**Bouncing Back from Rejection** Leslie Becker-Phelps,2019-12-01 Go beyond your fear of rejection to develop confidence, compassionate self-awareness, and resilience! Do you have a fear of rejection? If so, you aren’t alone. But if you have difficulty bouncing back after rejection, experience intense pain as a result, or if the fear of rejection is so crippling that it interferes with your everyday life, it’s time to make a change. This groundbreaking guide can help. With this book, you’ll learn why you fear rejection by gaining an understanding of your unique attachment style. Secure attachment is defined as a feeling of being protected and well-cared for. People who experience secure attachment as young children are more likely to be happy, healthy, and resilient adults. On the other hand, insecurely attached people are less likely to cope well with rejection, and may have trouble “bouncing back” after difficult experiences. Once you understand how your attachment style has informed your fears, you can begin the work needed to overcome them! Using the theory of attachment, and the five domains of awareness: Sensations, Thoughts, Emotions, Actions, and Mentalizing (STEAM), you’ll learn to relate to yourself and to others in more positive ways, even when difficult situations arise. So, whether you experience rejection in a romantic relationship, at work, or with friends, you’ll have the resilience needed to recover quickly and focus on what makes you special and unique. This isn’t a book that promises to protect you from future rejection. Unfortunately, rejection happens to everyone and is a normal part of life. But you will learn skills to handle this rejection and come to see it as less scary. With this view, you’ll gain confidence, self-awareness, and the resilience needed to bounce back, even when life throws you a curveball.

**Mr. Unavailable and the Fallback Girl** Natalie Lue,2011 Are you the Fallback Girl? If you've ever found yourself in a relationship that feels and seemingly looks like one but you're struggling with commitment or you've been in the ambiguous territory of a 'casual relationship', you've likely tried to change them, wondered what you 'did' to cause this, what you can do to win their love and commitment, or even whether you're going crazy. Mr Unavailable and the Fallback Girl is the definitive guide to understanding the relationship between emotionally unavailable men and the women that love them. From explaining how and why they blow hot and cold, to where that future they promised went to, how you've ended up being a booty call, why you've been together for a gazillion years but aren't going anywhere, and more importantly how and why you're involved with them in the first place, all of the answers are here. You know you're dealing with unavailability when you ask stuff like What happened to that 'great guy' from the beginning? Why won't he break up or stay away if he doesn't want to commit? What the hell did I do to make him disappear? Is he going to leave 'her' for me? It's because he's shy/busy/scared of his feelings isn't it? Inspired by the real life adventures in unavailability of Natalie Lue and the readers of her site BaggageReclaim.com, Mr Unavailable and the Fallback Girl is an empowering, entertaining and inspiring read that will wise you up to pitfalls such as men who aren't over their exes, Future Fakers, guys that have more baggage than a Heathrow terminal and reappearing childhood 'sweethearts'. If you want to understand your own availability, and why commitment in a healthy relationship is eluding you, Mr Unavailable and the Fallback Girl is your guide to being available and attracted to healthy, available partners. Note - the book is in British English not US English.

**Men Are from Mars, Women Are from Venus** John Gray,1993-04-23 Popular marriage counselor and seminar leader John Gray provides a unique, practical and proven way for men and women to communicate and relate better by acknowledging the differences between them. Once upon a time Martians and Venusians met, fell in love, and had happy relationships together because they respected and accepted their differences. Then they came to earth and amnesia set in: they forgot they were from different planets. Using this metaphor to illustrate the commonly occurring conflicts between men and women, Gray explains how these differences can come between the sexes and prohibit mutually fulfilling loving relationships. Based on years of successful counseling of couples, he gives advice on how to counteract these differences in communication styles, emotional needs and modes of behavior to promote a greater understanding between individual partners. Gray shows how men and women react differently in conversation and how their relationships are affected by male intimacy cycles (get close, back off), and female self-esteem fluctuations (I'm okay, I'm not okay). He encourages readers to accept the other gender's particular way of expressing love, and helps men and women learn how to fulfill each other's emotional needs. With practical suggestions on how to reduce conflict, crucial information on how to interpret a partner's behavior and methods for preventing emotional trash from the past from invading new relationships, Men Are from Mars, Women Are from Venus is a valuable tool for couples who want to develop deeper and more satisfying relationships with their partners.
