Punching Bag Rex Ogle,2021-10-05 A New York Public Library Best Book of 2021 The companion to Rex Ogle's award-winning *Free Lunch* is a searing account of adolescence in a household torn by domestic violence. *Punching Bag* is the compelling true story of a high school career defined by poverty and punctuated by outbreaks of domestic abuse. Rex Ogle, who brilliantly mapped his experience of hunger in *Free Lunch*, here describes his struggle to survive; reflects on his complex, often paradoxical relationship with his passionate, fierce mother; and charts the trajectory of his stepdad's anger. Hovering over Rex's story is the talismanic presence of his unborn baby sister. Through it all, Rex threads moments of grace and humor that act as beacons of light in the darkness. Compulsively readable, beautifully crafted, and authentically told, *Punching Bag* is a remarkable memoir about one teenager's cycle of violence, blame, and attempts to forgive his parents—and himself.

The Hands Gang Rick Hughes, 2012-05-17 Conor grabbed the heavy boxing bag between his hands, squeezing it to keep it from moving. He set his feet and rammed his head into the bag so hard that you could hear it right across the weight room. He leaned back and rammed his head back into the bag, even harder than the first time. Then he did a rapid-fire series in quick succession, his head smashing into the bag with awesome power. His face went even redder, and he stopped and let go of the bag, his arms hanging by his side. He lifted his head and gasped for air. The Irish Kiss. He gasped again. If hes shorter than you, you aim for here. He reached over with his finger and poked the top of Looeys head. Same height as you, you go for the nose. The same finger gave Looey a sharp rap on the bridge of his nose. Conor knew he was going to need this move and everything else he knew to win this battle. The fact that hed become the leader of the Hands Gang pretty much by accident, to impress Stacey, the wild child, the beautiful rich girl, didnt matter now. What mattered was the Boulton Blood Crew was coming after him with everything they had. They didnt know that the Hands Gang only had three guys. They didnt need to know. All they needed to know was that they were in for the fight of their lives!

The fitness-boxing audience includes literally millions of people who want a solid, real-world, tough workout that will increase their speed, cardiovascular endurance, and power. In-the-ring competition, actually hitting people (or being hit), and fancy equipment are downplayed throughout the book.
