physical conditioning when our forces were found lacking in the early wars of the last century. Finally, he shows us how we have and must incorporate science (even when there exists considerable debate!) to contribute to what we do-and how we do it-in shaping today's Army. Dr. East provides the history, the analysis, and the pragmatism, and all of it is geared to understanding how our Army has and must train Soldiers for the physical demands of combat. Our culture is becoming increasingly "unfit, due to poor nutrition, a lack of adequate and formal exercise, and too much technology. Still, the Soldiers who come to our Army from our society will be asked to fight in increasingly complex and demanding conflicts, and they must be prepared through new, unique, and scientifically based techniques. So while Dr. East's monograph is a fascinating history, it is also a required call for all leaders to better understand the science and the art of physical preparation for the battlefield. It was and is important for us to get this area of training right, because getting it right means a better chance for success in combat.

The Mosquito Bite Author Baris Biçakçı,2020-10-01 Originally published in 2011, *The Mosquito Bite* Author is the seventh novel by the acclaimed Turkish author Barış Biçakçı. It follows the daily life of an aspiring novelist, Cemil, in the months after he submits his manuscript to a publisher in Istanbul. Living in an unremarkable apartment complex in the outskirts of Ankara, Cemil spends his days going on walks, cooking for his wife, repairing leaks in his neighbor's bathroom, and having elaborate imaginary conversations in his head with his potential editor about the meaning of life and art. Uncertain of whether his manuscript will be accepted, Cemil wavers between thoughtful meditations on the origin of the universe and the trajectory of political literature in Turkey, panic over his own worth as a writer, and incredulity toward the objects that make up his quiet world in the Ankara suburbs.

Mourning Eduardo Halfon,2018-05-08 International Latino Book Award Winner Edward Lewis Wallant Award Winner Kirkus Prize Finalist Neustadt International Prize Finalist Balcones Fiction Prize Finalist PEN Translation Prize Longlist "A feat of literary acrobatics."—New York Review of Books In *Mourning*, Eduardo Halfon's eponymous narrator travels to Poland, Italy, the U.S., and the Guatemalan countryside in search of secrets he can barely name. He follows memory's strands back to his maternal roots in Jewish Poland and to the contradictory, forbidden stories of his father's Lebanese-Jewish immigrant family, specifically surrounding the long-ago childhood death by drowning of his uncle Salomón. But what, or who, really killed Salomón? As he goes deeper, he realizes that the truth lies buried in his own past, in the brutal Guatemala of the 1970s and his subsequent exile to the American South. *Mourning* is a subtle and stirring reflection on the formative and destructive power of family mythology, silence, and loss. Eduardo Halfon moved from Guatemala to the United States at the age of ten and attended school in South Florida and North Carolina. The recipient of a Guggenheim Fellowship, Roger Caillois Prize, José María de Pereda Prize for the Short Novel, and Guatemalan National Prize in Literature, he is the author of two previous novels published in English: *The Polish Boxer*, a New York Times Editors' Choice selection and *Monastery*, longlisted for the Best Translated Book Award.

Self-Portrait in Green Marie Ndiaye,2023-09-12 Who are the green women? They are powerful (one is a disciplinarian teacher). They are mysterious (one haunts a house like a ghost). They are seductive (one marries her best friend's father). And they are unbearably personal (one is the author's own mother). They are all aspects of their creator: Marie NDiaye, an author celebrated worldwide as one of France's leading writers. Here, in her own skewed take on the memoir, NDiaye combs through all the menacing, beguiling, and revelatory memories submerged beneath the consciousness of a singular literary talent. Mysterious, honest, and unabashedly innovative, NDiaye's self-portrait forces us all to ask questions--about what we repress, how we discover those things, and how those obsessions become us. This 10th anniversary hardcover edition of Marie NDiaye's genre-defying classic restores photographs that appeared in the original French edition alongside Jordan Stump's dazzling translation, revealing in English, at last, the complete vision of NDiaye's influential masterpiece.

Secret Dreams in Istanbul Nermin Yıldırım,2020-12-21 This is a work written by a very young writer who displays infinite maturity in terms of her ability to delve into the deepest recesses of character and make it possible to understand, for example, a grasping social upstart and a wife abuser, yet, at the same time, alongside the wisdom and comprehension that would befit a psychologist, there shines a lively wit and, despite so many bleak realities, a youthful zest for life. It is a novel that touches raw nerves, that shocks, intrigues, cries out against injustice and engages the reader's attention from the first page to the last.

Minor Detail Adania Shibli,2020-05-26 A searing, beautiful novel meditating on war, violence, memory, and the sufferings of the Palestinian people Finalist for the National Book Award Longlisted for the International Booker Prize *Minor Detail* begins during the summer of 1949, one year after the war that the Palestinians mourn as the Nakba—the catastrophe that led to the displacement and exile of some 700,000 people—and the Israelis celebrate as the War of Independence. Israeli soldiers murder an encampment of Bedouin in the Negev desert, and among their victims they capture a Palestinian teenager and they rape her, kill her, and bury her in the sand. Many years later, in the near-present day, a young woman in Ramallah tries to uncover some of the details surrounding this particular rape and murder, and becomes fascinated to the point of obsession, not only because of the nature of the crime, but because it was committed exactly twenty-five years to the day before she was born. Adania Shibli masterfully overlays these two translucent narratives of exactly the same length to evoke a present forever haunted by the past.

Home Reading Service Fabio Morábito,2021-11-16 In this poignant novel, a man guilty of a minor offense finds purpose

unexpectedly by way of his punishment—reading to others. After an accident—or “the misfortune,” as his cancer-ridden father’s caretaker, Celeste, calls it—Eduardo is sentenced to a year of community service reading to the elderly and disabled. Stripped of his driver’s license and feeling impotent as he nears thirty-five, he leads a dull, lonely life, chatting occasionally with the waitresses of a local restaurant or walking the streets of Cuernavaca. Once a quiet town known for its lush gardens and swimming pools, the “City of Eternal Spring” is now plagued by robberies, kidnappings, and the other myriad forms of violence bred by drug trafficking. At first, Eduardo seems unable to connect. He movingly reads the words of Dostoyevsky, Henry James, Daphne du Maurier, and more, but doesn’t truly understand them. His eccentric listeners—including two brothers, one mute, who moves his lips while the other acts as ventriloquist; deaf parents raising children they don’t know are hearing; and a beautiful, wheelchair-bound mezzo soprano—sense his detachment. Then Eduardo comes across a poem his father had copied by the Mexican poet Isabel Fraire, and it affects him as no literature has before. Through these fascinating characters, like the practical, quick-witted Celeste, who intuitively grasps poetry even though she never learned to read, Fabio Morábito shows how art can help us rediscover meaning in a corrupt, unequal society.

A fourth section covers specific perioperative problems in orthopedic surgery, such as care of the elderly patient, venous thromboembolism, infection, nutrition, compartment syndrome, and bone health. Finally, the role of allied services, quality improvement and ethics are highlighted, and selected case studies are included to illustrate real-world perioperative issues and management strategies in orthopedic surgery. A comprehensive yet concise reference, Perioperative Care of the Orthopedic Patient will be an invaluable resource for orthopedic surgeons, sports medicine specialists and any professional involved in orthopedic surgery.

Labyrinth Burhan Sönmez,2019-11-19 Notable International Crime Novel of the Year – Crime Reads / Lit Hub From a prize-winning Turkish novelist, a heady, political tale of one man’s search for identity and meaning in Istanbul after the loss of his memory. A blues singer, Boratin, attempts suicide by jumping off the Bosphorus Bridge, but opens his eyes in the hospital. He has lost his memory, and can't recall why he wished to end his life. He remembers only things that are unrelated to himself, but confuses their timing. He knows that the Ottoman Empire fell, and that the last sultan died, but has no idea when. His mind falters when remembering civilizations, while life, like a labyrinth, leads him down different paths. From the confusion of his social and individual memory, he is faced with two questions. Does physical recognition provide a sense of identity? Which is more liberating for a man, or a society: knowing the past, or forgetting it? Embroidered with Borgesian micro-stories, Labyrinth flows smoothly on the surface while traversing sharp bends beneath the current.

The Italian Shukri Mabkouth,2021-10-21 An emblematic story of the shipwreck of the Arab Spring At his father's funeral, to the great consternation of all present, Abdel Nasser beats the imam who is celebrating the funeral rite. The narrator, a childhood friend of the protagonist, retraces the story of the Italian from his days as a free and rebellious adolescent spirit to the leader of a student movement and then affirmed journalist. Those were crucial years in Tunisia, years of great tension, change, and repression. Against this background full of revolutionary ferments stands the tormented love story between Abdel Nasser and Zeina, a brilliant and beautiful philosophy student. Their dreams will unfortunately end up being wrecked under the ruthless gears of a corrupt and chauvinist society. Abdel Nasser's transformation from a young idealist with high hopes to a successful, but disillusioned and tired journalist is masterfully narrated in a stream of stories, digressions and flashbacks in which the narrative tension is always high. Winner of the 2015 International Prize for Arabic Fiction
