John Rember

Boxed In J Davis, 2020-04-18 *The Road to Dreams is Full of Nightmares*. A decrepit, sinister town; a young boxer who wants to escape; a mafioso with a solution. Salvador Purelli has been watching Richie Frezza and likes what he sees. When the mob boss makes contact, the offer is simple: represent the Solano Crime Family or find a new market. When enemies muscle in on the boxing trade and an ambitious police officer begins snooping, the Family must preserve its grip on Ridgmont Cove's underworld and silence former Solano fighter Timothy Vietta. Soon, Richie learns commitment to the Family is more about sin and less about boxing. Can Richie escape the inevitable carnage, or does Salvador Purelli have a plan of his own? It's the twelfth and final round, but who is in Richie's corner? **This book contains adult themes & content, profanity, violence, and sexually suggestive passages. Rated for ages 18 and up.**

Boxed in Karen Kelly, 2011 *Think outside the box—that's what Annie Dawson must do when she discovers a mysterious birchbark box in the attic of Grey Gables, the home bequeathed to her by her grandmother--*From publisher's description.

Boxed in Mark Crispin Miller, 1988 *Informed*, controversial, ranging from a melancholy study of rock and roll's descent into show business to a hilarious look at the spectacle that is the Jerry Lewis Telethon, these twenty essays offer an unusual and (ironically) entertaining study of American media by one of its foremost critics.

Boxed In Joseph DeMatteo, 2022-09 After losing his job of thirty years as a box and packaging salesman, Ernie Eubanks attempts to chart a new course in life when he trades selling boxes and bubble wrap for coffee and doughnuts. When upwardly mobile corporate fast trackers begin turning up at the city morgue, detective Mike Conway races to solve the mystery. Is the killer; Jeff Johnson, the born-again Christian recovering drug addict son of an alcoholic illiterate redneck, Billy Vasquez, the ex-con who has a side gig as a defective vacuum cleaner salesman, Sheila Meadows, the former teenage prostitute turned assistant manager of Smiley Joe's Holey House of Java or . . . Ernie Eubanks?

Boxed In Robert Cousins, 2018-10-31 It should have been a simple load-balancing problem for container ships -- all in a day's work for Dr. Andrew Walker, resident computer genius at Universal Container Logistics. But the more he looks, the more a pattern emerges that someone is up to no good on a global scale. All too soon, he and his new bride Jane are on the run, as everyone from drug cartels to the CIA seems to want them dead. The Walkers find themselves isolate and hunted by powerful opponents, with only their wits and resourcefulness to fall back upon.

Boxed In Penny Grubb, 2021-01-11 It's years since Private Investigator Annie Raymond set eyes on PC Jennifer Flanagan, yet here they are face to face because a rogue shipping container turned up in a recycling yard on the outskirts of Hull, and a man died. The grieving widow hurls accusations but too quickly backs off. Why is the container undocumented? How did it arrive unnoticed amid the forest of cameras and automated recognition systems? When Annie's paymasters start taking too close an interest in her present, and Jennifer's supervisors begin digging into her past, the two women are drawn into an uneasy alliance. Do they feel under surveillance because they're watching each other, or is it something more sinister? While Annie tries to protect her agency, in the myriad dockyards sprawled alongside the dark waters of the Humber, robotic systems swing gigantic steel containers with millimetre precision through the cold winter air.

for a boy he believes has been kidnapped and imprisoned in a box. When he tries to enlist help he's treated with indifference or disbelief.

Emotionally Boxed-In Poetry Na'Tashia Vance, 2012-02-29 There is a reason this book is titled Emotionally Boxed-In, every person in life has some emotions boxed in that they don't know how to release them, so they keep them boxed in. In reality releasing your emotions in a healthy way relieves stress from your life, as for me journaling about my life brought out my talent of poetry and relieved me in many ways. When you write down your life and reread it, you just don't realize how that can help with your change in your life. Looking at my life through journaling and poetry made me see what others already saw when my eyes was closed to different situations going on in my life. I advise many people to open there eyes and don't live boxed in.

Boxed In! John Locke, 2016-02 Dr. Gideon Box might be a pig of a man, but he's also the surgeon of last resort for hopeless case infants other doctors have given up on. Over the past six years 72 children have been wheeled into his operating room with no chance of surviving, and yet Box saved them all. But now his winning streak is in danger because the world's deadliest assassin, Donovan Creed, has hatched a plan to stop a deadly terrorist from blowing up Wall Street. Can you see where this is going? In order for Creed's plan to succeed, Dr. Box has to make certain his next patient-the terrorist's son-dies in the operating room. Box has only one redeeming quality: he won't allow any child to die while under his care, even if it means tens of thousands of innocent Americans will lose their lives. Knowing that the penalty for defying Creed is certain death, Box turns to the one person on Earth he believes can neutralize the assassin while he works to save the child. Amazingly, she agrees to help him. But will it be enough? PRELIMINARY COMMENTS FOR BOXED IN I dare you to read this book and tell me that John Locke has an ounce of sanity-and I mean that as a compliment I've asked it before, I'll ask it again: How does John come up with this stuff? Highly entertaining Boxed In is Gideon Box at his snarky best. I'd say more if I could figure out where to start. Get it, enjoy it, and pray for Mr. Locke.

MFA in a Box John Rember, 2010 Nautilus Book Award Silver Winner. Eric Hoffer Award Grand Prize Short List. Midwest Book Award Finalist/Reference. Witty, audacious and wise. Robin Metz, Winner of the Rainer Maria Rilke International Poetry Award. This should be on every writer's bookshelf. Randy Richardson, President, Chicago Writers Association. By exploring the relationships between the writer and love, grief, place, family, race and violence, Rember helps writers dive deep into their own writing. A big part of writing involves grappling with the terrors and discouragements that come when you have writing skills but can't project yourself or your work into the future, says Rember. My hope is that MFA in a Box will help writers balance the despair of writing with the joy of writing. It's a book designed to help you to find the courage to put truth into words and to understand that writing is a life-and-death endeavor -- but that nothing about a life-and-death endeavor keeps it from being laugh-out-loud funny.
