Boxing's Hall of Shame Thomas Myler,2011-03-11 In Boxing's Hall of Shame, Thomas Myler tells the inside stories of the real fight game. He reveals the sport's heroes and villains, mobsters and fixers, its shame and sorrows, providing the reader with a ringside seat at boxing's greatest and most controversial contests along the way. This no-holds-barred volume includes the enraged Mike Tyson taking a chunk out of Evander Holyfield's ear; Roberto Duran's baffling retirement against Sugar Ray Leonard; the Riddick Bowe-Andrew Golota fiasco that ended in an ugly full-scale riot; Sonny Liston - whose mobster background was not unknown to boxing authorities - going down under Muhammad Ali's phantom punch; and Jake LaMotta's botched dive against Billy Fox, which turned the 'Raging Bull' into boxing's bad boy overnight. Boxing's Hall of Shame sensationally revisits the boxing scandals, the fixed fights and the powerful influence of the underworld, taking the reader behind the scenes of the glove sport to reveal the shady underbelly of boxing through the ages.

Great Benny Leonard John Jarrett,2021-06-28 Benny Leonard was arguably the greatest lightweight champion of all time. With superb boxing skills and potent punching power, he fought over 200 times and suffered just five defeats. He spent his boyhood in a crime-ridden ghetto in Manhattan's Lower East Side, and was the greatest of a long line of Jewish boxers to emerge from the slums. Leonard was still only 19 when he knocked out Freddie Welsh to become world lightweight king in 1917. He defended the title eight times and retired as undefeated champion in 1925, to please the only woman he loved, his mother. But the 1929 Wall Street Crash wiped out his fortune and he was forced to make a comeback at 35. Leonard fought the best of his era: Johnny Dundee, Johnny Kilbane, Rocky Kansas, Jack Britton, Ted Kid Lewis and Lew Tendler among them. Apart from being a sublime boxer, Benny was a first-class showman who helped to put boxing on a higher plane. He died as he lived - in the ring - while refereeing a fight at age 51. This is the definitive account of his remarkable life and career.

From the story behind Muhammad Ali's deterioration, to first-hand accounts from the fighters themselves, including the beloved Micky Ward. In Damage, author Tris Dixon delivers a gripping history of boxing's darkest secret--CTE (Chronic Traumatic Encephalopathy), which was known previously as Dementia Pugilistica and Punch Drunk Syndrome. This highly-anticipated book has already generated intense discussion on social media about the inner-conflict that comes with being a fan of the sweet science, and the difficulty involved in witnessing the devastating brain trauma suffered by the warriors who fight for the entertainment of millions. Unfortunately, the promoters, managers, and other non-participants who profit from the violence have long looked the other way. Will this book finally drive them to address the issue and help fighters get the help they deserve?

Boxing, Narrative and Culture Sarah Crews,P. Solomon Lennox,2023-10-16 Boxing, Narrative and Culture: Critical Perspectives is the first interdisciplinary response to the dominant boxing narratives that are produced, performed and circulated in commercial boxing culture. This collection includes global perspectives on boxing. It highlights the diverse range of bodies and communities that engage with boxing practices but are oftentimes overlooked and overwritten by popular narrative tropes and misconceptions of the sport. These interdisciplinary and global perspectives engage with boxing's shared narrative resources, offering new readings and insights on how and what boxing performs and for whom. The contributors to this collection are academics, artists, amateur boxers, and/or coaches who provide a culture critique of boxing. The work shows how boxing practices are performed and channelled by individuals and communities who access and utilise boxing culture as a means of physical enquiry, political statement, and community building. These contributions challenge the notion that boxing is a sport reserved for masculine bodies adorned as heroes, warriors, or victims of the sport. Exploring key themes in socio-cultural studies including gender, race, community, media and performance, this book is fascinating reading for anybody with an interest in physical culture, sport studies, cultural studies, gender studies, cultural geography, critical race theory, labour studies, performance studies or media studies.

He visited old people's homes, gyms, and too many prisons, discovering that life after boxing can be a cruel place when the ropes are no longer in place to keep fighters safe from the outside world. Dixon meets men who shaped boxing history, fighting the likes of Sugar Ray Robinson, Muhammad Ali, and Mike Tyson. He shares their memories and weaves together their forgotten tales over the course of a remarkable American journey.

Sports fans were gripped as Joshua battled bravely through 11 gruelling rounds, recovering from a sixth round knockout to ultimately defeat Klitschko, setting up a stoppage with an uppercut that thundered around the world. Ali and Liston Bob Mee,2011-10-11 Three months after the assassination of John F. Kennedy, two prizefighters named Charles "Sonny" Liston and Cassius Marcellus Clay Jr. stepped into a boxing ring in Miami to dispute the heavyweight championship of the world. Liston was a mob fighter with a criminal past, and rumors were spreading that Clay was not just a noisy, bright-eyed boy blessed with more than his share of the craziness of youth, but a believer in a shadowy cult: the Nation of Islam. Neither could be a hero in the eyes of the media. Against this backdrop of political instability, of a country at war with itself, in a time when ordinary African-American people were maimed and killed for the smallest acts of defiance, Liston and Clay sought out their own individual destinies. Liston and Ali follows the contrasting paths these two men took, from their backgrounds in Arkansas and Kentucky through to that sixteen-month period in 1964 and 1965 when the story of the world heavyweight championship centered on them and all they stood for. Both Ali and Liston's tracks are followed as their paths diverge: Ali going on to greatness with his epic fights and Liston catapulted back into oblivion until his mysterious death in 1970. Using original source material, it explores a riveting chapter in sports history with fresh insight and striking detail. *Liston and Ali* is a valuable addition to the literature about these world icons and their opponents.
