**Everybody Fights** Kim Holderness, Penn Holderness, 2021-03-30 A USA Today and Wall Street Journal bestseller! Learn how to fight better and end your arguments with your partner feeling closer, more loved, and better understood. We take our cars in for oil changes. We mow our lawns and pull weeds. Why don't we do maintenance on our marriages? This relationship is the most important one we will ever have, so why not get better at it? For the last several years, Penn and Kim Holderness of The Holderness Family have done the hard maintenance and the research to learn how to fight better. With the help of their marriage coach Dr. Christopher Edmonston, they break down their biggest (and in some cases, funniest) fights. How did a question about chicken wings turn into a bra fight (no, not a bar fight or a bra fight)? How did a roll of toilet paper lead to tears, resentment, and a stint in the guest bedroom? With their trademark sense of humor and complete vulnerability, Penn and Kim share their 10 most common Fight Fails and how to combat them. Throughout the book, they offer scripts for how to start, continue, and successfully close hard conversations. Couples will emerge equipped to engage and understand, not do battle—and maybe laugh a little more along the way. In *Everybody Fights*, couples will learn how to: Use magic words for healthy conflict resolution Address unspoken and unrealistic expectations Banish the three Ds of unhealthy communication—distraction, denial, and delay Carry individual baggage while helping your partner deal with theirs Penn and Kim want you to know you're not alone. Everybody fights. Marriage is messy. Marriage is work. But marriage is worth it. Fight for it!

*A Stolen Life* Jaycee Dugard, 2011-07-12 A raw and powerful memoir of Jaycee Lee Dugard's own story of being kidnapped as an 11-year-old and held captive for over 18 years On 10 June 1991, eleven-year-old Jaycee Dugard was abducted from a school bus stop within sight of her home in Tahoe, California. It was the last her family and friends saw of her for over eighteen years. On 26 August 2009, Dugard, her daughters, and Phillip Craig Garrido appeared in the office of her kidnapper's parole officer in California. Their unusual behaviour sparked an investigation that led to the positive identification of Jaycee Lee Dugard, living in a tent behind Garrido's home. During her time in captivity, at the age of fourteen and seventeen, she gave birth to two daughters, both fathered by Garrido. Dugard's memoir is written by the 30-year-old herself and covers the period from the time of her abduction in 1991 up until the present. In her stark, utterly honest and unflinching narrative, Jaycee opens up about what she experienced, including how she feels now, a year after being found. Garrido and his wife Nancy have since pleaded guilty to their crimes.

Ward, 2019-09-24 A vampire and a scientist’s fates are passionately entwined in a race against time in this thrilling romance in the #1 New York Times bestselling “utterly absorbing and deliciously erotic” (Angela Knight, New York Times bestselling author) Black Dagger Brotherhood series. In the venerable history of the Black Dagger Brotherhood, only one male has ever been expelled—but Murhder’s insanity gave the Brothers no choice. However, he is not prepared for what he must face in his quest for redemption. Dr. Sarah Watkins, researcher at a biomedical firm, is struggling with the loss of her fellow scientist fiancé. When the FBI starts asking about his death, she questions what really happened and soon learns the terrible truth: Her firm is conducting inhumane experiments in secret and the man she thought she knew and loved was involved in the torture. As Murhder and Sarah’s destinies become irrevocably entwined, desire ignites between them. But can they forge a future that spans the divide separating the two species? And as a new foe emerges in the war against the vampires, will Murhder return to his Brothers... or resume his lonely existence forevermore?

The Incomplete Framley Examiner The Editors, 2021-10-14 In 2001, fans of the internet were introduced to scanned pages from spoof local newspaper The Framley Examiner. Packed with humdrum and preposterous news stories, classified ads, local business features and headlines that seemed to have been typed while asleep, it skewered the banal madness of small-town existence, perfectly encapsulating the British national character. Framley’s strange yet familiar community – stuffed with its own cast, insane geography and rich local history – struck a chord with those who recognised their own home towns in its reflection. The website was loved and shared by an eager public as well as famous fans from Little Britain, The Simpsons and the Cambridge Centre for Theoretical Cosmology (Professor Stephen Hawking was a Framley enthusiast). Marking the twentieth anniversary of the website’s first appearance The Incomplete Framley Examiner combines the pages of the original book, published in 2002, with all the pages published online in the years since and brand new material for a bigger, more luxurious, toilet-proof compendium for the annals of history.

**Before We Were Strangers** Renée Carlino, 2015-08-18 From the USA TODAY bestselling author of *Sweet Thing* and *Nowhere But Here* comes a love story about a Craigslist “missed connection” post that gives two people a second chance at love fifteen years after they were separated in New York City. To the Green-eyed Lovebird: We met fifteen years ago, almost to the day, when I moved my stuff into the NYU dorm room next to yours at Senior House. You called us fast friends. I like to think it was more. We lived on nothing but the excitement of finding ourselves through music (you were obsessed with Jeff Buckley), photography (I couldn’t stop taking pictures of you), hanging out in Washington Square Park, and all the weird things we did to make money. I learned more about myself that year than any other. Yet, somehow, it all fell apart. We lost touch the summer after graduation when I went to South America to work for National Geographic. When I came back, you were gone. A part of me still wonders if I pushed you too hard after the wedding... I didn’t see you again until a month ago. It was a Wednesday. You were rocking back on your heels, balancing on that thick yellow line that runs along the subway platform, waiting for the F train. I didn’t know it was you until it was too late, and then you were gone. Again. You said my name; I saw it on your lips. I tried to will the train to stop, just so I could say hello. After seeing you, all of the youthful feelings and memories came flooding back to me, and now I’ve spent the better part of a month wondering what your life is like. I might be totally out of my mind, but would you like to get a drink with me and catch up on the last decade and a half? M

**I Had a Miscarriage** Jessica Zucker, 2021-03-09 Sixteen weeks into her second pregnancy, psychologist Jessica Zucker miscarried at home, alone. Suddenly, her career, spent specializing in reproductive and maternal mental health, was rendered corporeal, no longer just theoretical. She now had a changed perspective on her life’s work, her patients’ pain, and the crucial need for a zeitgeist shift. Navigating this nascent transition amid her own grief became a catalyst for Jessica to bring voice to this ubiquitous experience. She embarked on a mission to upend the strident trifecta of silence, shame, and stigma that surrounds reproductive loss—and the result is her striking memoir meets manifesto. Drawing from her psychological expertise and her work as the creator of the #IHadaMiscarriage campaign, *I Had a Miscarriage* is a heart-wrenching, thought-provoking, and validating book about navigating these liminal spaces and the vitality of truth telling—an urgent reminder of the power of speaking openly and unapologetically about the complexities of our lives. Jessica Zucker weaves her own experience and other women's stories into a compassionate and compelling exploration of grief as a necessary, nuanced personal and communal process. She inspires her readers to speak their truth and, in turn, to ignite transformative change within themselves and in our culture.
