Little Lamb Lost Margaret Fenton, 2024-01-23 "A relentless social worker makes an intriguing amateur sleuth" in this southern crime novel, the first in a "promising new series" (Booklist). Two-year-old Michael Hennessey is found dead and his mother, Ashley is arrested. The only person who doesn't believe Ashley Hennessey killed her son is Claire Conover, the social worker who put Michael back in his mother's home. Claire believes Ashley has recovered from a life of booze and drugs and turned over a new leaf for the sake of her child. Now Claire just has to prove Ashley's innocence to the police. There's no shortage of other suspects. There's the boyfriend who didn't like being saddled with his girlfriend's kid, and Ashley's alcoholic stepfather with a shady past. And what about the boy's mysterious father? But the search for answers is fraught with uncertainty as Claire comes up against her own doubts. Maybe she got it wrong. Maybe Ashley was using again. Maybe reuniting mother and son was a misjudgment Claire would regret for the rest of her life. Whatever the truth is, one thing is certain: Claire is about to uncover secrets that could ruin lives—or end her own. "Fenton puts her experiences as a social worker to good use in her promising debut. . . . With her fine ear for regional speech, Fenton may do for Birmingham what Margaret Maron has done for rural North Carolina." —Publishers Weekly "A riveting story . . . Little Lamb Lost is highly recommended reading." —Midwest Book Review "Well done." —Library Journal

Inside Out & Back Again Thanhha Lai, 2013-03-01 Moving to America turns H&à's life inside out. For all the 10 years of her life, H&à has only known Saigon: the thrills of its markets, the joy of its traditions, the warmth of her friends close by, and the beauty of her very own papaya

tree. But now the Vietnam War has reached her home. Hà and her family are forced to flee as Saigon falls, and they board a ship headed toward hope. In America, Hà discovers the foreign world of Alabama: the coldness of its strangers, the dullness of its food, the strange shape of its landscape, and the strength of her very own family. This is the moving story of one girl's year of change, dreams, grief, and healing as she journeys from one country to another, one life to the next.

The Power of Resilience Dr. Robert Brooks, Sam Goldstein, 2004-10-03 Continuing their pioneering work on resilience, they now show how and why it is never too late for adults to find strength and safety in life. --Edward Hallowell, M.D., author of *Driven to Distraction* A uniquely wise guide summarizing a vast amount of research into a practical set of strategies to overcome adversity and live a stress-hardy life. --Jack Canfield, coauthor of *Chicken Soup for the Soul*

Mother, May I Sleep with Danger? Claire Rainwater Jacobs, 1997 A mother's sixth sense that there is something fishy about her daughter's new boyfriend proves her right. The youth, who attends college with her daughter in New York State, is a murderer. But it takes some doing to prove it as he is a charmer. By the author of *There Was a Little Boy*.

The Beast You Are Paul Tremblay, 2023-07-11 A haunting collection of short fiction from the bestselling author of *The Pallbearers Club*, *A Head Full of Ghosts*, and *The Cabin at the End of the World*. Paul Tremblay has won widespread acclaim for illuminating the dark horrors of the mind in novels and stories that push the boundaries of storytelling itself. The fifteen pieces in this brilliant collection, *The Beast You Are*, are all monsters of a kind, ready to loudly (and lovingly) smash through your head and

into your heart. In “The Dead Thing,” a middle-schooler struggles to deal with the aftermath of her parents’ substance addictions and split. One day, her little brother claims he found a shoebox with “the dead thing” inside. He won’t show it to her and he won’t let the box out of his sight. In “The Last Conversation,” a person wakes in a sterile, white room and begins to receive instructions via intercom from a woman named Anne. When they are finally allowed to leave the room to complete a task, what they find is as shocking as it is heartbreaking. The title novella, “The Beast You Are,” is a mini epic in which the destinies and secrets of a village, a dog, and a cat are intertwined with a giant monster that returns to wreak havoc every thirty years. A masterpiece of literary horror and psychological suspense, *The Beast You Are* is a fearlessly imagined collection from one of the most electrifying and innovative writers working today.

Flipped Wendelin Van Draanen,2003-05-13 A classic he-said-she-said romantic comedy! This updated anniversary edition offers story-behind-the-story revelations from author Wendelin Van Draanen. The first time she saw him, she flipped. The first time he saw her, he ran. That was the second grade, but not much has changed by the seventh. Juli says: "My Bryce. Still walking around with my first kiss." He says: "It's been six years of strategic avoidance and social discomfort." But in the eighth grade everything gets turned upside down: just as Bryce is thinking that there's maybe more to Juli than meets the eye, she's thinking that he's not quite all he seemed. This is a classic romantic comedy of errors told in alternating chapters by two fresh, funny voices. The updated

anniversary edition contains 32 pages of extra backmatter: essays from Wendelin Van Draanen on her sources of inspiration, on the making of the movie of *Flipped*, on why she'll never write a sequel, and a selection of the amazing fan mail she's received. Awards and accolades for *Flipped*: SLJ Top 100 Children's Novels of all time IRA-CBC Children's Choice IRA Teacher's Choice Honor winner, Judy Lopez Memorial Award/WNBA Winner of the California Young Reader Medal "We flipped over this fantastic book, its gutsy girl Juli and its wise, wonderful ending." — The Chicago Tribune "Van Draanen has another winner in this eighth-grade 'he-said, she-said' romance. A fast, funny, egg-cellent winner." — SLJ, Starred review "With a charismatic leading lady kids will flip over, a compelling dynamic between the two narrators and a resonant ending, this novel is a great deal larger than the sum of its parts." —Publishers Weekly, Starred review

The Queer and Transgender Resilience Workbook

Anneliese A. Singh, 2018-02-02 How can you build unshakable confidence and resilience in a world still filled with ignorance, inequality, and discrimination? The *Queer and Transgender Resilience Workbook* will teach you how to challenge internalized negative messages, handle stress, build a community of support, and embrace your true self. Resilience is a key ingredient for psychological health and wellness. It's what gives people the psychological strength to cope with everyday stress, as well as major setbacks. For many people, stressful events may include job loss, financial problems, illness, natural disasters, medical emergencies, divorce, or the death of a loved one. But if you are queer or gender non-conforming, life stresses may also include discrimination in housing and health care, employment barriers, homelessness, family rejection, physical attacks or threats, and general unfair treatment and oppression—all of which lead to overwhelming feelings of hopelessness and powerlessness. So, how can you gain resilience in a society that is so often toxic and unwelcoming? In this important workbook, you'll discover how to cultivate the key components of resilience: holding a positive view of yourself and your abilities; knowing your worth and cultivating a strong sense of self-esteem; effectively utilizing resources; being assertive and creating a support community; fostering hope and growth within yourself, and finding the strength to help others. Once you know how to tap into your personal resilience, you'll have

an unlimited well you can draw from to navigate everyday challenges. By learning to challenge internalized negative messages and remove obstacles from your life, you can build the resilience you need to embrace your truest self in an imperfect world.

Resilience Boris Cyrulnik, 2011-02-17 Cyrulink has healed people and countries. (The Times, London)
Renowned French neuropsychiatrist and psychoanalyst Boris Cyrulnik's parents were deported to a concentration camp during the Second World War. They never returned. This early personal trauma at the age of five led Cyrulnik to his life's work helping individuals and countries come to terms with their pasts and forge ahead to create positive futures. It is his firm belief that trauma does not equal destiny-that, rather, we can find strength in the face of pain. Drawing on years of experience working around the globe with children who have been abused, orphaned, fought in wars and escaped genocide, Cyrulnik here tells many amazing and moving stories of individuals whose experiences prove that suffering, however appalling, can be the making of somebody rather than their destruction. This inspiring book teaches us that we can not only survive in the shadow of adversity-we can thrive.
